

Chapter 854 A Terrible Experience

Reynolds believed that the victory was in his hands.

He no longer saved his strength. Besides, he was in high spirits.

His performance was truly impressive.

Reynolds' effort was not in vain. He and Tatiana won the second round, tying the score.

The next round was a crucial tiebreaker.

Reynolds wiped the sweat off his forehead and sneered inwardly.

According to the instructions, the drug would soon take effect at this moment.

He was confident that Trevor wouldn't get the chance to win in the final round.

Perhaps Trevor would only tremble in his place, unable to fight back.

Reynolds imagined Trevor suffering the effect of the purgatives, and he couldn't help

smiling secretly. He was excited and pleased with the brilliant idea he had come up with.

However, his abdomen suddenly felt a little uncomfortable.

"Damn! I'm so engrossed in the thought that I even feel the psychological effect on me," Reynolds murmured, touching his belly. But he didn't worry that much about it.

He thought he was just so excited that he even immersed himself in the imaginary scene, causing a psychological effect on him.

Trevor noticed that Reynolds inadvertently covered his stomach. And this scene made him smile knowingly.

Based on Reynolds' reaction, he could guess that Reynolds drank the water with purgatives.

Sure enough, Reynolds clutched his belly more and more frequently as the game went on.

Trevor murmured, "I guess Reynolds wanted to add purgatives to my and Cecelia's drinking water. However, Harmoni discovered his plot and exchanged our water

with his."

Trevor couldn't help smiling and fiddling with the tennis racket provocatively. It was as if he didn't take Reynolds' serve seriously.

Reynolds did not realize that things were going wrong. And he mistook the occasional stomachache as an illusion. Perhaps it was because he drank too much cold water just now.

He was immediately provoked when he saw Trevor's leisurely attitude.

"Humph! Let's see."

Reynolds was furious and decided to teach Trevor a lesson. He threw the ball high and swung his tennis racket with all his strength.

However, it was this angry serve that signaled the beginning of the tragedy.

He farted. But an unusual stream of heat gushed out.

Then his sports pants became heavy and sticky.

The audience saw that Reynolds' light gray sports pants suddenly changed color, and that dirty thing trickled down his legs.

"Woo-hoo!"

Everyone was in an uproar. Many people stood up with their eyes widened.

There was a burst of laughter. Some of them were so amused that they even clapped their hands.

Reynolds's face turned white as a sheet. What happened?

Why were the people laughing at him?

When he looked down and saw the dirty shit under his feet, his mind went blank.

He trembled all over.

Shame, anger, restlessness, and panic overwhelmed him. Complicated and strong emotions surged up in his mind.

"Damn!" Reynolds cursed in tears.

He couldn't believe that he was incontinent in front of many people.

In his fantasy, Trevor came to such a disgraceful end. He never thought he would be the one to suffer humiliation.

He didn't even have time to apply for a timeout or care about Trevor's counterattack.

He dropped his tennis racket, clamped his legs, and ran towards the toilet in a twisted and weird posture.

The audience's laughter intensified.

Tatiana's face turned red and then pale. She stood still, feeling extremely ashamed.

Her stomach suddenly felt uncomfortable too. She dropped her tennis racket and ran to the toilet anxiously.

Everyone enjoyed the scene, laughing happily, except for Reynolds' friends.

They didn't understand what was going on. The ones in such an embarrassing situation should be Trevor and Cecelia, right?

They looked at each other, completely confused and dumbfounded.

In the end, Reynolds and Tatiana did not return to the court on time, so they were declared disqualified by the umpire.

Trevor and Cecelia successfully won the championship.

Reynolds and Tatiana won second place, but they didn't even show up at the awarding ceremony.

Perhaps they were too embarrassed to attend, or they had drunk so much water with purgatives that they still stayed in the bathroom until now. Who knew?
