Chapter 3541

Sheng Jiahui listened to everyone's discussion, her face was extremely cold, and she suddenly said loudly, "Shut up, everyone. I brought people here today to have a good talk with my second uncle about where our Sheng family should go from here."

After hearing Sheng Jiahui's anger Drink, and everyone else shut their mouths.

"Jiahui, whatever you want to talk about, you can talk about it in front of everyone in the Sheng family..."

Sheng Tiantai said calmly!

"Okay, I want to ask my second uncle, why are my dad and my brother locked up? Why do you want to kill the great elder?"

"Do you want our Sheng family to join the Demon Sealing Alliance? Do you want to Want to seek the position of head of the Sheng family?"

Sheng Jiahui asked several questions in a row, each question was very sharp!

Everyone in the Sheng family was stunned when they heard Sheng Jiahui's words!

"What? The head of the family has been arrested? Isn't he in seclusion?"

"What's

going on?"

"Is the second master planning to rebel?"

Everyone in the Sheng family whispered!

Listening to Sheng Jiahui's question, Sheng Tiantai smiled faintly, "Jiahui, I can tell you right now, I locked up your father and brother solely for the development of the Sheng family!" "

Our Sheng family relies on magic talismans to gain a foothold. , but the overall strength is not very strong, not to mention in the heaven and human world, even in the entire Southern Territory, what does our Sheng family count?" "

If you want the Sheng family to develop and grow, you must seek cooperation. What's wrong with cooperating with the Demon-Sealing Alliance?"

"I think a large part of our Sheng family wants to cooperate with the Demon-Sealing Alliance."

Sheng Jiahui was stunned. She didn't expect that Sheng Tiantai didn't even pretend to be pretentious anymore and just said Admitted!

This was a bit beyond her expectations!

"Even if we want to cooperate with the Demon Sealing Alliance, it must be decided by everyone in our Sheng family, and it is not the reason why you forcefully imprisoned my father and brother and killed the great elder." "

You release my father and brother now . , if most of the Sheng family wants to join the Demon Sealing Alliance, we will never stop thembar. "

Sheng Jiahui now wants Sheng Tiantai to release his father and brother first!

As for joining the Demon-Sealing Alliance, when his father is released, he will naturally have a way to deal with it!

"Hahaha, your little calculations are beyond me. You can hear it all here!
Sheng

Tiantai suddenly laughed, then looked at everyone in the Sheng family and asked, "I want to take the Sheng family to join the Demon Sealing Alliance. Are you willing to support me?" "

Everyone in the Sheng family looked at each other, and no one dared to speak!

The situation is not clear at all now, and these Sheng family members don't know whether they should support it!

But then an old man with a slight hunchback and a thin body walked in from outside!

” I don’t agree to join the Demon-Sealing Alliance. As the second master of the Sheng family, you should support the family leader’s decision. Unexpectedly, you secretly imprisoned the family leader and secretly wanted to join the Demon-Sealing Alliance. “

This is the Sheng family for all of us, not for you Sheng Tiantai alone...”

The old man’s voice was loud and his eyes were angry!

The old man is the chief steward of the Sheng family. Although he is not a member of the Sheng family, he is in the Sheng family. I have served the head of the family for several times!

“Uncle Long...”

Sheng Jiahui was immediately happy when she saw the old man, and her eyes became moist!

“Miss, don’t worry, I didn’t know that such a big thing happened to the Sheng family. , as long as my old man is still alive, the Sheng family will not be allowed to cooperate with the Demon-Sealing Alliance. This is a rule set by the head of the family, and no one can break it! “

Long Bo comforted Sheng Jiahui!

When Sheng Tiantai saw the old man coming in, his face finally stopped being calm and turned a little ugly!

“I don’t agree to cooperate with the Demon Sealing Alliance either. It’s better to release the head of the family first.

