

Super Rich Dad Chapter 257-258

Chapter 257 - An accident?

A few moments later, Gao Shun knocked on the door of the platform box where Jiang Hao was.

‘Young Jiang, Miss Yu Ning, it’s almost ready down there, you two can go down now.’ Gao Shun said with an accompanying smile.

Jiang Hao nodded, ‘Then I’ll trouble General Gao.’

‘Hey, that’s what you’re saying, Mr Jiang, isn’t it all our share of duty?’ Gao Shun smiled and extended his hand, ‘You two come with me, I’ll take you there.’

Soon, Gao Shun led Jiang Hao and Xue Yuning to the seat carefully prepared for them in the front row.

When Jiang Hao saw that position, he couldn’t help but stare, ‘How come there’s a sofa here and here?’

Jiang Hao was a little surprised to see that everyone else had fixed seats, but only his and Xue Yuning’s position was a double sitting sofa.

Gao Shun hurriedly smiled, ‘Hey, it’s all for you and Miss Yu Ning, do you think it’s still satisfactory?’

To be honest, Jiang Hao felt a little uncomfortable with this.

He didn’t like fanfare and neither did Xue Yuning, so he had wanted Gao Shun to just casually arrange two seats for them in the front row, but now he was making it so maverick.

With such seats, even sitting here, Jiang Hao felt uncomfortable.

Jiang Hao looked at Xue Yuning and found that he had also skimmed his lips, so it was clear that the two of them had thought of the same thing.

However, Jiang Hao did not want to toss it, after all, people were kind enough to give you the top position above, but you did not do it and wanted to come below, and now they have made such a position for you, if you are still not satisfied, it is a bit shameless.

The actual fact is that you will be able to get a lot more than just a few of these.

The actual fact is that you can dismiss someone’s good intentions once, and if you dismiss them a second time, that’s really something that you can’t say.

Jiang Hao smiled and whispered to Xue Yuning, ‘How about this, let’s just sit here.’

Xue Yuning smiled and nodded her head as well, 'Okay, if you say it's okay.'

Jiang Hao gave a hmp and turned to Gao Shun, 'Well Mr. Gao, this is quite good, thank you very much Ke.'

When Gao Shun heard this, he was relieved and hurriedly said, 'You're too kind to say that, Mr Jiang, just as long as you're satisfied.'

At that moment, Gao Shun's phone rang, he picked up and simply said two words, and hurriedly turned to Jiang Hao and said, 'Aiya Jiang Shao really sorry, I have to go to the backstage, there is something urgent that I need to deal with, you sit down first, I'll be right back.'

'No problem, Mr Gao, if you have something to do, just go and get busy. We're fine here.' Jiang Hao said with a smile.

Having said that, Gao Shun left, and before he left, he took a special glance towards Fang Pingping's seat, frowned and asked the person beside him, 'Where's that woman? Why is she gone?'

The staff member also looked at Feng Pingping's seat and said, 'I think she went to the bathroom, what's wrong Mr. Gao?'

Gao Shun exhaled and instructed, 'You guys must keep an eye on that woman later, she is a prick, don't let her disturb Miss Jiang and Miss Yu Ning watching the concert later, if she dares to cause trouble, have the security guards kick her out!'

The staff member nodded heavily, 'Yes, Mr. Gao, don't worry, I'll arrange it now.'

Not long after, Feng Pingping slowly walked back from the bathroom not far away, the innermost part of her seemed to be muttering something unhappily.

She glanced up towards her seat and was suddenly stunned.

It was because she suddenly saw that on the seat where she had been cleared earlier, there were actually Jiang Hao and Xue Yu Ning sitting there.

'What the hell? How did they get in?' Feng Pingping's brow furrowed in disbelief.

When she saw Jiang Hao and Xue Yu Ning, she was furious and hurriedly walked over in a huff.

'Hey, how did you guys get in here, hurry up and get up!'

Feng Pingping indiscriminately pointed at Jiang Hao and Xue Yuning and just counted them out.

Originally Jiang Hao and Xue Yuning were still talking and laughing, but when they suddenly saw Feng Pingping, these two couldn't help but be stunned.

'Why are you here?' Jiang Hao asked with a tight frown.

Feng Pingping sneered and said smugly, 'And how am I here, have you forgotten how I got in before? Hey, in the end, I still have to thank you guys, if it wasn't for your tickets, I wouldn't have been able to get in, and I wouldn't have been able to sit in such a good seat!'

Feng Pingping turned her words around, looked at Jiang Hao and Xue Yuning, and suddenly questioned, 'But I am curious, how did you guys get in again? You didn't really sneak in when no one was looking, did you?'

Jiang Hao looked at the other party, originally he was going to say that he had entered with a ticket, but since Feng Pingping said so, Jiang Hao simply smiled badly in his heart, just to see what else this Feng Pingping could get up to later.

