Chapter 3347

At the same time, not far away from David and the others, five demon cultivators also felt the presence of David and the others, and their expressions became nervous!

These five magicians are from the Blood Spirit Valley, and Jin Dong and Luo Xi are among them!

There is also a white-haired old man, who is the owner of the Blood Spirit Valley, Luo Xi's father, and Jin Dong's master Luo Shouhai.

“Master, what should we do? Should we hide?”

Jin Dong asked Luo Shouhai!

Along the way, in order not to cause disputes, they often avoided people. After all, they are all demon cultivators. If they meet human monks, they will inevitably have disputes!

However, there are many monks who will not do anything to the demon cultivators in this Demonic Mountain. After all, this is the territory of the demon cultivators. These monks are only here to hunt for treasures, not to destroy these demon cultivators. So as long as the demon cultivators do not cause trouble, They won't follow the demon cultivators!

“No need to hide, the other party has already discovered us. I hope these monks are not hostile to us!”

After Luo Shouhai finished speaking, he continued to lead people forward!

David frowned slightly, because he could feel that those demon cultivators were approaching them!

David didn't know if the other party was hostile, so he could only prepare everyone!

Miao Lao asked the weaker ones to stand in the middle of the crowd, while the others formed a circle and formed a fighting posture!

Soon, Luo Shouhai and others had revealed their figures, and everyone felt the devilish energy on Luo Shouhai and others!

In this Heavenly Demonic Mountain, these demonic cultivators don't have to hide their auras.

"The brave demon cultivator, knowing that we are here, dares to come to your door, does this mean you don't take us seriously?" "

Today I will eliminate harm for the people, and kill you demon cultivators first..."

Mr. Miao After saying that, he actually attacked Luo Shouhai and others with his sword!

Seeing this, other people also came forward one after another!

David wanted to stop him, but he didn't have time!

Luo Shouhai also didn't expect that the other party would be so hostile to their demon cultivators. Without saying a word, he drew his sword and struck. He immediately became angry and instantly had a ghost-headed sword in his hand., fight against Miao Lao!

The others also got into a melee in an instant. Mr. Miao had been injured by the demon cultivator, so he hated the demon cultivator very much, so when he saw the demon cultivator, he took action without hesitation!

Seeing this, David said helplessly to Ji Yun and Huo Feng, "You two, please be careful from behind to prevent other demon cultivators from sneaking up on you..."

After saying that, David jumped up with the dragon-slaying sword in his hand. Rushed forward!

But just when David was about to take action, he saw Jin Dong and Luo Xi!

And two people also saw David!

“Mr. Chen...” Both of them were startled at the same time and shouted happily!

“Why are you two?”

David was also surprised!

“Stop, stop it, father, stop it...”

Luo Xi quickly stopped his father!

David also shouted with all his strength, “Stop, everyone, stop...”

David’s roar was like a thunderbolt from the blue, causing everyone to stop attacking instantly!

“Xiao Xi, what’s going on?”

Luo Shouhai asked Luo Xi!

“Dad, this is Mr. Chen that my senior brother and I told you. He saved us and he cured me.”

Luo Xi pointed at David and said!

Luo Shouhai was stunned and looked at David in disbelief. He originally thought that David would be very old, but he didn’t expect that he was so young!

Mr. Miao looked at David and said, “Mr. Chen, do you know these demon cultivators?”

David nodded, “Yes, they are from Blood Spirit Valley, they are all my friends...”

“Mr. Chen, you actually still have demon friends?” Cai Hongwei asked in confusion!

“I not only have friends from the demon clan, I also have friends from the orc clan.”

“When I make friends, I never look at what race they are, as long as they don’t harm others!” “

There are good people among the demon clan, and among human monks
There are also scum that are worse than pigs and dogs, so we can't blindly
judge each other based on their ethnic group."

David said without any secret!

Chapter 3348

After listening to David's words, Mr. Miao and Cai Hongwei fell silent and
stopped talking!

