

Super Rich Dad Chapter 254-256

Chapter 254

Thinking of this, the security chief hurriedly patted the shoulders of a few of his men and ordered, 'You few come with me'

A few tides of people then headed straight for the inside of the stadium.

The concert was still more than an hour away, but the stadium was already crowded at this point.

Gao Shun walked in the lead, while Jiang Hao and Xue Yu Ning followed behind.

Soon, the three of them arrived directly at the viewing platform located at the top of the stadium.

The platform was originally a luxury box prepared for the local bigwigs of Chu Jiang to watch the event, and the facilities inside were extremely luxurious, with all kinds of high-tech furnishings that were refreshing to the eyes.

From the huge floor-to-ceiling windows in front of the platform, the whole stadium can be seen.

The location was just too good and the view was the most shocking.

Looking at Jiang Hao staring out, Gao Shun was very pleased with himself and asked with a smile, 'Young Jiang, are you still satisfied with the preparation? If you have any requests, just say the word and I'll immediately get to work on it.'

Jiang Hao nodded, glanced at Xue Yuning and asked in a low voice, 'Do you like it?'

Xue Yuning was a little hesitant, but finally nodded: 'Well, it's quite good'

Jiang Hao could hear the reluctance in Xue Yuning's tone, smiled slightly and turned his head to Gao Shun, 'Mr. Gao, forget it, I don't want to watch the concert here.'

Gao Shun couldn't help but stare at his words, thinking that he had prepared the place so carefully, could it be that Jiang Hao was still not satisfied?

'Mr. Jiang, just tell me if you have any problems, but,' Gao Shun said with some reluctance, 'but this is already the best location here!'

Jiang Hao laughed and shook his head, 'No, no, you misunderstood, I'm not saying it's not a good place, it's just that I don't like it very much, and neither does my girlfriend.'

In Jiang Hao's opinion, he and Xue Yuning came to the concert to see the atmosphere, if he and Xue Yuning were moved to a high position like Gao Shun did, for one thing, there would be no atmosphere, and for another, Jiang Hao would feel uncomfortable.

Jiang Hao could see that Xue Yuning felt the same way as himself.

Perhaps Jiang Hao did not value the concert as much as Xue Yuning did, and was not as enthusiastic about the music as she was, but at the very least, they felt the same way about the concert.

That is, to blend into the environment, not to stand tall and isolate themselves from the crowd.

That would make any high-end, or moving, concert incredibly dull.

‘Are there any seats left in the front row? Let’s also arrange two seats for the two of us over there.’ Jiang Hao suddenly said, he then looked at Xue Yuning and asked in a low voice, ‘Do you think it’s okay for us to go down there?’

Xue Yuning smiled at his words and finally revealed a bright smile, nodding heavily, ‘Yes, I like to watch from down there too.’

Jiang Hao gave a hmph and said to Gao Shun, ‘Then, Mr Gao, that’s it, you go and make the arrangements.’

Not wanting such a spacious and luxurious place, but having to go down there to be crowded with people, Jiang Hao’s request was somewhat incomprehensible to Gao Shun anyway.

He sighed in his heart, and without saying a word, he said directly, ‘That’s fine, Jiang Shao, you wait a moment, I’ll get on with it.’

After saying this, Gao Shun walked out of the box.

This was a bit of a dilemma for him, these two masters really didn’t seem to be very good at serving, the good ones didn’t work, but they still had to be below.

However, Gao Shun naturally knew that even if Jiang Hao and the others went downstairs, he could not simply vacate two seats.

It was also a front row seat, so people must see that Jiang Hao was different, that way they could highlight Jiang Hao’s difference, and perhaps that would make him happy.

Soon, Gao Shun himself arrived at the front row below the concert stage, where a lot of audience had already come, and it was possible to cram in two people, but it would obviously be crowded.

Gao Shun called for a few staff members, pointed to the first row of seats and said, ‘Remove these six seats and disperse the audience to the second row at the back, bring me a sofa and a coffee table, prepare fruit plates and drinks for me, and prepare a special waiter.’

After all, the audience had already sat down, and the tickets were bought in the first row, so it was not that easy to kick them out.

And this is bound to be a job that will offend people, and these staff members don’t want to do it at all.

But when he saw that a few people were slow to respond, Gao Shun was a little upset and chided, 'What are you thinking? You guys just say, if they agree to change their seats, the money for the tickets, refund them, if they don't want to move, the tickets are null and void, just ask him out!'

A few people were taken aback, and seeing that there was really no way out, they could only walk stiffly up to a few audience members and go explain the situation.

