An Understated Dominance by Marina Vittori Chapter 2033

“What? Spiritual liquid?!”

Upon hearing this, everyone in the Yuanyang Sect looked horrified.

Spiritual liquid, for warriors, can be said to be the most precious treasure in cultivation.

If there is enough spiritual liquid, even an ordinary warrior can make great progress in practice. Breaking through to the master realm is not a dream.

It's a pity that spiritual liquid is too rare and precious. It usually only exists in some heavenly materials and earthly treasures, and it also needs to be refined and purified, which is very difficult to obtain.

It is no exaggeration to say that a drop of spiritual liquid is worth thousands of gold, and a small bottle of spiritual liquid can even cause a murder.

If the water bag donated by Lily Zhang was full of spiritual liquid, then its value would be beyond their estimation.

“Master's guess is correct, the water bag is indeed filled with spiritual liquid, and it's not just one bag, but eight big bags!” Lily Zhang said something shocking again.

“Eight...eight big bags of spiritual liquid?”

Waylon Mochou was stunned, her hands began to tremble slightly, and the other disciples looked even more in disbelief. appearance.

At this moment, they all suspected that they had heard wrongly.

If these water bags are all filled with spiritual liquid, then for the Yuanyang Sect, it will definitely be an unprecedented God-given opportunity.

With these spiritual liquids, Yuanyang Sect is enough to be promoted to a first-line sect!

“Okay, okay! Great!”

“With these spiritual liquids, our Yuanyang Sect can finally rise!”

“Lily! You are really the lucky star of our Yuanyang Sect!”

“I would like to announce that from today on, you will be the heir to the head of the Yuanyang Sect and enjoy the same treatment as the elders! ”

Waylon Mochou was extremely happy. In her excitement, she directly helped Lily Zhang to become the heir.

None of the elders and guardians had any objections to this result.

Lily Zhang is the most talented disciple of Yuanyang Sect. Sooner or later, she will inherit the position of leader. Now she has made great achievements and her position is more stable.

Now it's just a reward in advance.

“Thank you, Master, for your love! I will definitely devote my whole life to the Yuanyang Sect in the future!” Lily Zhang looked happy and quickly saluted respectfully.

She knew very well that she couldn't eat these treasures by herself, so she might as well hand them over to the sect.

Not only can you make meritorious deeds, but you can also receive key training.

“Very good! I really did not misjudge you!” Waylon Mochou patted Lily Zhang's shoulder, feeling very pleased.

With so much spiritual liquid, she can finally reach a higher level and break the shackles of stagnation for several years!

“Master, I have one more thing to report.”

At this time, Lily Zhang seemed to have thought of something, and suddenly said:

“Although I have gained a lot from this trip. , but the real treasure was discovered first.”

“Oh? Who is it?” Waylon Mochou's eyes narrowed.

“This person’s surname is Margret, she is a woman, her origin is unknown, she is not from the southwest, and she has a very powerful bodyguard beside her, he is a young grandmaster, more powerful than the head of the Flying Sect. We have to be stronger!” Lily Zhang said seriously.

“Young master? More powerful than the head of the Flying Sect?” Hearing this, Waylon Mochou couldn’t help but frown.