And Luo Shouhai was slightly surprised and said, "Little brother, I didn't
expect that you would be so enlightened at such a young age. No wonder
Senior Feng Mo would teach you his secret skills..." Apparently Jin Dong and
the others also followed Luo Shouhai and told

David about the Holy Light Fist. Something happened!

"Not only Senior Feng Mo, Senior Blood Demon also saved my life..."

David smiled lightly!

"What? You...have you seen the Blood Demon Ancestor? Where is the Blood
Demon Ancestor?"

Luo Shouhai was stunned!

Jin Dong and Luo Xi were also surprised. They had never heard David talk
about the Blood Demon!

"Senior Blood Demon should be here in the heaven and human world, but I
don't know where he is hiding."

David shook his head!

He didn't know where the Blood Demon was. This guy was probably hiding in
the dark, investigating the battle between gods and demons!

Although thousands of years have passed, they have been suppressed for so
many years without any reason. Of course, they must be investigated clearly!

“Hey... after the glory of the Blood Demon Ancestors, the demon clan has become a street rat.”

Luo Shouhai sighed, then looked at Miao Lao, Cai Hongwei and others and said, “Fellow Taoists, although I, the Blood Spirit Valley, am a demon clan , but I, Luo Shouhai, have no conscience and have never done anything harmful to nature.” “

Miao Lao, Boss Cai, this Blood Spirit Valley is indeed different from other demons...”

David looked at Lao Miao and Boss Cai, and then Tell me about Luo Xi’s hemophilia!

When they heard that Luo Xi could drink his senior brother’s blood without harming innocent people, they instantly had a good impression of Blood Spirit Valley!

“Brother Jin, Miss Luo...”

At this time, Ji Yun and the others also came over!

“Master Ji...”

Jin Dong and Luo Xi shouted happily when they saw Ji Yun!

After all, when they were in Mo Hai, a few people had a profound understanding of each other.Friendship!

“Little brother, are you coming to this Demonic Mountain because of the battlefield of gods and demons?”

Luo Shouhai asked David!

David nodded without hesitation and said, “Yes, but we were delayed on the way. I don’t know if the treasures in the battlefield of gods and demons have been picked up long ago...” “Mr. Chen, there are still some treasures in the battlefield of gods and demons.

” It’s not opened, no one can go in and pick up the treasure, you’re not too late...”

Luo Xi hurriedly said to David!

“What? It hasn’t been turned on yet?” David was confused for a moment!

Even Mr. Miao, Cai Hongwei and others looked confused. Didn’t it mean that the battlefield between gods and demons had been discovered?

Why isn’t this turned on?

Seeing this, Luo Shouhai hurriedly explained, “This battlefield of gods and demons is indeed in this Heavenly Demon Mountain, but it is not in this space of Heavenly Demon Mountain. In those days, battles of this level were all opened up in foreign spaces. If people in this Heavenly Demon Mountain were If there is a war between the worlds, the entire world of heaven and humanity will collapse.” “

Although the battlefield is indeed in Tianmo Mountain, it is not a space. It needs the opening of the foreign space. Now at the center of Tianmo Mountain, the void cracks in the foreign space have been formed. , but it has not been completely opened, it is all turbulence of time and space, and no one can pass through it.” As soon as

Luo Shouhai explained, David understood instantly, thinking of the small island in the ink sea, and those dead dragons, those They are all within a space that has been opened up!

“So, it’s not too late for us to come...”

David secretly breathed a sigh of relief. In this case, the treasures in the battlefield of gods and demons depend on everyone’s luck!

“Of course it’s not too late, and not only is it not too late, but I can also guarantee that my little brother can enter the battlefield of gods and demons first.”

Luo Shouhai said with a faint smile!

“Enter first?” David was stunned!

When the battlefield of gods and demons opens, everyone will definitely rush in. There will definitely be chaos. No matter how powerful David is, he will not be able to go in first!

