

Super Rich Dad Chapter 344-346

Chapter 344 - Going to Su Junting's house

Feng Pingping was trembling, she had just been beaten up so badly that she couldn't take any more of Liu Qiang's beatings, her whole body was terrified!

Liu Qiang spat at her and coldly snorted, 'Damn it, how dare you ask me what I'm doing? Look what you've done, do you know that you almost got me killed?'

Feng Pingping shook her head like a rattle and apologised, 'I didn't know, Brother Qiang, I didn't even know that Jiang Hao was a rich kid, I just thought he was a poor loser.'

'Pa,' Liu Qiang greeted Feng Pingping with a slap without saying a word, directly knocking her dizzy.

'You don't know? He and his girlfriend went to the same school as you, you don't know he's a rich kid? Who are you fooling? I doubt you did the game on purpose, just to cheat me out of my money!' Liu Qiang scolded.

'No, I really didn't, how dare I, Brother Qiang, I really didn't know, I swear, if I dare to lie to you, I'll be struck by lightning'

'Who the hell believes you!' Liu Qiang kicked over and cursed, 'I've spent more than 100,000 before and after, not only did I not get to sleep, but I almost got killed. You tell me!'

Feng Pingping was crying and shaking her head, 'I don't know, why don't I go and ask Xu Qingqing for the money back?'

'Ask for it!' Liu Qiang scolded, 'If you go to ask for the money, people will be angry with me later, you still want to kill me, don't you?'

Feng Pingping was at her wits' end, crying miserably, 'What should we do then, Brother Qiang?'

Liu Qiang was so angry that he paced in place twice: 'What to do, how do I know what to do, but I can't let my money go down the drain for nothing, right?'

Liu Qiang twisted his head to look at Feng Pingping, cold hum: 'This is all your fault, you have to get this money, as well as my losses today, and the moral damages so, I do not care how much you want, you finally return me 800,000, we today's matter will be written off, if you dare not give me, you do not blame me not polite, my tactics, I think you are also clear!'

Liu Qiang looked at Feng Pingping and sneered, 'Usually I don't give you less money, I'll give you a week, if I don't see 800,000 within a week, then don't blame me for not being polite!'

After he finished speaking, Liu Qiang turned around and was about to leave.

And when Feng Pingping heard this from him, her whole body was dumbfounded.

‘Eight hundred thousand? Brother Qiang, don’t go, please spare me, where can I get this 800,000 yuan, even if I sell myself, I can’t get this 800,000 yuan!’

Feng Pingping was almost desperate and rushed up to hug Liu Qiang’s thigh.

Of course, Feng Pingping knew exactly what she could do, although she had recently stolen Jiang Hao’s concert tickets and had made a large sum of money from the Xu Qingqing affair.

But even so, this money, plus the money she had saved up before, added up to more than 100,000 ah, Liu Qiang wants 800,000, the remaining 700,000, where would she get it? And still a week’s time?

This was almost an impossible task for her.

But if she wanted to complete it, that was her own business, Liu Qiang didn’t care about that.

For one thing, he was really angry today and wanted to find a place to vent his anger.

Secondly, it was also because this Feng Pingping had really screwed himself and Liu Qiang would not feel comfortable if he did not pick up a layer of skin on her.

He didn’t care if Feng Pingping could get 800,000 yuan in the end, if she did, it would be best, but if she couldn’t, then she would be punished by herself.

‘I’m telling you, I’ll give you a week, once the week is up, I’ll definitely send someone to find you, and you won’t be able to sneak away, how powerful my ears are, I think you also know, if you escape and I catch you, what will happen to you, I guarantee you don’t even want to think about it!’

Having said that, Liu Qiang turned his head and left.

And Feng Pingping, who had been kicked to the ground, her whole body was in despair.

What should she do by herself? Eight hundred thousand, even if she secretly sold her parents’ house, she still couldn’t raise that much money, right?

But she knew very well that she could not refuse to pay the money, and if she did not, Liu Qiang would not let her go.

If she didn’t pay, Liu Qiang would definitely not let her go, not to mention the fact that the thugs under Liu Qiang would probably eat her up.

Thinking of this, Feng Pingping felt shuddering. She suddenly regretted doing these things and hooking up with someone like Liu Qiang.

In the past, she felt that it was a great honor to hook up with a young master like Liu Qiang, but now she completely understood that this was no honor at all, it was simply a black hole that she would be swallowed up by him sooner or later.

On the other hand, Jiang Hao, who had left the hotel, did not return to school directly by car.

Xu Qingqing had an injury and needed to go for treatment.

Originally Xue Yuning had suggested going to the hospital, but Jiang Hao suddenly thought of something, so he informed the driver and headed for the clinic at Su Junting's house.

Chapter 345 - I'll help you

Sitting in the car, Xu Qingqing's body was still shaking from time to time.

It was obvious that today's incident had hit her hard, and up until this moment, she could not even believe that she had been saved.

Xue Yuning, on the other hand, had been comforting her from the side.

