Chapter 3406

Seeing the changes in Bai Qian's body, Luo Xi felt more at ease, so he said, "It is rumored that you are a witch who specializes in absorbing the essence of men for training. You are also ruthless, killing people on sight, and eating children..." Bai Qian, who was originally

smiling Qian, when he heard the word "eating children", his face suddenly turned ferocious!

When Luo Xi saw this, his heart tightened, and cold sweat broke out on his forehead!

"Damn it, these bastards, even if they say that I sleep with men, they even say that I eat children?"

"I like children the most, how can I eat children? These old guys are overtaken by a woman like me. You feel like you have no face, so you spread rumors about me."

"I want to find out who spread the rumors about me eating children, and I have to skin him."

. Killing look!

After a while, Bai Qian's anger disappeared, and she once again put on a smile and said, "Little witch, do you think I am like the rumors?"

Luo Xi shook his head, "Not like..."

"Hahaha, you girl are still too innocent, do you think that I am not that kind of person just because I smile at you?" "I really don't know, you are so

innocent, how dare your father leave you here, this god There are no rules in the Demonic Battlefield. If you encounter bad guys, with your strength, aren't you a lamb to be slaughtered?" "

What are you doing in this cave? Why don't you follow your father?"

Bai Qian asked!

"I...I...I'm waiting for my father and the others. They went treasure hunting. My strength is too low, so I'm waiting for them here. They should be back soon." Luo Xi said, but his eyes were subconsciously

always Peek into the hole!

Bai Qian could tell at a glance that Luo Xi was lying, so she asked with a smile, "What's in the cave? Is there any treasure you found?" "No, there's nothing..."

Luo Xi hurriedly shook his head.Said the head!

Bai Qian didn't believe it and walked towards the cave, while Luo Xi hurriedly stopped Bai Qian!

Seeing this, Bai Qian became more convinced that there was something inside the cave, so she said, "Do you think you can stop me?"

After saying that, Bai Qian waved her hand, and a force directly pushed Luo Xi aside!

Bai Qian walked into the cave and saw David lying on the ground!

"I didn't expect that you would have a secret meeting with a handsome man at such a young age. No wonder you are so nervous. Is this man your boyfriend?"

Bai Qian said, then looked at David!

"No, he is not my boyfriend. We are just ordinary friends. Mr. Chen was injured and I brought him here."

Luo Xi explained quickly!

"Injured?" Bai Qian said, squatting down to check on David!

Bai Qian reached out and touched David's chest. This startled Luo Xi, and she slapped Bai Qian with one palm!

“Don’t touch Mr. Chen. As long as I’m still alive, I will never let you touch him...”

Luo Xi roared angrily. David had saved her life. Of course Luo Xi couldn’t watch David being harmed!

“You little witch, why are you nervous? I’m just checking his injuries.”

Bai Qian didn’t even look back. With a gentle wave of her hand, a surging breath blew Luo Xi aside!

Luo Xi wanted to move, but found that he was suppressed by a force and couldn’t move at all!

Bai Qian reached out and gently pressed David’s chest!

Those snow-white and delicate palms, along with David’s bronze chest, formed a very stimulating visual impact!

But just when Bai Qian injected a breath into David’s body, suddenly a white light flashed across David’s chest, and Bai Qian’s body seemed to be pushed back by a strong force!

Bai Qian took several steps back before stopping, and then looked at David in shock!

Chapter 3407

On David’s chest, the dragon crystal shone with light, and a dragon roar even sounded from within his body!

Bai Qian was a little stupid, she didn’t expect it to be like this!

She just injected a piece of beast power into David’s body, but she didn’t expect David’s body to respond!

She didn’t even expect that David actually had the blood of the orcs!

“The blood of the Dragon Clan...”

Bai Qian’s eyes became hot, staring at David, as if he wanted to swallow David!

Luo Xi felt the changes in Bai Qian. She wanted to stop it, but she was powerless!

Bai Qian waved her hand, and a barrier suddenly appeared, cutting off Luo Xi. She couldn’t even see what was going on inside!

“Dragon bloodline, it seems my opportunity has come. I will heal your injuries, and you will make my bloodline stronger...”

Bai Qian said, and started to take off her clothes!

Then he gently fell on David. Bai Qian wanted to use this method to restore David, and Bai Qian could also use David’s dragon bloodline to combine with her, making her own bloodline stronger. !

Luo Xi was outside. She didn’t know what Bai Qian would do to David. She was already scratching her head anxiously!

But she didn’t expect that David was already being ridden by Bai Qian!

An hour later, Bai Qian was already sweating profusely!

And David’s pale face began to turn rosy, and his physical strength recovered a lot!

Slowly, David opened his eyes!

But the moment he opened his eyes, he saw a woman’s face in front of him, looking at him with a smile!

“Are you awake?”

Bai Qian said with a smile!

“Who are you?” David was startled and hurriedly stood up and backed away!

But when he stepped back, he found that the clothes on his body were missing!

David was stunned and looked at Bai Qian's expression when he looked at him. David seemed to understand something!>
He never thought that he would be humiliated by a woman...

and that was while he was in a coma!

