Chapter 3474

“I’m fine, I’m fine!”

David said!

“David, what happened to the thunder cloud just now? I thought it was Qi Peijia who broke through to the Mahayana realm.” “

But I saw that he didn’t change just now, and you didn’t change either...” “

So what happened just now? What’s going on?”

Bai Qian asked David very curiously!

David smiled and took out the little sky-swallowing beast!

“Look, the spirit beast egg has hatched.”

David said!

“Wow, what a cute little guy. Is this a Qilin beast?” When

Bai Qian saw the little Sky-Swallowing Beast, she was so excited that she wanted to touch it with her hands!

Roar...

As soon as Bai Qian stretched out his hand, the sky-swallowing beast let out a roar!

This sound shocked Bai Qian and made her step back in fright. She didn’t expect such a cute little Qilin beast to be so fierce!

“Fox Princess, this is not a Qilin Beast, this is a Sky-Swallowing Beast. It has a very wild temper. Don’t mess with it.”

Huofeng said to Bai Qian!

It seems that Huo Feng is well-informed, and he can tell at a glance that this is not a Qilin Beast, but a Sky-Swallowing Beast!

“Swallowing Sky Beast?” Bai Qian was startled and hurriedly stepped back!

Sheng Bushi, Sheng Jiahui and others were also very curious when they looked at the sky-swallowing beast in David’s hand!

But they don’t know what a sky-swallowing beast is, nor do they know how powerful a sky-swallowing beast is!

David put the Sky-Swallowing Beast away. Now David doesn’t know the nature of this little guy. If he bites someone, it will be bad!

“Okay, let’s leave here as soon as possible.”

David was afraid that Qi Peijia would come back, so he wanted to leave as soon as possible!

Everyone nodded and quickly left with David and the others!

After walking out of the mountain, Sheng Bushi stepped forward and thanked David, “Mr. Chen, thank you so much. If it weren’t for you, our Sheng family wouldn’t have been able to obtain the Tiantalisman.”The talisman of the sect. “

We are planning to leave this battlefield of gods and demons. Being able to obtain the spells of the Tianfu Sect is the greatest blessing for our Sheng family.” “

Master Sheng, you’re welcome. Since you want to leave, I can’t stop you. I hope you can be more careful.” “

David said to Sheng Bushi!

“Mr. Chen, if you have time, go to the small house and have a talk. I will definitely prepare some wine to entertain you. “

Sheng Bushi invited David!

“Absolutely...”

David nodded politely!

As a family that specializes in formations and spells, the Sheng family has obtained the spells of Tianfu Sect, which are of course the most precious things, so it is very reasonable to leave before the battlefield of gods and demons is closed!

After all, there are everyone in this battlefield of gods and demons. If you stay here, what dangers may there be!

Follow everyone in the Sheng family After saying goodbye, David left with Huofeng and Bai Qian!

“Master, where should we go next? “

Huofeng asked!

“Let’s take a look around. It is estimated that this battlefield of gods and demons will be closed in a few days. “

David has no destination. After all, he doesn’t know where the treasure is!

David followed Huo Feng and Bai Qian as they walked in the dense forest, but his consciousness entered the sea of consciousness and carefully figured out the fire-control steps!

Now he only has Now he can study on his own, but the Fire Spirit Star Lord was so angry that he ran away after a disagreement without explaining it to himself!

David walked absentmindedly, trying to figure out the essentials of the Fire Control Step!

I don’t know After walking for a long time, Huofeng suddenly shouted, “Master, look quickly...”

David hurriedly came out of the sea of consciousness, and then saw the ground in front of him torn apart, trees toppling, and a lot of turbulence scattered. It was obvious that We just discovered a fight!

There were several corpses whose faces were indistinguishable lying on the ground. They looked terrible!

“We all want to get the treasure, but how many people can completely leave this battlefield of gods and demons?” “

Bai Qian couldn't help but sigh.

Chapter 3475

“People die for wealth and birds die for food. This is an eternal truth. Since you have entered the battlefield of gods and demons, you must be prepared to be killed. After all, there are no rules in this battlefield of gods and demons.”

The law of the forest is the law of the jungle. The big fish eats the small fish, and the small fish eats the shrimp...”

David sighed for a while!

The three people continued to move forward, and the bodies of monks were constantly discovered along the way! It

seems that the battlefield of gods and demons is about to close, and these monks are going crazy!

After all, if we don't take action, there will be no chance when the battlefield of gods and demons is closed!

But only a hundred miles away in front of David and the others, Zou Qi and the rest of the Tianming Gang were all smiling, and they also took a lot of treasures and resources with them!

Qi Peijia was walking in front coldly, with no expression on his face!

Along the way, he killed everyone he saw and then snatched treasures!

Anyway, the battlefield of gods and demons is about to close, and Qi Peijia doesn't want to look for treasures anymore. Finding treasures is not as fast as killing people and stealing goods!

“Hahaha, hang out with the gang leader and eat three meals a day...”

“The gang leader is really amazing. In the future, I am afraid that the entire Tianmo Mountain will respect the gang leader. This is really a blessing for our Tianming Gang!”

Zou Qi His face was full of joy, and he kept flattering Qi Peijia!

Qi Peijia felt comfortable being photographed by Zou Qi. He smiled coldly and said, “It doesn’t matter what the little Heavenly Demon Mountain is. I want to be the master of the Southern Territory, and even the master of the entire heaven and human world!”

Qi Peijia has great ambitions. After all, what he wants is Experience adventures that no one else has ever experienced!

“The gang leader is right. If you want to do it, you must become the master of the Heavenly and Human Realm. When the time comes, all the five major domain lords and the Demon Sealing Alliance will be destroyed by him...”

