

Chapter 969 Instigate Zakai

"I felt a little stuffy. I'm at the gate of the villa, smoking," Trevor said perfunctorily.

Zakai, who was at the other end of the line, didn't care. He just went on talking.

"Damn it! The women I invited to the party are very enthusiastic, but it's too easy. They would sleep with me as long as I want. It is no challenge at all. It's boring. Besides, none of them are as beautiful as Sally."

Zakai licked his lips at the thought of Sally. He paused for a moment before asking eagerly, "Dragon, didn't you tell me last time that you had a method for picking up girls? I want you to think of a way to help me get Sally! Damn it! She is so hot. I fantasize about sleeping with her."

Trevor sneered inwardly. It was expected of an idiot like Zakai to be gullible.

He couldn't even wait for Trevor to spring the trap before falling into it. Trevor believed that even without his efforts to set Zakai up, Zakai would still incriminate himself.

Trevor paused for a while before answering, "Girls like Sally are rational. They can't be treated in the usual way. However, you still have a chance. Girls like her value men's careers more. If you perform outstanding feats in your career, she'll definitely look at you with new eyes."

"Career?" Zakai repeated.

Trevor replied confidently, "Yes! I'd advise you to invest further in Glory Company. Expand the scale of operations and make it stronger. She will definitely not be able to ignore you. When I was smoking just now, I saw... Well, I don't know if I should tell you about it."

Zakai's curiosity was immediately piqued. "What's wrong? Tell me."

"I saw Sally when I was smoking at the gate of the villa, so I followed her without her knowledge and saw her enter another villa. Guess who I saw? Cyril! Maybe Cyril is dating Sally. I'm afraid that if Cyril gets Sally before you, it'll be the end."

Zakai lost his cool upon hearing Cyril's name. He screamed into the phone, "Cyril! Damn it! That bastard still dares go near Sally. I believe he is tired of living!"

Trevor winced and moved his phone away from his ear. However, he could still hear Zakai's heavy breathing.

Smiling faintly, he continued to rile up Zakai.

"After Cyril sold his shares, you counterattacked perfectly. Since then, he has been suspiciously quiet. I was worried he'd send people to attack you. I never expected that this would be his form of revenge..."

As expected, Zakai took the bait. He screamed angrily.

"Damn it! I will kill Cyril and destroy the Ramos family! Isn't

the Ramos family the leading company in the real estate industry? Damn it! Tomorrow, I will let Glory Company join the real estate industry and eliminate the Ramos family. Humph! After that, Sally will know that I am the better man and that only I deserve her!"

Trevor smiled upon hearing Zakai say this.

It didn't take much to rile up Zakai. Just one or two words made Zakai go crazy and make major business decisions without thinking it through.

The real estate industry needed a huge amount of money. If Zakai wanted to topple Cyril from his throne in the real estate industry, he would definitely have to steal the money from his father, Dooley.

It would be interesting when Dooley found out.