'Yes, you're right, I just snuck in!' Jiang Hao smiled and said, 'What, does it feel very surprising?'

When Feng Pingping looked at Jiang Hao's playful expression, she was furious and her teeth itched.

Chapter 258 - I know them

'You really dare to admit it!' Feng Pingping said furiously, 'Do you believe it, if I go over there and call out, someone will immediately come and beat you out? Shit, I've never seen such a brazen person, sneaking in and still daring to strut around like that!'

Feng Pingping paused and continued, 'And you are too reckless, do you know what kind of place you are sitting in? Don't you open your dog eyes and take a good look, don't you notice that this seat is different from the others?'

Jiang Hao laughed in his heart, thinking that this Feng Pingping was really brainless, she really believed it even though she had said it casually.

Jiang Hao smiled and thought to himself that since this was the case, he would simply play along and have a good time.

Anyway, he hadn't settled the score with this Feng Pingping, so he could take this opportunity to settle the old score with her.

Jiang Hao let out a big smile, with a face of indifference, and said to Feng Pingping, 'Fine, you go and call, don't worry, we won't move, we'll wait for you to call.'

Jiang Hao's expression of what you can do to me really made Feng Pingping's anger rise, she gritted her teeth, pointed at Jiang Hao and shouted, 'Fine, you can be a poor bastard, wait for me, I'll let you be proud of yourself for a while, I'll see if you can laugh later! Don't leave if you have the guts, wait for me!'

After saying this, Feng Pingping turned around and walked towards a staff member not far away.

As he watched Feng Pingping leave, Jiang Hao smiled and gave Xue Yuning a glance, unable to help but shake his head and laugh bitterly.

This Feng Pingping was simply stupid, she had already come in and was already sitting here, and she still hadn't reacted?

She herself said that this seat was prepared for two big shots, if she had sat here without permission, the staff under Gao Shun would have exploded by now, how could it be your Feng Pingping's turn?

But since the other party made a fool of themselves, the page couldn't blame themselves.

Jiang Hao smiled in his heart, now, of course, Jiang Hao is not afraid that things will get bigger, on the contrary, the bigger the truth is, the happier Jiang Hao will be, because in the end, there will certainly be no need to take action themselves, there will be people who want to punish Feng Pingping.

Feng Pingping walked up to the staff over there, pulled the other side roughly and said disdainfully, 'Hey, are you guys blind? How do you do things?'

This staff member was none other than the little head that Gao Shun had just instructed him to keep an eye on Feng Pingping before he left.

That staff member was still busy with other work at hand, but suddenly he was pulled by Feng Pingping and scolded, so his heart was suddenly flushed with anger.

And once he saw that the person who scolded him for being blind was Feng Pingping, he became even more furious.

'What did you say?' The little staff leader's face turned stern and he said in a stern tone, 'Do you dare to say another word?'

Feng Pingping saw that the other party seemed to be about to get angry, so she suddenly had some restraint and was a little embarrassed.

'You you are fierce what you are fierce, I am here to report to you, don't be ignorant of the situation!' Feng Pingping said.

The little head of the staff laughed at that, 'You? Reporting back to me? Don't be ridiculous, okay?'

In this person's opinion, Feng Pingping was such a prick, as long as she didn't cause any trouble, then she would be lucky to report on the situation, she didn't seem to be that kind.

'What do you mean?' Feng Pingping's face was full of displeasure, 'I'm telling the truth, are you guys really having a problem with your eyes, the seat you have prepared for some big shot has been taken by someone, do you know that?'

As soon as he heard this, the little head of the staff suddenly had a sunken face and became nervous.

He had some urgent matters on his hands just now, so he hadn't really looked towards Jiang Hao's side for a while.

It couldn't be that something had really happened in such a short while, could it?

This guy's heart immediately hung in the air, because he knew very well that if anything happened to Jiang Hao's side, Gao Shun would probably have to kill himself later.

Seeing the unnatural look of nervousness on the other guy's face, Feng Pingping was instantly smug.

‘Oh, how’s that, scared now? I’ve come to tell you with good intentions, and I’ve been treated so badly.’

Feng Ping Ping counted off her words with glee, but the little head of the staff didn’t even listen to her, rushing to push all the matters at hand to others and rushing to Jiang Hao’s side on her own.

Seeing this, Feng Pingping couldn’t help but become even happier, and even muttered under her breath, ‘Oh, a pair of poor bastards, I’ll see if you’re still foolish this time, pretending to be foolish with me, you’re dead this time!’

Having said that, Feng Pingping also hurriedly followed the little head of the staff and ran directly towards Jiang Hao’s side.

Soon, the two of them arrived at the front.

Feng Pingping couldn’t care less about her panting and hurriedly pointed at Jiang Hao and said, ‘You see, it’s them two who have taken over this place, I’m telling you, I know them both, these two are a pair of scoundrels, poor bastards!’
