

Chapter 900 Defeated By Trevor

Adkins looked at Trevor complacently. Her eyes were full of contempt.

He got to know Karan because he was about to become the new owner of the house.

Karan took the initiative to seduce him. And in just two days, he was totally fascinated by her.

For Adkins, Trevor's villa was not too big. He never knew that the interiors of the villa were so beautiful and luxurious.

Besides, Trevor had just moved into the villa and hadn't hired anyone to take care of the garden yet. So it looked a little messy from the outside.

Therefore, Adkins mistakenly thought Trevor rented a small villa and pretended to be rich.

He said smugly, "It's just a small villa. If I want to buy it, it's so easy to do with my wealth."

Karan was also excited. She kissed Adkins on the cheek and praised, "Adkins, you are awesome!"

Trevor glanced at the two people openly flirting with each other and said coldly, "I have no objection to you holding a party. Just don't aim the speakers at my house."

However, Adkins didn't take Trevor seriously. He deliberately put on an exaggerated smile and said, "Ha-ha! Who do you think you are? I will do whatever I want. It's none of your business! You can beg me not to let the speakers face your house. Then I may be merciful. Get out of here now! Don't get in my way. Otherwise, I'll break your leg."

Trevor's face darkened, and he clenched his fists.

He quickly climbed over the fence and entered the backyard. He casually pulled out a shovel beside the flowerbed.

There was a loud bang. Then a wisp of black smoke rose from the black stereo, and the music finally stopped.

There was dead silence in the entire villa.

The men and women stopped dancing and looked at Trevor in astonishment.

Adkins was so shocked that his eyes opened wide.

When he came back to his senses and realized

what had happened, he got furious at once.

"Damn it! You must really be courting death! You dare to be arrogant in front of me? I'll beat you up to death. You will pay for what you have done!"

Then, Adkins asked several of his friends to besiege Trevor.

However, they underestimated Trevor.

These young men, who lived decadent lives, were no match for Trevor.

After a few kicks and punches, Trevor pressed them all against the lawn, rubbing their faces against the grass. It was as if their faces were used as grass cutters.

For a moment, the sound of crying and screaming filled the backyard.

Karan was so scared. She didn't expect that Trevor was so powerful.

He was besieged by a group of people. But instead of getting injured, he easily defeated all of them.

"Adkins, what are we going to do?" Karan screamed in horror.

Adkins didn't reply, and his face darkened.

He was nervous. But he had to show his

masculinity in front of his new girlfriend. He had no choice but to bite the bullet. He grabbed a bottle of beer and rushed towards Trevor while roaring, trying to smash the bottle at Trevor's head.

"Humph! Such an idiot!" Trevor sneered and raised his hand to block Adkins.

Then he grabbed the bottle of beer with the other hand and smashed it on Adkins' head.

"Ahh!" Adkins let out a scream. The bottle of beer shattered on his head, and the cold beer flowed down his face.

He felt so dizzy that he took two steps back. He lost his balance and sat on the low fence.

"Ahh!" Adkins was immediately stimulated by the severe pain in his buttocks and let out a more miserable scream.

He hurriedly stood up, covering his buttocks with his hands. His eyes were full of resentment.

At this time, he didn't dare to attack Trevor again. He could only shout fiercely, "Brat... You are even trespassing my house. I must call the police and have you arrested. This is a felony. You will definitely be sent to jail."
