The Day I Kissed An Older Man By Cher the Cherished Chapter 923

Chapter 923

“Let’s go, Josephine! Don’t worry, I’ll make them pay for ruining your future!”

After that, all that could hear was Josephine’s crying and her mother’s string of curses.

With the duo kicked out, only the Carews were left sitting dazedly in the living room.

With her hands on her hips, Francine walked up to them and sharply asked, “What are you three still doing here? Go now before we ask the bodyguards to drag you out, too!”

That snapped the Carews out of their shock. They immediately got up and left.

However, before he left, Marvin said worriedly,

“Ma’am, Mister Jeremy, I want you to know I had no choice but to bring Josephine and her mother here since they wouldn’t leave my house unless I promised them I’d do so. Please bear in mind we have nothing to do with them should they do something in the future to cross you.”

Pamela looked at the cowardly Marvin in disgust. She could not believe he was

Corinne’s adoptive father. ‘She’s so different from

her family! I’m so glad she turned out better than them. If not, there’ll be one more unruly child in the world.’

Even Francine thought badly about Marvin. She walked up to him and waved him away in annoyance. “Shoo! Go now. We don’t want to see the three of you anymore.”

Jeremy ignored Marvin. Instead, he looked down at Corinne and whispered softly,

“Annie called me, looking for you. She said she couldn’t get you on the phone.”

Corinne checked her pocket, and it was then she realized her phone was not on her. “I must’ve left my phone in the bedroom.

Did she tell you why she was looking for me?”

Jeremy shook his head. "Nope. I did ask her, but she won't tell me. She said she'll only tell you."

"Okay, I'll go up and give her a call now. Can you please let me go?"

"We'll go up together."

Jeremy then stood up with her still in his arms.

Corinne's face reddened. "Mister, what are you doing?! Grandma is looking at us! Put me down this instant!"

Jeremy ignores Corinne's protests. He looked at Pamela and asked, "Grandma, do you mind if I carry Corinne upstairs?"

Pamela was more than happy to see Jeremy and Corinne being romantic since this just increased her chance of getting a greatgrandchild.

"Of course I won't mind! This is how you newlyweds should behave.

Corinne, you don't have to be embarrassed since it's so rare to see Jeremy being so loving to another person," she said with a smile.

Corinne smiled awkwardly. "Grandma..."

She was so embarrassed that she wished for nothing more than the ground to swallow her!