At this time, a young male staff member walked up to Feng Pingping and said in a low voice: 'Hello beautiful, can you please go to the second row at the back, because a big shot is going to come in a while, so this area where you are, we will make some changes'

Chapter 255 - Hurry up

Feng Pingping couldn't help but stare at her words and hurriedly said, 'Why? I bought a front row ticket, why do you have the right to make me go to the back?'

Feng Pingping didn't take the other party too seriously, so she said back to the other party and played with her phone by herself.

'Beautiful, I'm really sorry, we can't help it, there will be a big shot here to watch the concert, but there are not enough seats, so I'll ask you to move back a row' the male staff said with a smile, 'Of course, in order to compensate for your loss, we will give you a full refund of your tickets later'

Upon hearing about the refund, the few audience members who had been planned to the second row with Feng Ping Ping were immediately excited and asked the staff member if it was true.

The male staff member hurriedly said that it was true and also talked about some other offers.

After all, the difference between the first and second rows is not that much.

And the key thing is that they give you a refund.

That's like you've just changed your seat slightly, but you've seen a concert for free.

This was simply too affordable, and several other guests responded by obediently walking to the seats in the back row.

In fact, after Feng Pingping heard the staff's words, she was also very impressed.

After all, she hadn't spent any money on that ticket in the first place, it had been stolen, and now it had simply been moved slightly further back, which didn't affect the viewing experience.

And what a great bargain to get a refund for the tickets.

Won't Feng Ping Ping thought about it, her heart couldn't help but be greedy, she was about to get up, but ended up sitting down again, her face slackened up as if she was more than a little upset.

'I don't go over there, who am I to go over there!' Feng Pingping looked like she was being reasonable and said to the staff member, 'I bought a front row ticket, then I have to sit here, no, I won't change, what can you do to me!'

Feng Pingping looked like she was playing hard to get, which really made the staff a bit embarrassed.

After all, they were negotiating, and if they really came to blows and ended up in a conflict, and then created a public opinion incident, they would be the ones to lose.

But Gao Shun had just given a deadly order.

A few people could not help but be in a difficult position, and only after a while did one of them come up to Feng Pingping's ear and said in a small voice: 'Beauty, please be accommodating, the person who is coming is a big shot, neither you nor we can afford to offend him!'

Hearing the staff's words, Feng Pingping couldn't help but be a little nervous.

After all, she was no big deal, she was just an ant in front of those top-level bigwigs.

If she did not move away and offended them, she would definitely suffer a big loss.

But Feng Pingping knew better in her heart that since the big shots were coming and they were not well entertained in the end, they were the ones who would end up suffering big losses.

So since this is the case, they must be even more nervous than themselves.

Feng Pingping looked at the male staff member who had a tangled face, suddenly smiled Ying Ying and whispered, 'Alright, let me give up my seat actually, how about this number?'

Feng Pingping suddenly stretched out five fingers and laid them in front of the male staff member.

'Five thousand?' In fact, this staff member was sort of pretending to be confused, he knew that Feng Pingping meant fifty thousand, but let alone fifty thousand. Even if it was five thousand, he didn't have that right.

If you don't agree, I'm sorry I won't change, if you want to do something else, my classmate is a media student, I'll have you on TV in a minute the next day!'

The male staff member had a bad look on his face and wanted to discuss with Feng Pingping, but the other party just turned his head to the side.

Obviously there was no more to discuss, so he had no choice but to walk resentfully towards Gao Shun, who was not far away.

The male staff member briefly explained the situation to Gao Shun and finally asked with a frown, 'Mr. Gao, what should we do? It will have a very bad impact on us!'

At first hearing Feng Pingping's request for 50,000 yuan, Gao Shun was instantly furious.

This is pure robbery while the fire is hot, and he Gao Shun in Chujiang is also considered a small famous, even those well-known bigwigs, but also dare not rob themselves while the fire, today was a girl student to the right, he can get over his heart is strange.

But soon he thought carefully about the words of this man of his and couldn't help but feel that there was some truth to them.

If Feng Pingping really knows the media, then this matter was stirred up, and then after adding oil and vinegar to such a toss, it is not possible to say what kind of episode it will be when it is finally broadcast.

It is estimated that by that time, the black ones will not even recognize his old mother.

In the past, Gao Shun had suffered from the media, and it was a big loss, so when he heard about the media again, he was naturally afraid of it.

Gao Shun gritted his teeth and said, 'Forget it, one more thing is better than less, just give her 50,000 and tell her to hurry up and vacate the place for me!'

Chapter 256 - Cool

Hearing this, the staff hurriedly walked back to Feng Pingping and whispered, 'This young lady, your request, our General Manager Gao has already agreed, do you think you can move your seat now?'

Feng Pingping nodded in satisfaction, her heart simply bursting with excitement.

