Chapter 3501

“Hmph, even a seventh-level Tribulation Realm master dares to yell at me...”

Seeing the Demon Mountain Ghost Elder, Elder Chu snorted coldly!

“Then give it a try...”

Demon Mountain Ghost Old Man shouted loudly, and the sound waves he emitted formed waves, like a surging river, rushing towards Elder Chu unstopably!

Elder Chu was horrified, and suddenly swung out his palm. The wind from his palm met the wave-like sound wave, and it was instantly shattered, leaving him powerless to resist!

When Elder Chu saw this, he felt a little stupid!

And just when Elder Chu was stunned, Devil Mountain Ghost Elder came out of the air with a claw!

The whole world shook, and a huge paw print headed towards Elder Chu!

Elder Chu’s pupils shrank rapidly and he kept retreating!

And he continued to fire out spiritual power that shook the void, and finally blocked the claws of the Demon Mountain Ghost Old Man!

At this time, Elder Chu was already out of breath, sweating profusely, and his eyes were full of disbelief!

“No, this... how is this possible? You are only at the seventh level of the Tribulation Realm. Why do you have such terrifying power?”

Elder Chu’s face was full of disbelief!

“As expected of someone who has survived the demonic calamity, Gui Lao is not only invincible at the same level, but can also fight across levels!”

Luo Shouhai dragged his injured body and said with envy in his eyes!

“Demon Tribulation Cloud? Did you survive the Demonic Tribulation Cloud?”

Elder Chu was stunned. He had always thought it was the Demonic Tribulation Cloud that David had overcome!

“Now you know, I’m afraid it’s a little late...”

The old Demon Mountain Ghost smiled coldly, and then let out a terrifying breath again.

Elder Chu frowned and used all his strength to block it!

However, this breath directly knocked Elder Chu away, and then slammed into the ground dozens of meters!

Elder Chu crawled out, his eyes full of fear, and blood dripping from the corners of his mouth!

“If you are disrespectful to Mr. Chen, you will have no choice but to die...”

Devil Mountain Ghost shouted coldly!

“I am the elder of the Demon-Sealing Alliance. If you dare to go against our Demon Sealing Alliance as a little demon cultivator, our alliance leader will never let you go. “

Elder Chu gritted his teeth and said!

“Hmph, all the sons of your Demon Sealing Alliance were killed by Mr. Chen. Do you think the leader of the Demon Sealing Alliance will let it go, so he doesn’t care about killing one more of you! “

The Devil Mountain Ghost Boss shouted loudly!

“Don’t be proud, do you think I can be killed so easily? “

After Elder Chu finished speaking, he suddenly grasped his palm, and a special aura began to condense. Gradually, a black hole appeared around Elder Chu!

“Space magic, this guy is going to use space magic to escape...”

Chen Seeing this, Ping hurriedly said loudly!

Seeing this, the Demon Mountain Ghost Elder was about to take action, but Elder Chu was sucked in by a huge suction force in the black hole, and then quickly disappeared!

“Hey, he still escaped. ...”

Devil Mountain Ghost Lao sighed!

The remaining guys from the Demon Sealing Alliance were so frightened when they saw Elder Chu running away that they turned around and ran away!

But Devil Mountain Ghost Lao would not give them a chance, and directly Jump up!

Bai Qian also took the whip and started to use force at this time!

These guys from the Demon Sealing Alliance were all strangled to death under the combined efforts of the two of them!

“Dad...”

“Master...”

The people from the Demon Sealing Alliance They were all killed, and only Elder Chu escaped!

Luo Xi and Jin Dong ran towards Luo Shouhai with concern!

Luo Shouhai was slapped hard by Elder Chu just now, and he must have been seriously injured!

Luo Shouhai coughed out After a few mouthfuls of blood, he smiled lightly and said, “I’m fine, I won’t die. I just broke a few ribs. I’ll be fine after a while of training.” “

Seeing that Luo Shouhai's life was not in danger, Luo Xi and Jin Dong were relieved!

"Mr. Chen..."