But what Xue Yu Ning was even more curious about was why Xu Qingqing had done such a thing.

'Xiao Qing, could it be that Di is short of money?' Xue Yu Ning frowned and hesitated for a long time before asking.

Xu Qingqing still had tear cream hanging from the corner of her eyes, and when she heard this, her tears once again flowed uncontrollably.

She nodded her head and told Xue Yu Ning the whole story, then her whole body flung itself into Xue Yu Ning's arms and cried out.

When Xue Yu Ning heard this, she couldn't help but sigh and said with some urgency, 'Silly girl, you are so short of money, why didn't you tell me? You'd rather go and do such a thing than tell me, are you sure as your good sister or not?'

When Xue Yu Ning heard what Xu Qingqing had told her, she was both a little angry and a little heartbroken for her best friend.

It seemed that she was indeed at her wit's end and had come up with such a solution.

Xue Yuning gave Jiang Hao a pleading look, and the meaning was clear in her affectionate gaze.

Of course, Xue Yuning did not have the ability to help Xu Qingqing herself, but Jiang Hao did.

Xue Yuning also knew that she should not ask Jiang Hao for help in this matter, but what could she do? She simply did not have the ability to help Xu Qingqing herself.

'Jiang Hao, why don't you lend some money to Xiao Qing? Look at her,' Xue Yuning said with some embarrassment, gritting her teeth.

Only before Xue Yu Ning could finish her sentence, she was interrupted by Jiang Hao with a raised hand.

'I know Yu Ning, you don't have to say anything.' Jiang Hao looked at Xu Qingqing and asked, 'Xiaoqing, how much more money is needed for your father's illness?'

'For the preliminary surgery, about eighty thousand, and for the later treatment.'

Jiang Hao nodded, 'Okay I know, give me your bank card number later, I'll transfer the money to you first, your father's treatment is important, don't worry about the rest, we're here!'

Hearing Jiang Hao's words, Xu Qingqing couldn't help but be a little surprised and even more filled with gratitude.

After all, she and Jiang Hao had only met a few times before and after, and they were not considered friends at all, it was all because of Xue Yuning's relationship that they had contact with each other.

So, Jiang Hao was going to lend her money just for that?

Xu Qingqing was a bit flattered and didn't know what to say.

'I' Xu Qingqing was at a loss for words to express her gratitude and was moved beyond words.

'Alright Qing, don't say anything to thank you, Jiang Hao is capable of this, so don't have any psychological burden.'

Xu Qingqing was moved to tears and said excitedly, 'Thank you, thank you Jiang Hao, and Yu Ning, I will never forget your great kindness for the rest of my life, don't worry, this money is considered a loan from me, in the future I will pay you back this money even if I break the pot and sell iron!'

Jiang Hao smiled and waved his hand, 'It's alright, I'm not in a hurry, you can get through this first before you think about anything else, if you still have any problems, you can just give me a call, since you're Yu Ning's friend, that's my friend, I'll do my best to help you.'

Jiang Hao's words warmed Xu Qingqing's heart, and she suddenly remembered the feeling that had arisen in her heart when Jiang Hao suddenly appeared earlier

But very quickly, Xu Qingqing suppressed that feeling, because she knew very well what that feeling was, but Jiang Hao was Xue Yuning's boyfriend and had helped herself, so how could she have that kind of non-thought?

Thinking of this, Xu Qingqing bit her own lips and silently turned her head to the side, trying to keep herself from looking at Jiang Hao or thinking about other things.

Soon, the car stopped in front of the main entrance of Su Junting's clinic.

Jiang Hao looked at the clinic and couldn't help but have the scene of the last time he saw Su Junting come back to his mind.

That time everyone seemed to have had a bad time, and although Jiang Hao had proved his identity in the end, the distance between himself and Su Junting seemed to have been pulled apart for a good long time with the exposure of his identity.

‘What’s wrong Jiang Hao?’ Xue Yuning assisted Xu Qingqing out of the car, looked at the dazed Jiang Hao and asked, ‘Jiang Hao, where is this place? Why didn’t you go to the hospital and bring us here?’

Jiang Hao came back to his senses and scratched his head, ‘This is the clinic of a friend of mine, come on, let’s go in.’

Su’s clinic wasn’t very big, but it was very famous in the neighbourhood.

For one thing, Su Zhenye’s medical skills were indeed superb, and for another, the location was good, as the neighbourhood was a high-class district, so the rich people spread the word one by one, and eventually Su Zhenye’s clinic’s reputation spread far and wide.

As soon as Jiang Hao entered, Su Zhenye, who was still busy with his work, immediately saw Jiang Hao and rushed to welcome him.

‘Aiyaa, so it’s Jiang Shao.’ Su Zhenye was full of smiles and his attitude towards Jiang Hao was nothing short of respectful.

However, since the last incident, Jiang Hao’s impression of Su Zhenye had plummeted quite a bit, and he just casually dealt with it, opening his mouth and asking, ‘Where’s Jun Ting?’