She was simply thrilled by her own cleverness, and looking at the few people who had just obediently moved to the back without even asking for anything, she felt that she was simply a bit intellectually bursting at the seams.

Fifty thousand dollars, it took no time at all to get it.

Feng Pingping got up proudly and walked to a seat at the back, and couldn't help but look smugly at the people around her, a look of pride surfaced on her face, that felt like she was saying: See, this is the difference between me and you.

Feng Pingping even said proudly to a girl beside herself, 'Oh see, five dollars just came to you, are you regretting it now?'

When that girl heard that, she couldn't help but frown deeply, her expression a little surprised.

When Feng Pingping saw this, she thought that the other party was really remorseful, and became more and more proud of herself, proudly turning her head to the side, saying that it was too late to regret, who let you be so brain-dead.

But Feng Pingping did not know how unpleasant her performance was in the eyes of the few people around her.

She didn't even think about the people who could spend tens of thousands of dollars on a ticket to see the concert.

Do people really care about those tens of thousands of dollars?

You are the equivalent of blackmailing someone Gao Shun for 50,000 yuan, this kind of thing is simply disgusting, yet you still have the nerve to be complacent?

The few people around Feng Pingping saw her look and all of them showed a look of contempt.

They were not ashamed to sit with such a villainous look.

The young girl who had been questioned by Feng Pingping suddenly beckoned to the female staff member and asked, 'Hey, can you change our seats?'

The staff member hurried over, 'Beauty, is there a problem with this seat?'

The girl sneered, 'There's nothing wrong with the seats, I just don't want to be next to some people, it's a bit disgusting.'

After saying that, the girl picked up her things, got up and left.

Feng Pingping heard the words in the other party's words, clearly cared about referring to themselves, immediately also upset, Teng Di got up, pointed at the girl and shouted angrily: 'What the hell do you mean, stupid, you f*cking see I took an extra 50,000 yuan you are jealous, have the ability to you also go to ask ah? You're not the only one who's giving it to you.'

As soon as they saw that the two were at war and seemed to be about to exchange fire, the staff member hurriedly stopped both sides and pacified the girl.

Feng Pingping, however, continued to mutter unrelentingly over there, causing the other few people beside her, to be less than pleased as well.

Just then, Gao Shun walked over.

He had heard Feng Pingping's cursing from a long distance and naturally knew that the next woman had blackmailed him for 50,000 yuan, so his disgust for Feng Pingping grew even stronger.

Gao Shun looked at Feng Pingping and ignored him, just turned around to leave because this side would soon be done and he was ready to go call Jiang Hao's.

But just then, Feng Pingping suddenly called out to him.

'Hey, you're the boss aren't you? When will the money be given to me?'

Feng Pingping spoke in a loud voice that many people nearby could clearly hear.

Gao Shun stopped in his tracks, his face steeped in iron blue for a few moments, and looked at Feng Pingping with low brows, his tone cold: 'Are you talking to me?'

Feng Pingping laughed disdainfully, 'Or what? Aren't you the head of them? When will you give me the 50,000 yuan?'

Gao Shun was already angry in his heart, but Feng Ping Ping still dared to provoke himself like this, so Gao Shun was really angry.

But after all, he was still the boss, Gao Shun knew clearly that if he really put Feng Pingping in his eyes, it would be a shame.

So he just coldly replied: 'First, this matter does not belong to me, you go to them, second, you pay attention when you talk to me, do not seek death yourself, the 50,000 yuan I will give you, but better you do not make yourself no life to get!'

After saying that, Gao Shun left in a huff.

The staff member who had been busy all along also looked at Feng Pingping with shameful laughter, his eyes full of contempt.

He simply felt that this Feng Pingping was ridiculous, and even a little ignorant of life and death.

What kind of person was Gao Shun? He was a big man with tens of millions of dollars, not to mention whether he cared about the 50,000 yuan.

If it wasn't for this occasion, if it wasn't for the fact that Gao Shun was going to entertain a big shot in a few minutes, you would have been thrown out long ago, and you would still be able to be here?

The staff member sneered at Feng Pingping and casually said, 'I advise you not to go too far, behave yourself, the words of our General Manager Gao never come out of his mouth, you have to take them seriously, don't really lose your life and get paid!'

This staff member's words really made Feng Pingping's heart tighten.

She hadn't felt anything before, but it was just the words Gao Shun had just said to himself that really made her feel cold at heart.

Chapter 257 - An accident?

A few moments later, Gao Shun knocked on the door of the platform box where Jiang Hao was.

'Young Jiang, Miss Yu Ning, it's almost ready down there, you two can go down now.' Gao Shun said with an accompanying smile.