At this time, Elder Fei from the Soulless Palace walked towards David!

Before Elder Fei could speak, David He took out a pill and threw it over. "This is the antidote. You will be fine after taking it. Thank you very much just now..."

Chapter 3502

David knew that Elder Fei was helping him just because he wanted to save his own life!

"Thank you, thank you..."

Elder Fei took the antidote and swallowed it, then turned and left!

He wants to find a hidden place. He will probably rarely move around in the world in the future. After all, he betrayed the Demon-Sealing Alliance and might be killed one day!

After all, the Demon-Sealing Alliance has its own branch in the entire heaven and human world, and its power is huge!

"Gui Lao, congratulations to you, you have survived the evil tribulation cloud. Your strength is beyond my reach!"

Luo Shouhai walked up to Gui Lao and said with envy!

"Lao Luo, it's all thanks to Mr. Chen and your help. If it weren't for you, I'm afraid I would have been wiped out by now." "

I'm alone anyway. If you, Blood Spirit Valley, have anything to do in this Demonic Mountain, just call me." Say it, I am absolutely bound to do it!"

Devil Mountain Ghost Lao knew that he could break through thanks to David and following Luo Shouhai!

If it weren't for David's help, he wouldn't have been able to withstand the demonic calamity cloud, and if people like Luo Shouhai hadn't stopped these guys from the Demon Sealing Alliance, he wouldn't have been able to successfully overcome the calamity!

Luo Shouhai was overjoyed after hearing the words of Demon Mountain Ghost Elder. Demon Mountain Ghost Elder's level in Tianmo Mountain is not high, but he has some prestige. Now that Demon Mountain Ghost Elder's strength has improved a lot, his prestige must be even higher. Sheng!

When the time comes, with the help of Demon Mountain Ghost Elder, their Blood Spirit Valley will be able to establish a firm foothold in Tianmo Mountain, and they will no longer be bullied!

"Master Luo Gu, you are injured now and are not suitable for traveling. I think it is better to rest temporarily at Gui Lao's place for a while." "

I will also recover for a while, and then I will refine some elixirs for Master Luo Gu. "

David said to Luo Shouhai!

After hearing this, Luo Shouhai nodded, and then looked at Demon Mountain Ghost Old Man and said, "Then don't bother Ghost Old Man more..." "

Hahaha, Lao Luo, what are you talking about? Don't bother me at all. I'm still lonely by myself. , you are here, it happens to be lively and lively! "

Mo Shan Gui Lao laughed!

Everyone took a break here, and David also took this opportunity to slowly recover his physical strength!

While recovering his physical strength, David also felt the effects of space magic. Power!

If Elder Chu didn't know how to use space magic, he wouldn't be able to escape at all!

David only felt that he was a little overwhelmed, because the more masters he saw, the more difficult he felt!

Space magic, time magic , and the breath-taking techniques and fire control steps that he had just obtained!

David had to cross the river by feeling for the stones. If there was someone to give guidance at this time, he might be able to understand it quickly, but it is a pity that no one around David understands it. These can only be understood by David himself!

Just when David was resting and recovering his strength, the battlefield of gods and demons slowly closed!

A large number of monks were sent out of the battlefield of gods and demons!

Qi Peijia, who originally wanted to leave early, but Because I met Ning Zhi and Ning Caichen, and stayed in the battlefield of gods and demons for a few days!

“Master Qi, where is my disciple? Was he really killed by David? “

Seeing Qi Peijia coming out, Cheng Jinghui hurriedly stepped forward and asked!

Cheng Jinghui is still holding on to hope, hoping that David has lied to him and that his disciple is not dead!

Seeing Cheng Jinghui, Qi Peijia pretended to be sad and said, “Sect Master Cheng, Your apprentice was indeed killed by David, and David took advantage of my absence to assassinate your apprentice...” Cheng

Jinghui felt a bang in his head, and now his hope was really dashed!

“David, I I want to tear you into pieces...”

Cheng Jinghui roared angrily, turned around and left!

