Chapter 3427

“Fox Princess, why are you following this brat? Why does he care about you so much?”

the Monkey King asked Bai Qian!

Bai Qian frowned, “Monkey King, what is my relationship with him? Is it none of your business? Get away from me. Our relationship is whatever we love.” The Monkey King said with an angry look on his face, gritting his teeth

. You stinky B!tch, you sleep with everyone, even a first-grade monk in the Tribulation Realm.”

After saying that, the Monkey King gave David a fierce look and said, “Stinky boy, get out of here right now. , stop pestering the Fox Princess, she is my woman...”

“Damn monkey, what the hell are you talking about? Who is your woman, do you want face?” Bai Qian did not expect that the Monkey King would say this. !

“You are my woman. After I identify you, no one is allowed to touch you. I will kill this brat now. Let me see who else you can find.” The monkey king said, and the aura on his body exploded

. He was about to slap David with his palm!

Bai Qian’s face was full of anger, and bursts of aura erupted from her body. However, she was weak now, and her aura was definitely not as strong as that of the Monkey King! ☹

David frowned when facing the Monkey King’s furious seventh-level aura of the Tribulation Realm, and activated the indestructible golden body on his body!

Pieces of golden scales covered David’s body!

The Monkey King was slightly startled, but still gritted his teeth and headed towards David!

“Smelly monkey, can’t you fucking see me, my aunt?”

Just when the monkey king was about to attack David, he suddenly let out a sweet shout, and fire phoenix spurted out a stream of flames from his mouth!

When the Monkey King heard this voice, he couldn’t help being startled, and his body retreated quickly, with a look of horror on his face!

When he saw the fire phoenix clearly, his face turned pale!

“Fire... fire phoenix?”

the monkey king said with a trembling body!

“Damn it, you dare to attack my master, see if I don’t beat you to death...”

Huo Feng stepped forward and slapped the Monkey King on the head!

The monkey king was slapped by the fire phoenix, but he didn’t if you dare to fight back, you will be so frightened that you quickly dodge!

David was dumbfounded when he saw this scene!

You must know that the Monkey King is a seventh-level monk in the Tribulation Realm, while the Fire Phoenix is only in the Fusion Realm. There is a huge difference. The Monkey King may even move his fingers and the Fire Phoenix will be doomed!

But when the fire phoenix made a move, the monkey king could only dodge and didn’t dare to fight back...

Bai Qian couldn’t help laughing when she saw this scene. Looking at David’s confused look, she explained, “This stinky monkey, before He was often bullied by Huo Feng. Before he became the Monkey King, Huo Feng would ride on him all day long.” “At

that time, Huo Feng was still someone we orcs looked up to. It was precisely because Huo Feng spent all day long riding on him. I rode a smelly monkey for fun and taught him a lot of skills. This guy slowly became the monkey king and had his own territory.” “Don’t look at the fact that

Huo Feng has been thrown into the secular world now, and his realm strength has been lost. He made a lot of noise, but that stinky monkey didn't dare to fight back, maybe this is the fear engraved in his bones!"

After hearing this, David suddenly felt dumbfounded. It turned out that Fire Phoenix followed this monkey king and had such a past!

It seems that he did the right thing by leaving the fire phoenix on the battlefield of gods and demons!

"Auntie, don't fight, don't fight, I was wrong, I was wrong, why not..."

The Monkey King covered his head and begged for mercy!

"When you meet my master in the future, please be honest. Do you think that you are great now that you have become the Monkey King?"

Huo Feng scolded the Monkey King!

"Be honest, you must be honest..." The Monkey King nodded repeatedly!

"Monkey, are you blind? Can't you see that this is the son of the dragon, the leader of the beast clan?" "You still dare to

attack him? I think you are tired of living..."

Bai Qianleng Said loudly!

The Monkey King then looked at David carefully and felt the dragon aura on David's body, as well as the fire phoenix following David calling his master one by one. The Monkey King knew that he had really offended the wrong person!

