An Understated Dominance by Marina Vittori Chapter 2053

Lily Zhang smiled coldly: “Now that I have a hostage in hand, I don’t believe you dare to mess around!”

“You will regret your behavior.”

Dustin glanced at Margaret who was being held hostage, and did not act rashly .

“Master Reid, I heard that your Golden Sword Sect has a secret method that can seal a person’s eight extraordinary meridians. Now, please take action and control this person first.” Lily Zhang spoke loudly.

Although Dustin lost his sword, his advanced cultivation was still hard to resist.

She must seal his meridians and curb his cultivation, so that she can have some sense of security in her heart.

“You two, go up and try.”

Reid Gang turned around and winked at the two Golden Blade Sect elders behind him.

“Ah?”

The two of them swallowed and became nervous instantly.

The fate of the Twisted Sisters Sect before was still fresh in their minds. If they stepped forward now, wouldn’t it be a narrow escape from death?

“Why are you panicking? We have a hostage in hand, and he definitely doesn’t dare to resist!” Reid Gang encouraged.

The two Golden Blade Sect elders looked at Margaret who was being held hostage, and then at Dustin who was motionless. After hesitating for a few seconds, they finally bit the bullet and walked up.

Now in this situation, they are in a difficult position.

If Dustin is not dealt with, let alone snatching the treasure, he may even lose his life.

No matter what, they had to give it a try.

As long as Dustin's eight extraordinary meridians are sealed, the opponent will become a useless person and no longer a threat.

"Dustin, don't worry, just take action."

At this time, Margaret suddenly spoke.

Naturally, she didn't want Dustin to take risks for herself. Besides, in a situation like this, she had plenty of ways to escape.

"Shut up! You bitch, if you dare to say another word, be careful I'll scratch your face!" Lily Zhang shouted sternly.

"Miss Zhang, you made a fatal mistake. You thought you were holding me hostage. In fact, I was just playing with you. But now, I have lost interest." Margaret said lightly.

As she spoke, she formed a seal with one hand and said secretly: "Hidden!"

As she said the word "hidden", Margaret suddenly disappeared, as if she had evaporated out of thin air.

"What happened? Where is the person?"

"Strange! How come the person who was here just now disappeared in the blink of an eye?!"

The sudden change shocked everyone.

Especially Lily Zhang, her eyes widened in disbelief.

The knife in her hand was still in the air, but the hostage in her arms had disappeared.

"Look! She's there!"

At this moment, a sharp-eyed person suddenly pointed at the door of the hotel.

Everyone followed the sound and saw a beautiful figure walking slowly, it was Margaret.

It's just that her current location is dozens of meters away from Lily Zhang and her party.

"No! Catch her quickly!"

Lily Zhang's expression changed and she shouted quickly.

The experts from the Twisted Sisters Sect and the Golden Sword Sect did not dare to hesitate and immediately swarmed up and rushed toward Margaret.

They knew very well that once they lost this hostage, Dustin would be a tiger out of the cage, unstoppable.

"Uncle Wang."

Facing the besieging pack of wolves, Margaret just said two words lightly.

"Old slave is here!"

A loud shout was heard.

An old man with a stooped figure jumped down from the second-floor window and stood firmly in front of Margaret.

At this moment, Uncle Wang changed his honest look before, his eyes became particularly sharp, his whole aura was fully activated, and his whole body was covered with a layer of blood.

That's a ferocious aura that has been condensed to the extreme!

Like abyss and like a devil!

Shocking!

"Anyone who offends my young lady will die!"

Uncle Wang took a deep breath, raised his right palm high above his head, and then smacked it down.

Boom!

In an instant, the sky and the earth changed color, and thunder exploded.

A huge red palm shadow suddenly descended in the sky, and then pressed heavily on everyone like a mountain.

When the palm shadow is pressed down, the house shakes, the ground cracks, and the big tree breaks.

It can be said that it is overwhelming and nothing can stop it!

Before most of the martial arts masters could react, the shadows of their palms were suddenly pressed down and turned into blood mist.

No bones left!

With just one palm, most of the masters from the Twisted Sisters Sect and the Golden Sword Sect were killed or injured!