Seeing Cheng Jinghui’s angry look, Qi Peijia smiled with a slight smile!

“Where are our disciples? Where are our disciples? “

The people from the five major sects didn't see the five outstanding men coming out, so they suddenly panicked and shouted loudly!

Chapter 3503

Seeing this, other people also helped to look for them, and indeed they did not see the figure of the outstanding five men!

“The Five Heroes are so strong, it's impossible for them to be killed in the Battlefield of Gods and Demons, right?”

“That's right, no one dares to take action despite the reputation of the Five Heroes, and there are five major sects behind them.”

“The Battlefield of Gods and Demons ” They are all closed down and must have been killed. Now the five major sects are embarrassed.”

Everyone was talking about it!

Hearing everyone's discussion, Qi Peijia and Ning Zhi looked at each other, and then Ning Zhi left! A

moment later, Qi Peijia found people from the five major sects!

“Everyone, the five outstanding men of your five major sects have indeed been killed, and I also know that they were killed.”

Qi Peijia walked up to the five major sects and said!

“Who is it?”

one of the five major sects asked!

“It's that guy named David...”

Qi Peijia said!

“David?”

The five major sects have no impression of David!

On the other hand, Sect Leader Kong of the Xuanyin Sect said, “Then David was only at the first level of the Tribulation Realm. How could he kill five outstanding men? This is obviously impossible!” “It’s impossible for

him alone, but he has helpers. , on that battlefield between gods and demons, five of the Three Sovereigns and Four Kings of the Beast Tribe helped him. With the help of these people, couldn’t he still be able to deal with the five heroes?”

Qi Peijia said lightly!

“Why? We have no grievances against David, why would he kill our people?”

someone from the five major sects asked!

“Of course it’s to fight for the treasure. In the battlefield between gods and demons, don’t you care about enmity? Anyway, I told you this, believe it or not...” After

Qi Peijia finished speaking, he turned and left!

People from the five major sects all looked at each other, wondering whether they should believe what Qi Peijia said!

“Everyone, you go back first and ask Luo Shouhai about this matter. David followed Luo Shouhai, but David did follow the Fox Emperor. Female, one of the three emperors and four kings of the beast tribe. “

Zongzhu Kong said to the people of the five major sects!

He is very afraid that the people of these five major sects will cause trouble in Xuanyin Sect. His Xuanyin Sect is mainly engaged in business. If they fight and kill here, it will affect him. Business!

“When Sect Leader Kong said this, I have some impressions of David. Then we will go to Blood Spirit Valley to find out! “

An old man with disheveled silver hair and a red face and long beard from the

five major sects said! The people from the five major sects have left Xuanyin Sect! They

just walked out of Xuanyin Sect. I don't know if it was a coincidence or Qi Peijia was waiting for these people. The five major sects Many people have met Qi Peijia!

However, people from the five major sects ignored him. After all, Qi Peijia is only a demon cultivator, and he is also a casual cultivator!

Although he has had an unexpected encounter and reached the eighth level of the Tribulation Realm, he has no power. Although he has no power, some major sects still look down upon him!

“Sect Master Luo, David is right in front. You can ask him in person...”

Qi Peijia saw the people from the five major sects and faced that person. The leading old man with a red face and a long beard said!

“The boy hasn't left yet? “

Sect Master Luo was stunned, and then he led his people to chase forward!

Sure enough, they found David's shadow, but when David saw the people from the five major sects, he ran away quickly!

As soon as he saw David running away , the people from the five major sects felt that something was wrong with David, so they quickly chased after him!

However, in the blink of an eye, David had disappeared!

“It's so fucking weird, this guy ran so fast, how could he just blink in the blink of an eye?” No one is there? “

A person from the five major sects asked in confusion!

“Sect Master Luo, look at what this is? “

At this time, someone picked up five very exquisite storage bags from the ground!

“Isn't this the storage bag of the five outstanding men? Why are you here? “

Sect Leader Luo frowned!

“Damn it, it must have fallen out of that guy named David. He must have killed the five outstanding men! “

Someone roared loudly!