“Yes, release the head of the family and discuss other matters! “

“Release the master of the house! ” “

After seeing Long Bo, everyone in the Sheng family began to support Sheng Jiahui overwhelmingly!

It can be seen that this Long Bo has a high status in the Sheng family!

Chapter 3542

Sheng Tiantai stood up slowly and saw everyone clamoring to release Sheng Bushi, so he nodded and said, "Okay, then I will release the eldest brother and decide on this matter..."

After saying that, Sheng Tiantai slowly walked down from the main seat and walked towards Go to the door of the hall!

But just when Sheng Tiantai walked to the door of the hall, a cold light suddenly flashed in his eyes, and a hand was inserted into his arms!

Then a talisman was taken out and he shouted "Explosion..." Boom

!

Suddenly a large amount of red smoke filled the hall, and Sheng Tiantai took the opportunity to rush out of the hall and closed the door directly!

"Xuehongsan, so despicable..."

someone shouted!

The door was soon kicked open, and everyone in the Sheng family rushed out of the hall!

But everyone's face was very ugly, and cold sweat broke out on their foreheads!

They only feel that the spiritual power in their bodies is draining rapidly. Even if they stand for a while, they feel very tired!

Sheng Tiantai did not run away, but stood quietly in the yard waiting for everyone!

Because at this time everyone has been hit by the blood-red powder and has lost all their spiritual power, so they have nothing to fear!

"Sheng Tiantai, you are so despicable, you actually used this poison on your own people..."

Long Bo glared at Sheng Tiantai and said through gritted teeth!

“Hahaha, the winner is king and the loser is a thief. Now you are all in my hands. Submit to me obediently and support me. I can give you the antidote.”

“Let me

tell you, I have sent someone to notify you. The Demon Sealing Alliance will soon send people to the Sheng family. If you wake up now, you can still save your lives.” “

If the people from the Demon Sealing Alliance arrive, then don't blame me for not giving you a chance to survive!”

Sheng Tiantai Laughing unscrupulously!

After hearing Sheng Tiantai's words, everyone in the Sheng family gritted their teeth, but there was nothing they could do.

They don't even have the strength to move now, let alone follow Shengtian Taidou!

“This guy actually got blood-red powder, It seems that he has already colluded with the Demon Sealing Alliance. “

Bai Qian said angrily!

“What is this blood-red powder? “David looked at everyone looking weak, but he didn't seem to feel anything!

“This Xuehong Powder is a kind of poison among the demons. No matter how strong a person is, he will be poisoned by the Xuehong Powder. He lost his spiritual power in an instant and his body became extremely weak. “

However, if you take the antidote in time, there will be no serious problems. However, if you do not take the antidote in time, your body will be damaged. You may never be able to practice again in the future, and in serious cases, you may even lose your life.” “

Bai Qian followed David and explained!

“It seems that this guy is really a beast. Even his own people use this kind of poison. “

David couldn't help but cursed!

"Mr. Chen, I'm sorry, it's me who has caused you trouble..."

Sheng Jiahui apologized to David with a face full of shame!

If it weren't for the affairs of their Sheng family, David and the others would not be in this situation. Situation!

"Miss Sheng, it's just blood and blood, don't be too nervous. "

David smiled slightly!

When Sheng Jiahui heard this, she looked at David with a strange face. She found that David looked very relaxed at the moment, as if he was not poisoned!

Bai Qian also looked surprised, "David, are you not poisoned? ?

"Mr. Chen, if you are immune to all poisons, how can you be poisoned? " Ji

Yun said on the side!

Seeing that David was not poisoned, Sheng Jiahui became happy!

"I will give you ten minutes to think about it now. Those who are willing to surrender and support me can come over now." "

Sheng Tiantai glanced at everyone in the Sheng family and said!

Everyone in the Sheng family gritted their teeth, but no one moved towards Sheng Tiantai!

However, Sheng Tiantai was not in a hurry, and waited quietly with a sneer on his face!