Zou Qi only knows how to flatter at this moment, and he doesn’t even know the five major domain lords. Take it seriously.

“What a loud tone, even the five domain lords don’t take this mere demon cultivator seriously!”

As soon as Zou Qi finished speaking, five monks in white clothes suddenly appeared. In front of Qi Peijia and others!

These five people looked solemn and stared at the treasure in Zou Qi’s hands!

And these five people are also very strong, two are at the seventh level of the Tribulation Realm, and three are at the sixth level of the Tribulation Realm. With this kind of strength, they are considered very good!

Seeing that someone dared to stop him, Qi Peijia immediately smiled coldly, “Who are you?” “

Gang leader, these five guys are outstanding people, and they are all very strong.”

When Zou Qi saw those five people, his face changed slightly. Change, said to Qi Peijia!

“What are the five heroes?” Qi Peijia didn’t know him!

“These are the nicknames of five people. The five of them belong to the five major sects in Fancheng in the Southern Region. Each sect selected a young talent to form the Five Outstanding Men.”

Zou Qi followed Qi Peijia and explained!

When Qi Peijia heard this, he immediately raised the corner of his mouth and said, “What nonsense are the five outstanding men? They will be unlucky if they meet me.”

Seeing that Qi Peijia was not afraid at all, the five of them were a little surprised!

After all, the names of their five outstanding men are very famous in the Tianmo Mountain area. Why doesn’t Qi Peijia recognize them?

Qi Peijia used to be just a casual cultivator, but later he was thrown into the Demon Swallowing Cave and had an adventure!

This outstanding five men have not been formed for a long time. Although they are very famous, Qi Peijia doesn’t know about it. This is normal!

The five people looked at Qi Peijia and saw Qi Pei’s expression was cold and proud!

He was dressed in black clothes with a strange pattern on it!

Moreover, Qi Peijia’s body was filled with thick blood-evil aura, and the aura it exuded was extremely powerful!

“Fellow Taoist, you killed many disciples of our Five Sects along the way and robbed many treasures belonging to us. I hope you can return them.” “

As long as you are willing to hand over the treasures, we can just hand them over without taking action.” Let them go, so as not to start a big fight.”

The leader of the five people, a young man with fair skin holding a long sword, said!

Chapter 3476

“Your treasure?”

Qi Peijia smiled, and then said with disdain, “Whatever is in my hand is mine. You can just grab it if you want. Why are you talking so much nonsense?” “

This is the battlefield of gods and demons. Whoever has the ability will take the treasure. Are you afraid that you can’t beat me and want to play tricks with me, so just take the treasure away?”

Qi Peijia’s disdain immediately made a young man holding a half-moon scimitar furious: “You don’t know whether to live or die. , we gave you a chance, and you dragged me...”

“Hahaha, I dragged you because of my strength. If you have the ability, drag it in front of me and see...” i

Peijia laughed. road!

“You...”

The young man’s eyes widened and he was about to rush forward with a machete in hand!

However, he was stopped by the leading fair-skinned man, “Third brother, don’t fall for his provocation. Even if you do, we will do it together.”

The young man with the scimitar retreated!

“Fellow Taoist, there are five major sects behind our outstanding five sons. Even if you leave the battlefield of gods and demons with these treasures, do you think you can leave the Demon Mountain?” “

Even if you look down on the five of us, but behind us Don’t you look down on the five major sects?”

The fair-skinned man seemed not to want to do anything, but wanted to get the treasure that Qi Peijia had snatched!

“Now that I have killed the five of you, even if there are five major sects behind you, who knows that it was me who killed you?”

Qi Peijia said mockingly!

The fair man’s face darkened, and he gritted his teeth and said, “Since you don’t have to drink wine as a penalty for toasting, then don’t blame us...”

Following the fair man’s roar, everyone got ready!

“The clown...”

Qi Peijia snorted coldly, and then slapped him down!

The giant black palm covered the sky and sun!

The five people looked at the giant black palm, their expressions changed greatly, and they all turned back. Get back!

At the same time, while the five people were retreating, they also fired out streams of spiritual power. These spiritual powers condensed in one place and went straight towards Qi Peijia!

Qi Peijia didn’t even dodge, black mist filled her body, and then the black mist condensed into armor!

“Black Magic Armor...”

someone screamed!

I saw the five people working together to attack, but it was directly blocked by the black magic armor on Qi Peijia!

At this time, the faces of the five people were extremely ugly, and their bodies instinctively retreated!

They underestimated Qi Peijia. The five of them worked together and didn’t even hurt Qi Peijia. How could they fight him!

Now the five of them don’t want any treasures, they just want to escape!

“Humph, it’s too late to run away now...”

Qi Peijia snorted coldly!

Qi Peijia waved his palm forward, and a huge claw grabbed him!

Seeing this, the fair-skinned man hurriedly shouted, "Array Talisman, use the Array Talisman quickly..."

With the roar, five people took out a yellow talisman from their bodies at the same time, and then the five people spurted a mouthful of blood towards the talisman, and their expressions instantly changed. They all turned pale!

The talismans in the hands of the five of them were purchased from the Sheng family for a lot of money. Together with the blood essence of the five of them, this formation can be made even more powerful!

The formation talisman emitted light, and was then thrown into the air by five people. Then the five formation talismans connected with each other, and a formation suddenly appeared, trapping Qi Peijia inside!

Then the five people were connected in a formation, and their figures gradually disappeared, and finally they disappeared!

The five people seemed to be invisible, directly integrating themselves into the formation!

Zou Qi and others were all shocked when they saw this scene. Only Qi Peijia looked at the five disappeared people and laughed disdainfully!

"Do you just want to defeat me with this broken formation?"

Qi Peijia said disdainfully!