Chapter 3504

Sect Master Na Luo also frowned tightly. Looking at the storage bags, he was sure that these were the belongings of the five outstanding men!

Now it has fallen out of David’s body. It should be that David took away all the treasures in the storage bag and threw away the storage bag!

The more Sect Master Luo thought about it, the angrier he became, and said in a cold voice, “Let’s go, let’s go to Blood Spirit Valley, and we must find an explanation from David!”

All the people from the five major sects headed towards Blood Spirit Valley angrily!

After the people from the five major sects left, Qi Peijia followed Ning Zhi and showed up!

“Hahaha, now I think David is still alive. The five major sects are making trouble for him, which is enough for him to drink a pot.”

Qi Peijia laughed loudly!

“It’s just a pity that we can’t kill that guy David.”

Ning Zhi’s eyes were filled with chills!

After fighting with David for so long, David became the inner demon in Ning Zhi’s heart. He especially wanted to kill David with his own hands!

However, with David’s current strength and the people around David, it is somewhat impossible for Ning Zhi to kill David with his own hands!

But with the help of others, it’s okay to kill David!

“I didn’t expect you to be so good at disguise. Just now you transformed into David, and even I was fooled!”

Qi Peijia said to Ning Zhi in admiration!

“It’s just a small skill. Compared with Mr. Qi, it’s far behind!”

Ning Zhi said very humbly!

What Ning Zhi used was not a disguise technique. There is no such exquisite disguise technique in the world. It was a method of imitating breath. Ning Zhi also saw the contents at that time!

Although Ning Zhi is not yet able to practice the Breath Imitation Technique to the extreme, he can make it look exactly like David’s breath!

But if you want to deceive those who are not familiar with David, there is still no flaw!

“I will take you to a good place. If you practice in that place, you will get twice the result with half the effort.”

“Don’t go back to the Northern Territory from now on. Wouldn’t it be better if we work together to conquer the world right here!”

Qi Peijia really valued Ning Zhi very much!

“That’s great...”

Ning Zhi was very excited because he knew that Qi Peijia had an adventure. Ning Zhi also wanted to know what adventure Qi Peijia had!

It can improve your strength so quickly in a short period of time, and Ning Zhi also wants to try it!

“Ancestor, we...”

When Ning Caichen heard that Ning Zhi actually wanted to stay, he was a little reluctant!

Although the Ning family is not a big family in the Northern Territory, as the head of the family, Ning Caichen has no worries about food and drink and enjoys it very much!

Now he is asked to abandon the Ning family and stay in this Demonic Mountain, where he will be manipulated everywhere. Ning Caichen is a little reluctant!

“Stop talking. When we can occupy the entire Demon Mountain, wouldn't it be much stronger than in the Northern Territory? Don't you want to improve your strength and become an immortal?”

Ning Zhi asked Ning Caichen!

When Ning Caichen heard this, he quickly shook his head, “Everything is done according to the ancestor's arrangements...”

“Follow me. When the time comes, it will not only be about occupying the Heavenly Demon Mountain. My goal is to occupy the entire Heavenly and Human Realm. I want to make the entire Heavenly and Human Realm...”
Under my control, I will make the five domain masters my subordinates.”

Qi Peijia's eyes flashed with surging energy!

Ning Zhi looked at Qi Peijia and secretly sneered!

Although Qi Peijia's strength is good, a fool like this, no matter how skilled he is, cannot control the entire world of heaven and man!

The reason why Ning Zhi wants to follow Qi Peijia now is to use Qi Peijia's power. With Qi Peijia's IQ, if Ning Zhi wants to play tricks on him, he will act like a fool!

“Let's go, I will take you to the Demon Swallowing Cave. Once there, you will find the door to the new world!”

Qi Peijia was unprepared, leading Ning Zhi and Ning Caichen towards the Demon Swallowing Cave!

Chapter 3505

In a mansion deep in the mountains!

Mr. Shi is writing furiously and doesn't know what he is writing!