"I'm sorry, just pretend I haven't been here, I'll leave right away..."

The monkey king was so frightened that he quickly disappeared!

Chapter 3428

David, Bai Qian, and Huofeng also left quickly!

Then he found a secluded cave. There was no special atmosphere around here. David set up formations around it so that if someone came, he could still resist for a while!

After doing everything, David took out the fairy ore from the storage ring.

“I have a fairy mine here. You can use the fairy mine to restore your skills.”
Chen

Ping said to Bai Qian!

“Although the fairy mine recovers quickly, it doesn’t make me recover as quickly as being with you...”

Bai Qian looked at David and said!

David knew what was going on as soon as he heard it, so he said to Huofeng, “Huofeng, go and guard outside. If there is any movement, notify me immediately.” “

I understand, Master...”

Huofeng nodded, and then She looked at Bai Qian and said, “Daughter Fox Princess, please take it easy for a while. You are not the only woman who owns my house...”

Bai Qian was stunned, “Are you also being...”

“Of course, I have been the master’s for a long time! “

Huofeng said proudly!

“Okay, go and guard!” David asked Huofeng to go out quickly!

After Huofeng left, Bai Qian looked at David and said, “How many women do you have?”

“This doesn’t seem to have anything to do with you, right? The two of us are just trading.”

After David finished speaking, he actually stepped forward and helped Bai Qian. Take off your clothes!

David's movements were very gentle, which greatly benefited Bai Qian!

This is the first time that David has taken the initiative!

Soon, the two people became entangled in the fairy mine!

With the union of the two bloodlines and the absorption of the fairy ore, Bai Qian's skills are recovering rapidly!

David also took advantage of this opportunity to continuously absorb the energy in the fairy mine!

David and Bai Qian were both immersed in it and forgot about time!

The fire phoenix outside the cave was a little bored.

"Master, it's true. It seems that I have never been together for such a long time. I am partial..."

Huofeng looked a little unhappy.!

But at this moment, Huofeng suddenly frowned and looked into the distance.

"Someone is coming?"

Huo Feng noticed that someone was coming, and at this moment David and Bai Qian were in ecstasy!

The fire phoenix could only jump up and head towards the mountains on the other side!

She wants to attract people to other places and not find David and Bai Qian!

If the two of them are disturbed now, Bai Qian will not be able to recover, which will cause great physical trauma!

The fire phoenix was deliberately suspended in the air, and with a cry, fire feathers stretched out from both sides of the fire phoenix!

“It turns out to be a fire phoenix. I didn’t expect that there would be such a beast in this battlefield between gods and demons...”

A joking voice came from the void, and then the void twisted and a figure slowly appeared!

Huofeng glanced at the figure in front of him, frowned slightly, and said, “Who are you?”

“My name is Qi Peijia. I wonder if Miss has ever heard of my name?”

Qi Peijia said with a slight smile.

Huofeng shook her head. She didn’t know Qi Peijia, but she could feel the terrifying aura on Qi Peijia’s body!

With Huofeng’s current strength, it is impossible for him to be Qi Peijia’s opponent!

“Your name is so strange. I have never heard of it before...”

Huofeng said pretending to be very innocent!

“Hahaha, it doesn’t matter if you haven’t heard of it, haven’t you heard it now?”

Qi Peijia laughed, “Look at how you are so weak as a divine beast. Have you been trapped in the battlefield between gods and demons?” “No

, I have also entered this battlefield of gods and demons not long ago, and I see that you also have wild beasts embroidered on your black robe. Are you also an orc?”

Huo Feng asked curiously.

Qi Peijia shook his head, “I am not an orc, I am a demon, but I have no hostility towards you orcs.” “

You are only in the fusion realm now, so it will be very dangerous to enter the battlefield of gods and demons alone. If you are willing Accept me as your master and be my pet. I can keep you safe on this battlefield between gods and demons!”

Qi Peijia actually wanted to accept the fire phoenix as a pet!
