Chapter 3418

Bai Qian walked back, while David followed Huo Feng and stared at the entrance of the Fairy Mine!

“I don’t know what happened to Miao Miao and Cai Qiannan...”

David was very worried!

After all, David came to Tianmo Mountain, and Miao Lao and Cai Hongwei also helped a lot along the way!

If he couldn’t save the two girls this time, David would always feel guilty!

Huofeng glanced at David, and then said, “Master, let me go in to see how they are doing...” “

No, it’s too dangerous for you to go in...”

David immediately refused!

The fire phoenix is still too weak now. If it goes in, it will definitely not come out!

“Master, don’t worry, I can get in and out even if I have a way!”

After Huo Feng said, his body aura disappeared instantly and he sneaked over quietly!

David looked at Huo Feng. When he was wondering how Huo Feng could get in without being discovered, he saw Huo Feng walking towards a disciple of the Jade Girl Sect!

Immediately afterwards, Huo Feng quickly took action, beheading the Jade Girl Sect disciple, then changed his clothes to his own body, and walked in with a swagger!

Seeing this scene, David had to admire Huo Feng for his really quick reaction!

After Huofeng entered the Immortal Mine Cave, he saw many Yu Pu Sect disciples moving the Immortal Mine, including Jade Girl Sect disciples!

Even in some hidden corners, there are some unpleasant sounds!

Just by listening to the sound, you can tell that it must be a disciple of the Yupu Sect who is practicing dual cultivation with a disciple of the Yunu Sect!

These shameless guys don't even shy away from it!

Huofeng could only lower his head and quickly search the cave, trying to find Miao Miao and Cai Qiannan!

"Fellow Taoist, let's practice dual cultivation together..."

Just as Huofeng was inspecting the cave, a bearded man suddenly stopped Huofeng!

The big man looked straight at the fire phoenix with his eyes almost bursting with laughter.

Huofeng looked at the big man who suddenly appeared and became nervous instantly!

"I really didn't expect that the Jade Girl Sect has such a beautiful disciple. The two of us are together. Come on, brother, let me love you so much..."

The bearded man wiped his saliva and walked towards Huofeng!

Huofeng looked nervous and kept retreating!

She couldn't make a move here. If she did, then... If you are exposed, you will definitely not be able to get out, and you may even be humiliated by these guys!

But if you don't take action, this big man is obviously attracted to Huo Feng, and he is closing the door tightly step by step. It seems that he will not give up until he follows the dual cultivators of Fire and Phoenix. Yes!

Just when Huofeng was in a dilemma, someone not far away suddenly shouted, “Huzi, the sect master asked you to send the fairy mine over, hurry up...” Upon hearing this, the

bearded man immediately agreed reluctantly!

Then he looked at Huo Feng with a lustful look and said, “Sister, wait for brother. Never practice double cultivation with others. You must wait for brother...” After saying that, the

bearded man left in a hurry!

After the big man left, Huo Feng quickly looked inside the cave!

The cave was very big, like a world, with many shining fairy mines!

Soon, Huo Feng found two figures in a dark place!

When Huo Feng walked over, he found that it was Miao Miao and Cai Qiannan!

The two girls were lying on the ground, their clothes were in tatters and not covering their bodies, and their surroundings were controlled by formations!

The most important thing was that the two girls’ lower bodies were covered in blood, and they were very wet. He had obviously suffered inhuman torture!

Looking at Miao Miao and Cai Qiannan, Huofeng’s eyes were red and his teeth were clenching!

Although Huofeng had not known Miao Miao and Cai Qiannan for a long time, seeing this scene, Huo Feng was so angry!

She wanted to kill all the guys from Yupu Clan right away!

“Yupu Clan, you bunch of beasts, don’t deserve a good death...”

Huo Feng’s eyes were filled with anger!

“Hey, what are you doing? Woolen cloth? Hurry up and move the fairy mine! “

Just when Huo Feng was furious, someone shouted at Huo Feng!

Seeing this, Huo Feng nodded quickly and left quickly!

She can't take Miao Miao and Cai Qiannan out now!