Jiang Hao nodded, 'Then I'll trouble General Gao.'

'Hey, that's what you're saying, Mr Jiang, isn't it all our share of duty?' Gao Shun smiled and extended his hand, 'You two come with me, I'll take you there.'

Soon, Gao Shun led Jiang Hao and Xue Yuning to the seat carefully prepared for them in the front row.

When Jiang Hao saw that position, he couldn't help but stare, 'How come there's a sofa here and here?'

Jiang Hao was a little surprised to see that everyone else had fixed seats, but only his and Xue Yuning's position was a double sitting sofa.

Gao Shun hurriedly smiled, 'Hey, it's all for you and Miss Yu Ning, do you think it's still satisfactory?'

To be honest, Jiang Hao felt a little uncomfortable with this.

He didn't like fanfare and neither did Xue Yuning, so he had wanted Gao Shun to just casually arrange two seats for them in the front row, but now he was making it so maverick.

With such seats, even sitting here, Jiang Hao felt uncomfortable.

Jiang Hao looked at Xue Yuning and found that he had also skimmed his lips, so it was clear that the two of them had thought of the same thing.

However, Jiang Hao did not want to toss it, after all, people were kind enough to give you the top position above, but you did not do it and wanted to come below, and now they have made such a position for you, if you are still not satisfied, it is a bit shameless.

The actual fact is that you will be able to get a lot more than just a few of these.

The actual fact is that you can dismiss someone's good intentions once, and if you dismiss them a second time, that's really something that you can't say.

Jiang Hao smiled and whispered to Xue Yuning, 'How about this, let's just sit here.'

Xue Yuning smiled and nodded her head as well, 'Okay, if you say it's okay.'

Jiang Hao gave a hmph and turned to Gao Shun, 'Well Mr. Gao, this is quite good, thank you very much Ke.'

When Gao Shun heard this, he was relieved and hurriedly said, 'You're too kind to say that, Mr Jiang, just as long as you're satisfied.'

At that moment, Gao Shun's phone rang, he picked up and simply said two words, and hurriedly turned to Jiang Hao and said, 'Aiya Jiang Shao really sorry, I have to go to the backstage, there is something urgent that I need to deal with, you sit down first, I'll be right back.'

'No problem, Mr Gao, if you have something to do, just go and get busy. We're fine here.' Jiang Hao said with a smile.

Having said that, Gao Shun left, and before he left, he took a special glance towards Fang Pingping's seat, frowned and asked the person beside him, 'Where's that woman? Why is she gone?'

The staff member also looked at Feng Pingping's seat and said, 'I think she went to the bathroom, what's wrong Mr. Gao?'

Gao Shun exhaled and instructed, 'You guys must keep an eye on that woman later, she is a prick, don't let her disturb Miss Jiang and Miss Yu Ning watching the concert later, if she dares to cause trouble, have the security guards kick her out!'

The staff member nodded heavily, 'Yes, Mr. Gao, don't worry, I'll arrange it now.'

Not long after, Feng Pingping slowly walked back from the bathroom not far away, the innermost part of her seemed to be muttering something unhappily.

She glanced up towards her seat and was suddenly stunned.

It was because she suddenly saw that on the seat where she had been cleared earlier, there were actually Jiang Hao and Xue Yu Ning sitting there.

'What the hell? How did they get in?' Feng Pingping's brow furrowed in disbelief.

When she saw Jiang Hao and Xue Yu Ning, she was furious and hurriedly walked over in a huff.

'Hey, how did you guys get in here, hurry up and get up!'

Feng Pingping indiscriminately pointed at Jiang Hao and Xue Yuning and just counted them out.

Originally Jiang Hao and Xue Yuning were still talking and laughing, but when they suddenly saw Feng Pingping, these two couldn't help but be stunned.

'Why are you here?' Jiang Hao asked with a tight frown.

Feng Pingping sneered and said smugly, 'And how am I here, have you forgotten how I got in before? Hey, in the end, I still have to thank you guys, if it wasn't for your tickets, I wouldn't have been able to get in, and I wouldn't have been able to sit in such a good seat!'

Feng Pingping turned her words around, looked at Jiang Hao and Xue Yuning, and suddenly questioned, 'But I am curious, how did you guys get in again? You didn't really sneak in when no one was looking, did you?'

Jiang Hao looked at the other party, originally he was going to say that he had entered with a ticket, but since Feng Pingping said so, Jiang Hao simply smiled badly in his heart, just to see what else this Feng Pingping could get up to later.

'Yes, you're right, I just snuck in!' Jiang Hao smiled and said, 'What, does it feel very surprising?'

When Feng Pingping looked at Jiang Hao's playful expression, she was furious and her teeth itched.