Chapter 3349

After all, there are people outside the world, and there is a sky outside the world. David has just broken through the Tribulation Realm, but he dare not say that he is invincible in the world of heaven and humans!

“Mr. Chen, this time the battlefield of gods and demons is opened in Tianmo Mountain, it will not be like the battlefields of gods and demons in other places. There is no order at all.” “The six major demon sects in the entire Tianmo Mountain area

have followed the numerous demon sects in the Tianmo Mountain area. The monks of the sect have reached an agreement. This time, people will not be allowed to enter the battlefield of gods and demons casually. They need to have tokens. This can eliminate some loose cultivators and also prevent some monks from other areas from being blocked in the battlefield of gods and demons. Unless you can come up with some resources, you won't be able to get in.” “In

this case, the many sect monks in the Southern Territory will have a natural advantage, and they can also take advantage of the opportunity to make a fortune...” “

We Blood Spirits As a major force in Tianmo Mountain, Gu, we also have our own token quota, so I can guarantee that my little brother can enter the battlefield of gods and demons before others.” Luo Shouhai's words directly stunned David and

Cai Hongwei. On the spot!

“Will these monks in the southern region agree to cooperate with you demon cultivators?”

Mr. Miao asked with a puzzled face!

“Why don't you cooperate? If you cooperate, everything will be profitable. If you don't cooperate, both sides will lose. Of course they choose to cooperate.” “

No one will struggle with resources. Don't forget that many people put interests first. ”

“If this battlefield between gods and demons is in your area, and someone asks you to cooperate, even if it is a demon cultivator, will you agree?”

Luo Shouhai said with a cold smile!

Mr. Miao was silent. Luo Shouhai was right. Mr. Miao had seen this time. The Demon Sealing Alliance, an organization that exterminates demons and defends the Way, finally cooperated with demon cultivators. What else is impossible!

“That’s fine. With order, greater massacres can be avoided. If there is chaos and no order, then the entire Tianmo Mountain will be a purgatory, and killing each other will definitely be inevitable.” David said slowly

!

What is lacking in the entire Celestial Realm now is order. Although there are Masters in the five major regions of the Celestial Realm, even the Masters themselves only care about cultivation and do not care about the affairs on their own territory, and others will not care about them. !

“Let’s go. You follow me. When the time comes to enter the battlefield of gods and demons, no one will stop you.”

Luo Shouhai said!

Everyone looked at each other, and finally their eyes fell on Mr. Miao and Cai Hongwei!

After all, they are all human cultivators, but now they have to follow the demon cultivators. It doesn’t feel like that is the case!

But if they don’t follow, people like them from the outside world may not even be able to enter the battlefield of gods and demons. Wouldn’t it be in vain!

Mr. Miao and Cai Hongwei also looked at each other, neither of them dared to speak!

When David saw this, he knew that these people also wanted to enter the battlefield of gods and demons, but he didn’t want to be the first to speak and bear this responsibility!

After all, the current demon cultivators are still separated from the human cultivators!

“I will follow Valley Master Luo. If someone uses this as an excuse to criticize me after I return, let him come to me.”

David took the initiative to take the responsibility!

When everyone saw this, they all agreed and were willing to follow!

“Okay, since everyone is willing to follow me, let’s set off now. We will gather at Xuanyin Sect, where we will wait for the opening of the battlefield between gods and demons.” “Once there, there will be no distinction between humans and demons, and no one is allowed

. If there is a private fight, people from several major sects and aristocratic families in the Tianmo Mountain area are also there, and the human monks will also restrain themselves.” “

No matter whether you meet enemies or not, don’t do anything there. Remember, if you are still in your heart, If you have prejudices against demonic cultivators, you must endure it and don’t do anything. Don’t forget that you are here to hunt for treasures, not to fight privately. Remember...”

Luo Shouhai reminded everyone!

Everyone nodded. Since they chose to follow Luo Shouhai, they must listen to others!

Soon, everyone, led by Luo Shouhai, headed towards Xuanyin Sect!
