The Day I Kissed An Older Man By Cher the Cherished Chapter 925

Chapter 925

Corinne knew not to fight her way out of this; not when she was trapped under Jeremy. Thus, she simply said, "Cut it out, Mister!

Annie is still waiting for me to call her. It might be something urgent. Why don't you get up first, and well talk about this later?"

'Does that mean I can do whatever I want to her later?' thought Jeremy. He did not want Corinne to be thinking about other stuff while they were doing it, so he got up from her.

Corinne immediately got off the bed to look for her phone. After that, she ran into the bathroom and locked the door before

calling Annie. 'He might come barging in if I don't lock the door...'

The call quickly went through.

"Corinne!" chirped Annie happily. It sounded like she had been waiting for her to call back for a long time. "What were you doing?

Why didn't you pick up any of my calls?"

"I left my phone in the bedroom while I was having dinner downstairs. What's up? Did something urgent happen?"

"Umm... Frankly, I called because of... Aaron..." answered Annie awkwardly.

"Aaron?!" Corinne's eyes turned sharp. "Did he do something to you?"

"No!" Annie said quickly. "No, he didn't. It's just that..."

'Well, get on to the point!' said Corinne impatiently. 'What could've happened between then? Did that punk ignore my warning to leave Annie alone?'

Enter title...

Aaron was known as a player, while Annie was the type of girl who would fall madly in love with a guy if he so much as smiled at

her. The two of them were the perfect recipe for disaster.

After humming and muttering for half a day, Annie finally gave up. It was just too hard to

say what she wanted to say over the phone. Thus, she decided to change the topic.

“Ugh, forget it! Well talk about this another time. Let’s talk about you and Uncle Jeremy instead!”

“Talk about me and your Uncle Jeremy? What’s there to talk about?”

“We can talk about your wedding photos! The photo studio was waiting for you two to choose the photo, but they couldn’t seem to reach either of you, so they called me instead. I thought you two would find it troublesome to go there, so I chose the photos for you.

“It just so happens I got the photos back to them, and oh my god-they look amazing! If you’re free now, you can come over with Jeremy to pick up the photos. Maybe I can talk to you about Aaron, too?”

Corinne frowned. She was not that interested in her wedding photos. What she wanted to find out was what Aaron did to Annie.

‘Whatever it is, it sounds like it’s not something to talk about over the phone...’ she thought.

“Okay. Well go there right away.”

After hanging up, Corinne rushed out of the bathroom to tell Jeremy to get ready.

However, before she could even do that, she

found herself pressed against the wall as soon as she stepped out.

She started to blush when Jeremy nuzzled her neck. “Stop it, Mister! Annie asked US to pick up our wedding photos at her house!”

“That can wait until tomorrow,” drawled Jeremy.

“No! I want to go now,” said Corinne with a frown.

Jeremy chuckled lightly and blew heatedly into her ear. “Roger that. I’ll make you come now.”
