

## Arabella 41

### Chapter 41

**When** Phillip heard that he was meeting his grandson's fiancée today, he was beside himself with excitement.

The butler was a bit helpless, "Sir, you've checked yourself in the mirror a bazillion times. If I didn't know any better, I'd think you were getting ready to see your **own** wife..."

**\*You** shut up!" Phillip put away the mirror and hurried him, "Go check if they've arrived yet."

"I already told Carl, they'll text me when they're on their way."

Just as the butler finished speaking, his phone buzzed with a new message!

It was from Carl.

They were about to set off, they would be at the hospital in ten minutes.

"Hurry up, go greet them!" Phillip was beyond excited, urging the butler, "What are you standing there for, get a move on!"