However, looking at Mr. Shi's complexion, he was obviously much better. After the battle with Wen Haotian, he lost a clone and Mr. Shi's vitality was seriously damaged!

But after this period of cultivation, Mr. Shi looks good!

"Mr. Shi, David killed the son of the leader of the Demon Sealing Alliance..."

Suddenly, a girl in a white dress walked in and said!

The brush in Mr. Shi's hand paused, and the words he had just written were immediately destroyed!

"How long has this guy been here before he caused such a big trouble?"

Mr. Shi showed a wry smile, "What state is David in now..."

"First-grade Tribulation Realm, but He has a divine weapon in his hand, and he is not afraid to fight with the sixth level of Tribulation Realm." "

And he got the Sky-Swallowing Beast from the ruins of the battlefield between gods and demons..."

the girl said!

"The Sky-Swallowing Beast? The mount of Lord Chiyun?"

There was a trace of surprise on Mr. Shi's face. Obviously, he did not expect this!

"It's just a newly hatched sky-swallowing beast. It's probably of little use now."

The girl hurriedly explained!

Hearing this, Mr. Shi suddenly realized, "I said it's impossible for that old guy to appear in the world of gods and humans." "

Has there been any movement in the Huo Burning Sect recently?"

"No, it's been very peaceful all the time!" The girl shook her head!

“As long as there is no movement, it seems that I can still enjoy a few days of peace and happiness...”

Mr. Shi took another piece of paper and continued to write!

“Mr. Shi, what should we do about David? The Demon Sealing Alliance will probably launch a mad hunt for him soon. Do you think you should...”

The girl hesitated to speak!

“Don’t worry about it. I believe he can deal with it. Besides, he is not alone now. Doesn’t he have many friends?” “

Let him stir up trouble in the heaven and human world. The water in the heaven and human world is getting meatier, and some fish are rotten.” Only then will the shrimps rise to the surface, and the order of the world of heaven and humans should be rectified.”

Mr. Shi After saying that, I started writing quietly again!

The girl looked at Mr. Shi’s appearance and silently retreated!

.....

Blood Spirit Valley!

Because the owner of the valley, Luo Shouhai, is not here, all the disciples are practicing peacefully in the valley!

Compared to the disciples of Blood Spirit Peak, these disciples of Blood Spirit Valley are much safer!

But while the Blood Spirit Valley disciples were practicing, Cheng Jinghui arrived with a large number of Blood Spirit Peak disciples!

After knowing that his apprentice was indeed killed by David, Cheng Jinghui couldn’t swallow this breath at all!

He knew that David was with Luo Shouhai, so he brought someone to find him!

“Luo Shouhai, come out...”

Cheng Jinghui came to the gate of Blood Spirit Valley and shouted loudly!

When two Blood Spirit Valley disciples saw this, they hurried over and said, "Uncle Master, our master is not in the valley. I don't know what you want to do with him?"

Because Cheng Jinghui and Luo Shouhai were fellow apprentices, the two Blood Spirit Valley disciples also treated him badly. That's polite!

"Isn't he here?"

Cheng Jinghui's eyes were filled with murderous intent. "Is he not here, or is he avoiding me?"

"Uncle, Master, he is really not here!"

Two Blood Spirit Valley disciples said sincerely!

"I don't believe it, he just wants to avoid me, and David must be in there too."

Cheng Jinghui said, and was about to break into the Blood Spirit Valley!

"Uncle Master, you..."

Two Blood Spirit Valley disciples tried to stop them, but Cheng Jinghui shot out both palms and beat the two Blood Spirit Valley disciples to death!

"Kill me. If Luo Shouhai doesn't show up today, I will kill all his disciples."

"I want them to pay with blood..."

Cheng Jinghui waved his hand!

"Kill..."

Many disciples from Blood Spirit Peak rushed towards Blood Spirit Valley!

For a moment, the sound of killing shook the sky, and the disciples of Blood Spirit Valley were caught off guard!

Coupled with the fact that the dragons were leaderless, it only took half an hour for all the disciples of Blood Spirit Valley to be slaughtered!
