An Understated Dominance by Marina Chapter 1976

Chapter 1977

Although several Golden Blade Sect disciples were dissatisfied with what Lily Zhang did, they finally endured it because of Kevin Snow's face.

Therefore, under Kevin Snow's protection, Lily Zhang safely integrated into the team.

"Lily, let me introduce to you. This is Miss Margaret. She is a kind-hearted person. It was precisely because Miss Margaret came to the rescue and drove away the people from the Illusion Sea Alliance that we were safe and sound." Kevin Snow led Lily Zhang stepped forward and made a brief introduction.

"Thank you, Miss Margaret."

Lily Zhang bowed slightly to Margaret and said gratefully: "I can't repay the kindness of saving my life. When I return to the sect, I will definitely report it to the elders of the sect and reward me heavily!" "Lily Zhang, you're welcome."

Margaret smiled faintly: "You are Kevin's fiancée, so you are also our friend. It is natural for you to draw your sword to help."

"Miss Margaret, no matter what, we Golden Sect and Yuanyang Sect owe you a favor." Kevin Snow crossed his fists.

The Huanhai League is not a good enemy. The two sides met by chance, and Margaret was able to take the risk of offending the Huanhai League and come to the rescue.

She will remember this kindness in her heart.

"Lily, the person next to Miss Margaret is brother Dustin. He is young and promising, with strong martial arts. Even under the strict prohibition of Youlongzong, he is defeated by him." Kevin Snow guided his hand to Dustin again and made an introduction.

“Oh? It is strictly forbidden to defeat the second disciple of Youlong Sect. Senior Brother Dustin is really powerful!” Lily Zhang clasped his fists and said with shining eyes: “Seeing that Senior Brother Dustin is so young, where does he come from?” The man in front of him is handsome and handsome, what a rare handsome man.

“Without any sect, I’m first-order Sanren” Dustin said calmly.

“That’s just right. Our Yuanyang Sect needs young talents like Senior Brother Dustin. I wonder if Senior Brother Dustin is interested in joining us?” Lily Zhang showed a sincere expression.

If he can defeat Hulk, his strength should be no worse than Kevin Snow.

At such a young age, with such a level of cultivation, if he can be recruited into the sect, it will be a great achievement.

Of course, the main reason is that the other person is too handsome and it is the one she likes.

“I’m used to being idle and have no interest in joining any sect.”Dustin shook his head and refused.

“Senior Brother Dustin, when you are walking in the world, you are weak and can easily be bullied. If you have the protection of our Yuanyang Sect, it will be different. With your talents and talents, Senior Brother Dustin, as long as you enter the Yuanyang Sect, you will definitely be highly regarded!” Lily Zhang followed the inducements.

“Hmph! Even I can’t deal with this kid, so what do you think of Yuanyangmen?” Billy Ruso, who was standing next to him, said suddenly.

He has always been unwilling to accept Dustin’s refusal to be an apprentice.

“This is...” Lily Zhang glanced away and frowned slightly, but did not have an attack.

“Oh, I forgot to introduce you. This is senior Desert Dragon, nicknamed Billy Ruso.” Kevin Snow quickly reminded him.

“What? Desert Dragon? One of the five powerful men in the southwest?” Lily Zhang’s pupils shrank, with a look of surprise on his face.

Desert Dragon Billy Ruso is a powerful martial arts master.

His strength is much higher than that of his own leader. It’s rumored that Billy Ruso’s dragon has never seen its end, so how could it appear here? And still hanging out with these people?

“What? Is there a problem?” Billy Ruso glanced sideways, with a cold expression.

“Junior Lily Zhang, I have met Senior Billy!”

Lily Zhang immediately raised her hands and saluted: “Junior heard Master say that Senior Billy’s magical skills are unparalleled and unrivaled. I am really lucky to be able to witness Senior Billy’s style today!”

... ..You little girl is quite good at talking.” Billy Ruso’s expression softened.

Wear it a thousand times, but flattery never wears it.

Even though I knew that what the other person said were compliments, it was still very comfortable to hear them.

“Everything I say, junior, is true. My master also highly praises Senior Billy. If Senior Billy has time, you might as well come to our Yuanyang Sect as a guest.” Lily Zhang extended the invitation.

“Let’s talk about it then.” Billy Ruso said calmly.

“Sister Lily, just now the Fantasy Sea Alliance besieged your Yuanyang Sect, seemingly to seize the treasure. I wonder what kind of treasure you found here? Why don’t you show it to us?” At this time, Leo Alexander said coldly.

In the past, members of the Fantasy Sea Alliance worked desperately for the treasure in Yuanyangmen’s hands.

He was very curious, what on earth could make Yuanyangmen disciples risk their lives and refuse to give in?

“Baby? What baby?” Lily Zhang pretended not to know.

“Sister Lily, it’s pointless to say this. We all saw clearly what happened just now. If it wasn’t for the treasure, why would the Fantasy Sea Alliance surround you and kill you?” Leo Alexander said meaningfully.

“Yes, sister Lily, we just want to broaden our horizons, and we won’t steal your treasure. You’re not so stingy, are you?” the short-haired woman from the Black Scorpion team said in a sulky voice.

“A few of you were joking. It’s not that I don’t want to show it to you. It’s just that I don’t have this treasure right now, so I can’t take it out for a while.” Lily Zhang shook her head.

She naturally understands the principle of keeping wealth secret. If the treasure is made public, it may be coveted by some people with evil intentions.

“Sister Lily, you don’t have this treasure with you that you can protect with all your strength? What if it’s lost?” Leo Alexander said meaningfully.

“I have hidden the treasure so no one can find it. I will not make it public until reinforcements from Yuanyangmen arrive. If you want to see it, you might as well wait a few days.” Lily Zhang said with a smile.

“Sister Lily said so, it doesn’t matter if we wait.” Leo Alexander didn’t bother too much.

It can be seen that the person in front of you is very cautious and will never reveal the baby’s information easily. If you continue to ask questions, it will arouse suspicion.

“Lily, this place is very dangerous, how about I send you back first?” Kevin Snow suddenly said.

All the disciples of the Yuanyang Sect were killed, and now Lily Zhang was also injured. He was alone and weak, and it was undoubtedly dangerous to stay here.

“Senior Brother Kevin, I appreciate your kindness, but I can’t leave just yet.” Lily Zhang shook her head.

“Why?” Kevin Snow was a little strange.

“Because I discovered a treasure land!” Lily Zhang said in surprise.
