

The Ex-Husband's Revenge By Dragonsky

Chapter 1944

Chapter 1944

"Mister Wolf, I'm very sorry that I'm late! Are you fine?"

Taking the chance, Yuri and the others walked in front of Leon.

Before this, Leon asked Yuri to help with Joel and the Hiltons. For the sake of safety, he brought that old man who was at the Almighty State along.

However, before he could even arrive, Leon gave him a call to tell him that Gordon captured Snow!

So, he immediately brought his men right over, and just arrived!

"I'm fine! Mister Thompson, you came at the perfect moment. You weren't late at all!" Leon said with a smile.

With Yuri's appearance, the situation changed, and Leon was much more at ease.

"Mister Thompson, what is the meaning of this? Why did you bring your men over to go against us?!" Dawn said angrily when she saw that Lucius was repelled.

"Miss Hughes, Mister Wolf is my friend. At the same time, he's a partner of the Hughes Group! Why are you attacking him for no reason?!" Yuri asked in confusion.

He just arrived and did not know what was going on between Leon and Dawn.

"Snow and him worked to kill my brother! I'll make them pay!" Dawn said hatefully.

"What? Darius is dead? H-how is this possible?!" Yuri was shocked to hear that. He could not believe his ears.

Darius was his friend for many years. The two of them were very close.

It was obvious how shocked he was to suddenly learn that Darius was killed!

"Mister Wolf, what happened? Could you have killed Darius?" Yuri looked at Leon in disbelief.

He could not believe it. Why would Leon kill Darius for no reason?!

"I did not! Gordon stole Snow's poisoned needle and attacked Mister Hughes," Leon explained everything briefly.

"So this is Gordon's doing!"

Yuri realized something after he heard that.

He did not believe that Leon would kill Darius for no reason in the first place. Furthermore, Leon told him that Gordon took Snow away.

He would naturally trust Leon even more!

"It wasn't me, I didn't do anything," Gordon hurriedly denied it, but he was still a bit worried.

He just saw Lucius almost get rid of Leon!

Yet, at the most important point, Yuri arrived and ruined things!

It was obvious how frustrated he was. At the same time, he was a bit apprehensive, worried that Dawn would start to doubt him!

However, his worries were unfounded. Dawn's next reply relieved him!

"What a load of nonsense! Gordon is my husband, how could he hurt Darius?!" Dawn shouted back, clearly not trusting Leon's words.

"That's right! The poisoned needles are Snow's. She was the one who worked with Leon to kill Darius! In the end, they're just trying to slander me!

" Gordon said in a hurry. He would never admit to it all!

"Miss Hughes, calm down! Mister Wolf is my friend. I know him very well. I don't think he's the sort to spread lies!" Yuri said seriously.

"Impossible! Mister Thompson, Leon first killed my brother. Then he tried to kill my husband to silence any witnesses! I saw it for myself. Could it be fake?!" Dawn said coldly.

After what happened earlier, Dawn was already sure that Leon and Snow killed Darius!

No matter how Leon explained things, she would never believe him!

"But-"

Yuri was still very unhappy. He wanted to say a few more things, but Dawn interrupted him before he could.