Chapter 346 – The man trailing Su Junting

‘Oh, Junting went out with her friend, why do you want to find her? I’m going to call her and tell her to come back’, Su Zhenye was about to pull out his mobile phone after he finished speaking.

Jiang Hao hurriedly waved his hand and said, ‘No, no, no, no, Dr. Su, I came here today because my friend was injured and wanted to come to your place to see if Junting was there, it doesn’t matter if she’s not there.’

Su Zhenye smiled and hurriedly nodded, dropping his gaze on the two girls beside Jiang Hao.

Ever since the last incident, Su Zhenye had actually been looking forward to the day when he could set up Jiang Hao and Su Junting.

After all, even Zhao Jiuyuan’s kind of character was courteous to Jiang Hao at that time, if he could finally have a son-in-law like Jiang Hao, then I am afraid that no one would dare to bully his family in Chujiang in the future.

Su Zhenye, who has always been cautious and afraid of things, has changed his temperament after the last incident. He is really afraid of what he would have done if Jiang Hao hadn’t been there last time, and his family might have been ruined.

So this also made him realise one thing, that is, he had to find a backer no matter what, so that he would not be afraid of anything anymore.

But when he looked at Xue Yu Ning and Xu Qing Qing, his heart suddenly went half cold.

It was because these two girls seemed to be close to Jiang Hao, and the looks and temperament of the two were even above the level.

Especially Xue Yuning, although she didn't wear makeup or dress up, that innate, noble and unique aura that radiated from her bones was simply enough to crush most girls.

Even his own daughter might be slightly inferior to Xue Yuning.

If Jiang Hao had such a girl by his side, would his daughter still have a chance? Su Zhenye thought wildly in the back of his mind.

'Doctor Su?' Jiang Hao reminded, 'What's wrong with you?'

Su Zhenye hurriedly collected his thoughts and smiled awkwardly, 'Nothing, nothing, I'm going to show your friend his injury.'

Su Zhenye gave Xu Qingqing a careful look before turning his head to Jiang Hao, who was waiting at the side, 'Jiang Shao, your friend is fine, it's just a superficial injury, put some medicine on it later, it will heal soon, don't worry about it.'

Jiang Hao nodded and smiled, and said, 'Then please trouble Doctor Su, please prescribe some medicine, I'll go and settle the bill.'

After saying that, Jiang Hao was about to run to the clinic's cashier.

Su Zhenye hurriedly went to pull Jiang Hao back.

How could he dare to take Jiang Hao's money, and he was not willing to take Jiang Hao's money either.

Su Zhenye hurriedly smiled and said, 'Jiang Shao, how can this be good? I am just doing my best, not to mention that I don't have much money.'

Only Jiang Hao really did not want to take advantage of Su Zhenye and insisted on giving it.

As the two were going back and forth, suddenly the door of the clinic was pushed open.

A man and a woman walked in, one in front and one behind.

The woman walked at the head, her face a little unpleasant, while the man behind hurried to catch up, chasing after her while calling the other man's name out of his mouth.

'Junting, Junting you wait for me.'

The person who entered was no other than Su Junting.

And after not seeing Su Junting for a while, Jiang Hao couldn't help but stare at the sight of this former good friend again, because Su Junting seemed to have haggardly looked quite a bit.

‘Junting?’ Jiang Hao involuntarily blurted out and called out for Su Junting.

Su Junting froze for a moment, and when she saw Jiang Hao, a hint of surprise suddenly appeared on her originally expressionless face, and at that moment, Su Junting’s dull gaze also seemed to be instantly animated, and her whole body seemed to subconsciously become excited.

But only for a moment, Su Junting seemed to have deliberately suppressed the excitement again.

She gathered up her expression and deliberately grimaced a little as she said to Jiang Hao, ‘Well, you’re here.’

Jiang Hao hurriedly showed a smile to Su Junting, ‘Yes, I brought a friend to see his injuries, and I just happened to come over to see you.’

Su Junting only gave a faint oh, somewhat as if she couldn’t get enough of it, looked at Jiang Hao again, biting her lip and said, ‘Then you go ahead and get busy, I’m going in.’

Jiang Hao had a lot of things he wanted to say to Su Junting, but they were all stuck in his throat at once, and he looked a bit wretched.

Seeing this, Su Zhenye hurriedly called out to stop Su Junting, ‘Junting, stop right there, where are you going? Jiang Shao is a guest, what kind of attitude is that? Hurry up and apologise to him!’

Su Junting stopped in her tracks, looked at Jiang Hao and then at her father, and said indifferently, ‘I’m not feeling well, sorry, I’ll go in first.’

After she finished speaking, Su Junting turned around and was about to walk towards the inside of the clinic.

Inside the clinic, there was a separate rest room, and it was there that Su Junting was going to go.

But the moment Su Junting turned around, she was violently pulled by someone, and then her whole body was yanked and stumbled.

The boy who followed Su Junting into the door seemed to be a bit furious and pulled Su Junting away from her, shouting, ‘Su Junting, you ignored me when I shouted at you, but people can hear you when you talk to them? What do you mean!’
