Chapter 3351

When David saw this, he couldn't help but look at Luo Shouhai. If this was the news that Xuanyin Sect deliberately released, then there might be some fraud in it!

Luo Shouhai knew that many people still had a grudge against their demon cultivators, so he explained, "The battlefield of gods and demons is also full of dangers, but you can't just go in and pick up treasures. Moreover, these things are all based on luck and opportunity, and they may not necessarily enter the gods." Anyone who is in the Demonic Battlefield can get opportunities and treasures."

"Everything is uncertain and depends on luck. The Xuanyin Sect has now revealed the news and is uniting with other demonic cultivators and human sects to control the battlefield of gods and demons. entrance, and then collect the resources of many monks, is this not better than Xuanyin Sect entering the battlefield of gods and demons on its own?" "Xuanyin Sect

does this, it is a business that is sure to make money, why should they take risks? Why do you secretly enter the battlefield of gods and demons for the sake of gambling?"

"Now even if the news is revealed and everyone comes here, people from the Xuanyin Sect can still enter the gods. In the Demonic Battlefield, whether you can get treasures and opportunities depends on your luck."

Luo Shouhai's explanation made everyone understand!

It's like a gold mine. People who discover a gold mine can secretly mine it themselves, but they may not be able to mine gold, and there is even a risk of landslides!

Now the people who discovered it can unite with others and spread the news about the gold mine. As long as someone comes to mine, they can charge a fee, and they can continue mining themselves!

In this case, even if the gold is not mined in the end, the person who finds it will still make a sure profit!

"I didn't expect that the leader of Xuanyin Sect is also a good businessman..."

David couldn't help but smile!

“I heard that the leader of the Xuanyin Sect used to be a businessman who resold various resources. It is precisely because of this that his Xuanyin Sect is best preserved,”

Luo Shouhai said!

Although monks are biased against demon cultivators, they will be more tolerant towards demon cultivators who do business and do not cause much harm. After all, human monks also have needs for many things from the demon clan!

David and the others walked towards the Xuanyin Sect. The Xuanyin Sect was built with various types of wood and stone. Although it was built in the depths of the Demonic Mountain, it was very impressive!

The entire Xuanyin Sect is very big, like a small town. There are formations around the Xuanyin Sect to protect the Xuanyin Sect from the intrusion of monsters!

After walking into Xuanyin Sect, David saw many human monks walking through the streets, including many demonic cultivators!

There are even many beast tribes. In this place, the three tribes are mixed together, but they are happy and there is no fighting. This is simply impossible to exist in other places!

The demon cultivators here don't have to hide their auras and can live openly and openly. There are even many demon cultivators setting up stalls, following the coming human monks and orcs to exchange needed items!

However, in the Xuanyin Sect, the status of demon cultivators is obviously higher. After all, this is the territory of demon cultivators!

Many demon cultivators walk with their heads raised and look arrogant!

“You guys should find a place to rest first. It is estimated that there will be a few days before the battlefield of gods and demons opens. I will take my little brother to see the master of Xuanyin Sect.” After entering

Xuanyin Sect, Luo Shouhai faced Mr. Miao, Cai Hongwei and others. Said!

When Mr. Miao, Cai Hongwei and others heard this, their faces were a little reluctant, and then they looked at David!

They were afraid that Luo Shouhai would abandon them in the end and only take David into the battlefield of gods and demons!

“Miao Miao, Boss Cai, don't worry. You need to find a place to settle down first. When this place is ready, I will contact you. Since we are a team, I will definitely not leave you alone.” David looked sincere

. Said!

[Chapter 3352](#)

“Mr. Chen, we believe you...”

Cai Hongwei said quickly!

Cai Hongwei, Miao Lao and others left with a dozen monks to find a place to rest!

Luo Shouhai and the others took David, Ji Yun and Huo Feng and walked towards the three highest floors in the middle of Xuanyin Sect!

When Luo Shouhai walked in, David and the three of them were stopped!

Luo Shouhai hurriedly said, “We are together, here to find Master Kong.” “

Master Luo Valley, I’m really sorry. These people are human monks. They must have tokens from several major sects in the Tianmo Mountain area to enter.”

“They are not demon cultivators. You said they were together. It is against the rules to bring them in.”

The guard said very politely!

“There are still such rules?” Luo Shouhai was stunned!

“Yes, this is a new decree issued by our palace master. If you all bring people in casually, there will be chaos.”

The guard said!

When Luo Shouhai heard this, he immediately understood that the leader of Xuanyin Sect was afraid that those outside monks would give all the benefits to other demon sects and let them bring them into the battlefield of gods and demons, which would cause chaos!

At that time, everyone will secretly reap the benefits, and there will be nothing to do with the Xuanyin Sect, so the leader of the Xuanyin Sect issued such a rule!

It is impossible for the demon cultivator and the human cultivator to have any intersection, but now they insist that they are together, which is obviously a benefit!

David also saw what Xuanyin Sect meant, so he said, “Lord Luo Valley, we won’t go in. As for entering the battlefield of gods and demons, you don’t have to be too demanding. You need to pay the resources, and we will give them.”

David now has a lot of resources in the storage ring. When he was in Huanglan City, he got a lot of fairy grass and the like from Yaozun’s mansion!

As for the spirit coins, David also has a lot of them, and Ji Yun, the rich second generation, has even more spirit coins!

“Okay then, I’ll let Xiaoxi and Xiaodong stay with you to go around, and I’ll go and figure things out first.”

Luo Shouhai asked Luo Xi and Jin Dong to stay with David and the others!

After all, this is the territory of demonic cultivators, and their status as demonic cultivators can be higher!

“Mr. Chen, let me take you around. There are many good things in Xuanyin Sect. Many demon cultivators from Tianmo Mountain come to Xuanyin Sect to purchase and sell items.” Jin Dong said to David

!

The Xuanyin Sect has become a marketplace for several major demon sects in the Tianmo Mountain area. After all, demon cultivators have special status and cannot just go to towns where human monks are. If they are discovered to be demon cultivators, it will be a disaster, so these demon cultivators sell to each other!

And this Xuanyin Sect has become a market, allowing the demon cultivators from Tianmo Mountain to come here to trade, and Xuanyin Sect receives some benefits from it!

David nodded and followed Jin Dong and Luo Xi to prepare to go around!

But when they just left the three-story building, they saw an old man walking towards them, covered in black robes!

David knew who it was without looking at the other person’s face!

“Old Ghost...”

Seeing the person coming, Jin Dong and Luo Xi also hurriedly said hello!

The person who came was none other than Devil Mountain Ghost Elder. Although Devil Mountain Ghost Elder was only one person, he was famous in Tianmo Mountain and even other areas!

The aura of the Demonic Mountain Ghost Elder is ever-changing, so he often walks among human monks and his identity has never been discovered!

This also makes Demon Mountain Ghost Elder much more knowledgeable about news in various domains than other demon cultivators!

“Mr. Chen...”

Demon Mountain Ghost Lao saw David, his face was full of excitement!

He hoped that when David came to Tianmo Mountain, he could lure the wind demon out, so that he could see his ancestor!

David looked at the old Demon Mountain Ghost in front of him, with deep surprise in his eyes!

He found that the aura of Demon Mountain Ghost Elder was much stronger. At this time, Demon Mountain Ghost Elder’s strength was probably no worse than that of Miao Elder!

You must know that back in Mohai, Demon Mountain Ghost Elder only showed the strength of the third level of Tribulation Realm!