"Can I support you? "

At this time, David walked out of the crowd and walked towards Sheng Tiantai!

Chapter 3543

Sheng Tiantai glanced at David, and said with disgust in his eyes, "You are not from our Sheng family, supporting me is useless."

"You want to get ahead, now you are waiting to become a useless person..."

Sheng Tiantai looked down upon him at all . David, even if David compromises, he can't give David the antidote!

"A useless person? Are you talking about such a useless person?"

M. **MoDTw**.LaChen

Ping smiled lightly and suddenly took action against Sheng Tiantai!

David just slapped him away, and Sheng Tiantai was instantly slapped away, his face swollen into a pig's head!

"You...how can you still do it?"

Sheng Tiantai covered his face, his eyes full of disbelief!

"Do you think a little poison can make me lose all my power? What a joke!"

David raised his lips, "Now take out the antidote, release Master Sheng, and then kneel down and sincerely repent, you may still be able to survive. "

Sheng Tiantai's eyes were full of ferocity, and he snorted coldly, "Boy, are you talking in your sleep? Don't you dare to kill me?" "

I tell you, no one can undo the poison on them except me. If you kill me, they will all become useless!"

Sheng Tiantai knew that David did not dare to kill him, that's why he did this!

"You are quite confident. Who said that you are the only one who has the antidote to this poison? You don't even imagine that since I can avoid being poisoned, can't I be able to undo it?"

David said with a sneer!

“Boy, you don’t have to pretend here. Although I don’t know how you didn’t get poisoned, but if you want to undo the poison on these people, that’s just wishful thinking.”

Sheng Tiantai is not stupid. Although David is not poisoned, But it doesn’t mean that David can detoxify!

“Since you don’t believe it, let me try it for you...”

After David finished speaking, he looked at Ji Yun and said, “Ji Yun, come here...”

Ji Yun nodded, dragging his extremely tired body and slowly walked to David!

Ji Yun looked like he was poisoned at first glance, and David tapped several acupuncture points on Ji Yun’s body, and found that Ji Yun spit out a mouthful of black blood, and he looked much more energetic!

When Sheng Tiantai saw this scene, his face instantly became very ugly!

He didn’t expect that David could actually detoxify!

But soon, Sheng Tiantai seemed to have thought of something and burst out laughing, “Boy, you don’t have to lie to me. If you could detoxify, you would have killed me long ago. You just used your spiritual power to temporarily suppress his body.” “

I don’t believe that you can suppress so many people with your spiritual power. Even if you know how to refine the antidote, there is no fairy grass here, so there is nothing you can do.

” All you can do is to kneel down and beg me and surrender to me, otherwise it won’t be long before you all become disabled even if you take the antidote.”
Listening to

Sheng Tiantai’s words, David said with appreciation, “Very good. , I originally thought the villains were all fools, but I didn’t expect you to be very smart.”

“Hmph, if my father wasn’t biased, the position of head of the Sheng family should be mine. With my intelligence, I will definitely make the Sheng family prosperous. “

Sheng Tiantai received David’s praise and actually started bragging!

“You said you have a cough, and you are still breathing. Then I will let you see if I can refine an antidote.” After

David finished speaking, he flipped through the pages and the Shennong Cauldron appeared in the yard, and then from the storage A large amount of fairy grass was taken out from the material ring!

When he was in Huanglan City, David got a lot of fairy grass from the Medicine Lord!

Seeing the Shennong Cauldron and a large amount of fairy grass in front of him, Sheng Tiantai was a little dumbfounded!

He really couldn't figure out who this guy David was!

Even if you are proficient in magic, how can you still make elixirs?

Chapter 3544

Everyone in the Sheng family looked excited when they saw David taking out the cauldron and fairy grass!

This proves that David can really refine the antidote, and they don't have to become useless people, nor do they have to surrender to Sheng Tiantai!

“Mr. Chen is such an unpredictable person...”