"Who are you?"

David quickly put on his clothes and asked with a murderous look on his face!

Seeing the murderous look on David's face, Bai Qian chuckled, "Look, none of you men are good. Just now I even ruined my own innocence just to save you, but you don't appreciate it at all, and you are still like this." Are you mean to me?"

"You saved me?" David frowned slightly. "Who are you? Why did you save me?"

David only remembers that he passed out, but he doesn't remember what happened next!

Moreover, David used the Divine King Bow, so he had to be wary of everyone who appeared around him!

Who knows if these people are coming for God King Bow!

"My name is Bai Qian, you can also call me Fox Princess. I saved you because of your dragon bloodline, so you don't have to thank me too much..."
Bai Qian said straightforwardly

!

"Bai Qian? Fox Princess?" David frowned, and a divine consciousness instantly enveloped Bai Qian. Bai Qian did not resist and allowed David to investigate her!

"You are an orc, are you one of the Three Sovereigns and Four Kings, like the Demon Emperor Yihe?"

David asked!

"That guy Yihe can't compare to me in strength now. He's only focused on scheming with King Li and has forgotten to practice..." "

How do you know Yihe? What's up with the dragon blood in you? Are you really from the dragon clan?"

"But I feel that there are many kinds of auras in your body. What is going on?"

Bai Qian asked David in confusion.

While having an in-depth exchange with David, Bai Qian discovered that David had several kinds of auras in his body, not just the power of the dragon.

"Don't ask me yet, what exactly did you do to me?"

David asked seriously!

Chapter 3408

"I didn't do anything. I just made our two bloodlines merge. This way, my bloodline can become stronger, and my practice will be more effective." "But don't think that I have taken advantage of you, kid.

"Cheap, I am innocent, no man has ever touched me, and your breath was extremely weak at the time. If no one cared about you, you would have died." "I have saved you now and used

your bloodline, so we The two are evenly matched, but I am very lucky to be married to the son of the dragon for the first time." After

Bai Qian finished speaking, he removed the barrier with a wave of his hand!

Luo Xi was still anxious and at a loss outside. When he saw that the barrier was removed, he rushed in quickly!

She has been mentally prepared. If David is sucked and fucked by that Bai Qian, then she will not live anymore, and she will follow Bai Qian to death!

But as soon as Luo Xi rushed in, she was dumbfounded because she saw Chen Pingsheng standing in front of her vigorously!

“Mr. Chen, you...are you awake?”

Luo Xi said with surprise!

“Miss Luo, I’m fine, why are you here?” David asked with confusion on his face!

“Mr. Chen, you passed out. I brought you here.”

Luo Xi said!

“Did you bring me here?” David was stunned and pointed at Bai Qian. “What about her?” “

She was passing by and I just met her.”

Luo Xi explained!

Only then did David realize that it was Luo Xi who rescued him, but then he met Bai Qian and let this guy take advantage of him!

“Now that you’re awake, it’s okay. We don’t owe each other anything. I’m leaving...”

After saying that, Bai Qian left without looking back!

Just like a scumbag, he

just leaves after playing... Luo Xi looked at David with a confused look on his face and asked, “Mr. Chen, do you know this Fox Princess?”

“No...”

David shook his head!

r> “Since we don’t know each other, how can she say that you two don’t owe each other? What’s going on?”

Luo Xi was confused. She couldn’t possibly think of what the two of them had done in more than an hour. !

After all, the two of them are strangers to each other. In the eyes of a little girl like Luo Xi, they would never think of this!

“Stop asking, let’s follow her now...”

After David finished speaking, he chased her out!

Luo Xi was puzzled as to why David was chasing the Fox Princess, but Luo Xi still followed her!

In this battlefield between gods and demons, Luo Xi is afraid that she will be in danger if she doesn’t follow David!

Bai Qian had not gone far when David caught up with him!

When Bai Qian saw David chasing after him, he asked playfully, “What? You’ve already suffered a loss. Do you want to do it again?” “

You took advantage of me while I was unconscious. You can’t just slap me on the butt like this.” Let’s go.”

“I want to follow you. After all, we have a special relationship now, not to mention that you have a part of me in your blood!”

David actually acted like a little man, You must follow Bai Qian and let Bai Qian take responsibility!

Seeing David like that, Bai Qian laughed loudly and said, “Haha, what are you thinking in your heart? Do you think I don’t know? You are exhausted and unconscious. You must have met a strong enemy. Now you are relying on Do you want me to protect you?”

Seeing that Bai Qian had seen through it, David suddenly seemed a little embarrassed!

“You don’t have to be embarrassed, I can protect you, but there is a condition.” Bai Qian said!

“What conditions?”

David asked!

“I can protect you during the battlefield of gods and demons, but you must sleep with me every day. I want to make my bloodline stronger and stronger.”
“

If you are lucky enough to be pregnant with a child and give birth to a son of the dragon, I'm worth it too."

"I like children the most..."

Bai Qian stated the conditions again!
