Chapter 3399

When dealing with him, David didn't need to use the Nine Shadows Sword Technique at all!

Not far away, everyone from the Ning family also arrived. Looking at the six identical Chen Pings, Ning Caichen was also confused!

Ning Zhi's eyes narrowed slightly, and his face became extremely solemn!

He saw that after David stepped into the world of heaven and earth from the secular world, his strength became so strong!

is simply abnormal growth!

In the eyes of everyone, the thousands of sword lights pierced Qi Peijia directly, but Qi Peijia did not dodge, and even the expression on his face did not change!

When those ten thousand sword lights pierced Qi Peijia's body, Qi Peijia stood motionless and was completely fine!

Those ten thousand sword lights seemed to have been swallowed by the black magic armor, and fell directly into the bottomless abyss!

There was no reaction at all, and there was no harm to Qi Peijia at all!

"Holy shit, this Qi Peijia is so awesome..."

"What's going on? How long has it been before this Qi Peijia has become so powerful?"

"What kind of armor is he wearing? I've never heard of it. "

Many demon cultivators were shocked!

After all, Qi Peijia used to be a casual cultivator with low strength and no one looked down upon him. But Qi Peijia, who had disappeared for a while, reappeared and actually had such abnormal strength!

How could the many demon cultivators not be shocked, and Liu Xueyi was even more shocked that he couldn't shut his mouth!

When David saw this, he also frowned, his eyes full of surprise!

"It's broken, Mr. Chen is going to be in danger..."

Ning Caichen couldn't help clenching his hands when he saw this, and he became worried for David!

"Boy, your clone technique is pretty good. At first, I thought it was an illusion, but I didn't expect that I underestimated you." "

A young monk of the first level of the Tribulation Realm. He has clone techniques and space techniques. It seems that you have a lot of other skills. Missing good stuff."

"If you obediently hand over all your stuff and pass on the technique to me, I can consider making your death more comfortable!"

Qi Peijia said with disdain!

"I'll leave it to your mother..."

David cursed, turned around, and ran away!

Six identical Chen Pings ran away from different directions. David wanted to abandon several clones at the scene to buy himself time to escape!

Seeing six identical Chen Pings running away in different directions, Qi Peijia was not in a hurry to chase after him, with a bit of disdain on his face!

I saw Qi Peijia's palm gently brushing his forehead, and an eye slowly appeared on his forehead, and the eyes on his forehead opened along with it!

The whole world turned gray and colorless in these eyes!

David, who was escaping, suddenly felt that the color between heaven and earth had changed, and then he felt like he was being targeted!

"Tian Ming Eye, Mr. Chen, once the Tian Ming Eye is activated, your clone will be useless!"

Seeing this, Zhe Yan hurriedly reminded him!

David looked back and found that Qi Peijia was heading towards him. Those clones disappeared directly under Tian Ming's eyes. Only David's body was still there!

When David saw this, he simply stopped running. He knew he couldn't escape even if he ran!

Qi Peijia walked over slowly, the eyes on his forehead had disappeared!

"Why don't you run away?"

Qi Peijia said with a cold smile.

"I don't want to run anymore. I can't outrun you even if I run. Your Tian Ming Eye is too powerful..."

David sighed!

"I didn't expect you to know Tianming Eye. It seems you still have some eyesight." "

Since you won't run away, just do as I say. I guarantee that you will die comfortably without any pain."

"Otherwise, I will pull out your soul and torture you..."

Qi Peijia threatened David!

Many magic cultivators also ran over. When Liu Xueyi saw David give up on escaping, he said happily, "Boy, aren't you awesome? Why are you so honest now? You should do as Mr. Qi said, otherwise, there will be You feel better."

Chapter 3400

David glanced at Liu Xueyi with disdain and said, "Let's talk, why are you such a barking dog? I really can't beat him, but if I want to kill you, believe it or not, it's just a matter of raising my hand?" "You

... ..”

Liu Xueyi looked at David’s eyes and was frightened for a moment, and slowly retreated behind Qi Peijia!

Liu Xueyi knew that what David said was true. If David desperately killed him now, Qi Peijia might not be able to stop him!

So Liu Xueyi was afraid and stopped provoking David!

Ning Caichen, who was not far away, saw this scene and said anxiously, “Ancestor, should we help Mr. Chen?”

“No need...” Ning Zhi shook his head!

“Ancestor, when we were in the far north, Mr. Chen also helped our Ning family. We can’t just ignore him, right?”

Ning Caichen said!

If Ning Caichen had not been cooperating with David at that time, Ning Caichen would have been killed by the Five Elements Demonic Demon Alliance!

“Don’t worry, this David won’t die that easily...”

Ning Zhi stared at David tightly and said calmly!

Ning Caichen was stunned and looked at Ning Zhi with some doubts. He didn’t understand how his ancestor knew that David would not die.

And it looks like he is very familiar with David!

“Boy, do you want to understand? Do you want to be obedient, or do you want me to take action?”

Qi Peijia said to David!

“I have never compromised with anyone. Don’t talk about you, a little eighth-level Tribulation Realm. Even if you are an immortal in front of me, what will happen.” “I can’t beat you, and I will definitely rub you with snot all over your nose. It’s disgusting

. You...”

David said with fierce eyes.

“Boy, you have talent, I want to see what else you can do.”

Qi Peijia said with a cold smile.

“Tell you, uncle, I have a lot of abilities. I will use them all to scare you to death...”

After David finished speaking, a long whip suddenly appeared in his hand!r> Just when Qi Peijia didn't know what kind of weapon David was holding a whip in his hand!

David whipped towards Qi Peijia!

Qi Peijia did not dodge, with disdain in his eyes, because he knew that with David's strength, he could not be hurt at all!

Now that he is wearing black magic armor again, David's weapons are useless!

But when the magic whip came in front of him, Qi Peijia was stunned, with a bit of panic in his eyes!

Because the aura emanating from the magic whip could not penetrate the black magic armor and reach directly into his sea of consciousness!

Bang...

As the magic whip hit Qi Peijia's body hard, Qi Peijia groaned and took three steps back!

Qi Peijia felt as if his soul had been hit hard!

The feeling was so painful that he could hardly breathe!

As for the other demon cultivators, even if they were not hit by the magic whip, the breath of the magic whip alone made their hearts tighten, as if they had been punched by someone!

“What kind of weapon is this?”

Qi Peijia asked with a slight frown.

“This is a magic whip, specially designed to beat you, demon cultivators...”

David said with a cold smile.

“Crack the magic whip?”

Qi Peijia’s eyes narrowed slightly. “No wonder my black magic armor can’t stop it. It turns out it’s specifically designed to attack our demonic cultivators.”
“Since you know how

powerful it is, why don’t you get out of here quickly, or I’ll be whipped to death.” You.”

David raised his magic whip and said!

“Hahaha, you are so naive. Even if you have a magic whip, do you think you can defeat me?”

Qi Peijia burst into laughter.

“If you can, just give it a try and

you’ll find out...” After saying that, David whipped Qi Peijia again!

Upon seeing this, the other demonic cultivators turned around and ran away, hiding far away, for fear of being made uncomfortable by the breath of the demonic whip.