Sheng Jiahui looked at David with very complicated emotions in her eyes!

“Little girl, have you fallen in love with David?”

Bai Qian asked beside Sheng Jiahui!

Sheng Jiahui's face turned red, “No... no, besides, there is a woman around Mr. Chen...”

“What if there is a woman? For a man like him, there are ten or eight women. It's normal. If you like it, you have to fight for it.”

“Tonight is a good opportunity...”

Bai Qian joked to Sheng Jiahui!

Sheng Jiahui blushed and lowered her head, not daring to speak anymore!

At this moment, David had already put all the needed fairy grass into the Shennong Cauldron!

“Even if you have fairy grass and know how to make elixirs, it’s useless. You can’t refine the antidote at all. This kind of blood-red powder is one of the top ten poisons in the demons. If you want to refine the antidote, you must use the demons.” It only takes the heat.”

Sheng Tiantai said loudly!

He knew that the antidote could be refined only after using demons, and David was not a demon at all, so he could not possess the demon’s ultimate fire.

“You still want to use Demon Race’s Ultimate Fire?”

David said pretending to be surprised!

“Huh, in the end, you still have to beg me obediently...”

Seeing David like that, Sheng Tiantai rekindled hope!

But then, something happened that shocked Sheng Tiantai!

I saw David snap his fingers, and a ball of flame jumped at his fingertips!

The flames turned red and were then thrown into the air by David.

The flames burst into flames, and the hot feeling instantly spread throughout the Sheng family residence!

“Is this the Demonic Fire you are talking about?”

David looked at Sheng Tiantai and asked with a smile.

Sheng Tian Taishuang Eyes wide open, he pointed at David in disbelief, “You...how do you know how to become a demon? Are you a demon cultivator?”

“You don’t care if I am a demon cultivator or not. I will make an antidote for you next.” !”

After David finished speaking, he directly threw the Demonic Ultimate Fire into the Shennong Cauldron, and the fairy grass instantly burned!

Along with bursts of medicinal fragrance, crystal clear pills began to appear one after another in the Shennong Cauldron!

It only took an hour for David to refine the antidote!

After the antidote was distributed, everyone in the Sheng family received the antidote!

After taking the antidote, everyone’s discomfort disappeared instantly, which made everyone extremely grateful to David!

“Fellow Taoist, you saved one of our Sheng family members. I, the Sheng family, can’t thank you enough...”

Long Bo looked at David with great gratitude and said!

“Mr. Chen, thank you...”

Sheng Jiahui walked up to David and thanked her, but when Sheng Jiahui looked at David, her face turned red!

David was still a little confused, wondering what happened to Sheng Jiahui!

He had no idea that Bai Qian had just teased Sheng Jiahui, making Sheng Jiahui’s heart flutter with love!

“Are you convinced?”

David looked at Sheng Tiantai and asked!

Sheng Tiantai’s face was gloomy and he did not answer David’s words!

When David wasn’t paying attention, Sheng Tiantai suddenly turned around and ran away!

“Still want to run?”

Bai Qian snorted coldly when he saw this, and reached Sheng Tiantai's side in a flash!

Before Sheng Tiantai had any reaction, he felt his legs weaken and fell to his knees directly on the ground!

Sheng Tiantai's legs were kicked off by Bai Qian!

David followed Sheng Jiahui and the others in pursuit!

"Second uncle, where are my dad and my brother? Where did you keep them?"

Sheng Jiahui asked Sheng Tiantai!

"Huh, kill me if you want. I won't say anything."

Sheng Tiantai knew that his biggest reliance now was the place where he was being held. If he said it, he would definitely not survive!

Chapter 3545

"You..."

Sheng Jiahui looked angry, but Sheng Tiantai was her second uncle, and it was not easy for Sheng Jiahui to do anything!

"You beast..."

