

The Charismatic Charlie Wade Chapter 1781 – 1785

Chapter 1781

Zhiyu was hurt by Charlie's attitude.

She looked at Charlie's profile, bit her lower lip vigorously, did not speak anymore, turned and left the courtyard with her brother.

The siblings staggered out, and Zhifei asked in a low voice, "Zhiyu, those ninjas were defeated by the young man just now?"

Zhiyu said solemnly: "It's not that young man, it's Grace."

Zhifei nodded in a hurry: "Well, it's Grace, so were those ninjas defeated by him with bare hands?"

"Hmm." Zhiyu said seriously: "I have never seen such a strong person...this is the first time..."

Zhifei smacked his lips and said, "It would be great if he could be included in the Su family and used for the future."

"Impossible." Zhiyu shook her head: "Grace has an arrogant personality and will definitely not be used by others, and he may be the top master of the hidden Sejong Sect. He may not put the Su family in his eyes."

Zhifei said angrily: "It's also...hey...thanks to your benefactor, otherwise the two of us will have to die in Kyoto..."

After he finished speaking, he was busy and said again: "By the way, Zhiyu, hurry up and call dad! This time we were kidnapped, the family must have sent a lot of masters

over, it is very likely that dad is here too! You have to let him know about us that we are in Kyoto, also ask him to quickly chop off Matsumoto b@stard! I really didn't expect it to be this b@stard who has been doing bad things behind our back!"

Zhiyu nodded and took out her cell phone too busy.

At this time, a burst of fire suddenly appeared behind them, turning the originally dark night into red!

Zhiyu hurriedly turned around, and saw that the two-story small building where they had almost died just now was ignited in an instant!

The wooden buildings burned, and there was a crackling sound of wood cracking, a bit like the sound of firecrackers. With this heavy snow, it also had a taste of Chinese New Year.

Zhifei touched his chin and asked Zhiyu: "Zhiyu, did you say those ninjas died?"

Zhiyu asked back: "Is it possible to survive such a big fire?"

Zhifei waved his hand: "I didn't mean that, I mean, did the benefactor kill them first and then set the fire, or did he just put them all in a pot?"

Zhiyu felt a bit of cold air coming out of her back, and immediately shook her head: "This kind of thing...I can't say it..."

After that, Charlie's figure appeared in her mind again, and she couldn't help muttering: "Benevolence, he... is not a mortal... I really want to know what his identity is."

Zhifei smiled and said: "If you want to know, let the family check it out. In the country, who else has a clue that we can't find?"

Zhiyu shook her head: "Benevolence obviously doesn't want us to know his identity. If we deliberately investigate, what if we anger him?"

Zhifei smacked his lips: "Oh, that's what I said..."

After that, he thought of Charlie's previous conversation with Iga Kamino and said, "By the way, when I was covered with my head just now, I heard En-gong tell the Iga family that he seems to be the Ito family Missy's friend?"

"Oh yes!" Zhiyu nodded and blurted out: "The reason why he came here is for Ito's daughter."

Zhifei said: "It seems to be called Nanako?"

"Yes." Zhiyu blurted out: "It's Nanako, a very beautiful girl, and she's also a martial artist."

Zhifei said in some gossip: "Hey, Zhiyu, do you think Grace is Nanako's boyfriend? Maybe he can even become Ito's future son-in-law. Let's cooperate more with Ito in the future. , More contact, maybe there is still a chance to see Grace."

Zhiyu heard this and suddenly became very uncomfortable.

She was extremely disappointed and asked: "Is Grace really Nanako's boyfriend? Grace is Chinese, why should he be with a woman from Japan? Shouldn't he fall in love, get married, or have children with a Chinese woman?"

Thinking of this, Zhiyu sighed faintly, and said: "Let me call Dad first..."

"Okay." Zhifei nodded, bent over and grabbed a handful of snow from the ground, and smeared it on his face, sighing with emotion: "Oh, the feeling of the rest of my life is really good..."

.....

Chapter 1782

Tokyo at this moment.

The chaos remains.

The TMPD has been driven mad.

First, the Su family's brothers and sisters were kidnapped and a dozen people were killed. Then the Takahashi family found several human popsicles. Then, Takahashi's son was burned alive in the car!

These few things, if you take out one of them, can be regarded as an annual criminal case.

However, in a very short period of time, one after another broke out in Tokyo!

Moreover, almost all the top big families are involved.