Sheng Jiahui was reluctant to do anything, but Long Bo was not afraid. As the chief steward of the Sheng family, he had taken care of several heads of the family. He was not afraid of Sheng Tiantai at all, so he gave Sheng Tiantai a slap in the face!

"I'll let you speak for yourself."After

David finished speaking, he looked at Sheng Jiahui and said, "Miss Sheng, lock up your second uncle first, and then sit down and set up. I want to use It won't take long for the people from the Demon Sealing Alliance to arrive."

Since Sheng Tiantai sent people to invite the people from the Demon Sealing Alliance, David knew that the people from the Demon Sealing Alliance would definitely come!

Chen Pingyuan originally planned to stay for one night and then leave, but now if the Demon Sealing Alliance comes to deal with the Sheng family, the Sheng family may not be able to resist them!

“Okay, I’ll set it up right now!”

Sheng Jiahui sent someone to lock up Sheng Tiantai, and then began to set up formations around the Sheng family!

.....

Ye Cheng.

In the Ye Family Hall, Ye Liancheng and Elder Chu were talking about something!

“Master, the Sheng family in Fancheng has sent someone here...”

A servant walked in and said to Ye Liancheng!

When Ye Liancheng heard this, he immediately laughed, “Let him in, it seems like it’s done...”

“What’s going on?”

Elder Chu asked doubtfully!

He still doesn’t know about Ye Liancheng’s cooperation with Sheng Tiantai!

“Elder Chu, I have long said that the Sheng family will definitely take the initiative to join our Demon-Sealing Alliance.” “

Isn’t this the case? In fact, I have been in contact with Sheng Tiantai of the Sheng family for a long time.”

“Sheng Tiantai I am also willing to bring the Sheng family to join our Demon-Sealing Alliance. If I send someone here so late, I should have succeeded.”

Ye Liancheng said with a proud smile!

Just as Ye Liancheng was explaining with Elder Chu, Sheng Tiantai's confidant had already walked in with a storage bag.!

"Master Ye, our second master sent me to deliver this thing to Master Ye. I also hope that Master Ye can send someone to the Sheng family to help the second master control the entire Sheng family." The

visitor handed the storage bag to Ye Liancheng and said !

Ye Liancheng didn't say anything, but opened the storage bag, only to see the Sheng family's tokens inside, as well as several Sheng family hair magic secret books!

The most important thing is a picture, and what is drawn on this picture is the secret place of the Sheng family!

Sheng Bushi and Sheng Jiayue were imprisoned in this secret place!

Originally, this secret place was intended to be a hiding place when the Sheng family suffered a disaster!

And very few people know about this place. This is the most secret thing of the Sheng family!

Now Sheng Tiantai actually took the initiative to hand it over to Ye Liancheng!

"Hahaha, it seems that Sheng Tiantai is indeed trustworthy."

Looking at the things in his hands, Ye Liancheng laughed proudly!

After laughing, Ye Liancheng waved his hand and said, "Elder, please take a group of Ye family brothers and follow you to the Sheng family." "

If there are people in the Sheng family who are stubborn and do not join the Demon-Sealing Alliance, you can directly Kill without mercy..."

"As ordered..." The eldest elder of the Ye family nodded, and then led people to follow Sheng Tiantai's confidants to the Sheng family!

As for the strength of the Sheng family, Ye Liancheng was very relieved when he sent the elder. After all, the Sheng family was only good at studying spells and talismans, but was still lacking in realm strength!

This is why there are so few sects and aristocratic families in the world of gods and humans who practice spells and talismans!

It greatly affects the speed of cultivation and the improvement of realm. After all, human energy is limited. Practicing spells and talismans will reduce the time for realm cultivation.

There are very few all-round talents like David. Not to mention in the world of gods and humans, even in the entire universe, there are very few geniuses like David!

After the First Elder and the others left, Ye Liancheng held the map in his hand and said with a smile on his face, "Elder Chu, now I will take you to meet the head of the Sheng family. He is now a prisoner..."