This is simply stepping the TMPD's face on the ground, and then repeatedly beating with a belt desperately!

Even worse, the TMPD has not found any useful clues.

A bunch of waste wood was almost digging three feet into Tokyo, and they still couldn't find a clue to the Su brothers and sisters. They didn't even know who did it, let alone where they were.

Therefore, the entire TMPD was collectively caught blind.

Zynn was about to lose patience.

The life and death of his son and daughter are still unknown, and his whereabouts are unknown, and he has to wait endlessly for the Rubbish of the TMPD. For him, it is simply the greatest suffering in his life!

Just when he was planning to contact the Japanese Ministry of Foreign Affairs directly to raise the matter to a major diplomatic incident, he suddenly received a call from a local Japanese mobile phone number.

After he connected suspiciously, he immediately heard Zhiyu's voice: "Dad, it's me! Zhiyu!"

Hearing his daughter's voice, Zynn's heart almost jumped out. He blurted out with excitement, "I know..."

At this time, Zhiyu on the phone hurriedly interrupted him and said: “Dad, is there anyone else around you? If there are, don’t let others know that I am calling!”

The human-like Zynn looked around. In addition to his own people, there are a few heads from the TMPD and even a few cabinet members, so he hurriedly changed his words: “Do you know me? Very busy now?! Hang up if there is nothing important, just say if there is something important!”

Zhiyu said: “Dad, brother and I are safe now. We have been rescued, but we are not in Tokyo, but in Kyoto.”

While Zynn breathed a sigh of relief, he couldn’t help but frown and look at the people from the TMPD.

At this time, he hated these idiots in his heart.

“These dumb donkeys! They vowed to tell me that the other party is very likely to hide in Tokyo, and it is unlikely that they will go out of the city!”

“Furthermore, they also said that they blocked Tokyo’s external traffic in time and set a strict check on all those who left the city, so the son and daughter are definitely in Tokyo. It just takes time to find them out!”

“The results of it?”

“People are in Kyoto, hundreds of kilometers away!”

“I really want to take a knife and engrave the word idiot on their faces!”

However, Zynn also knew that now is not the time to be angry, so he asked, “What do you need me to do?”

Zhiyu said: “Dad, don’t tell the people in the TMPD. I doubt their abilities, and they are likely to leak information, so I want you to send our own people to Kyoto. Pick me and brother.”

Zynn said immediately: “Okay!”

Zhiyu said: “Also, Dad! The kidnapper was Ryoto Matsumoto in Tokyo! He wanted to kill us and then blame Takehiko Ito, so he brought us to Kyoto!”

“What?!” Zynn’s tone suddenly became extremely gloomy: “It’s him?!”

Chapter 1783

Zynn had highly suspected that the man behind the kidnapping of his children should be Takehiko Ito.

However, the TMPD secretly monitored Takehiko, dug deep for so long, and found no clues.

At first, Zynn thought that the TMPD deliberately protected Takehiko, but now he knows that Takehiko really has nothing to do with this matter.

Not only is it okay, but it’s almost being blamed!

What Zynn did not expect was that the Master behind the whole incident turned out to be Matsumoto!

He didn’t even include him in the category of suspects!

It seems that this Ryoto Matsumoto is really sinister!

He was able to provoke so many incidents secretly, and it made the Ito family and the Takahashi family suspect each other, and the Su family concentrated their eyes on these two families!

Thinking of this, Zynn could not wait to devour Matsumoto’s life!

So he gritted his teeth and said: “I know everything you said, keep the phone open, and I will let the people under me contact you.”

Zhiyu hurriedly said, “Okay, brother and I are waiting in Kyoto.”

Zynn hung up the phone, stood up and said to the Tokyo Metropolitan Police Commissioner: "I have something to do, you go ahead."

The Chief of Metropolitan Police hurriedly asked, "Mr. Su, where are you going?"

"What does it have to do with you?" Zynn said in an unkind tone: "You still have to find a way to find my son and daughter, otherwise, I will call the Japanese Ministry of Foreign Affairs!"

The Chief of Metropolitan Police hurried forward and pleaded bitterly: "Mr. Su, you will give me the next 12 hours. Even if I turn Tokyo over these 12 hours, I will definitely find the son and daughter!"

After he finished speaking, he added: "Mr. Su, even if the Ministry of Foreign Affairs knows about it, they still submit the case to our TMPD. After all, the Ministry of Foreign Affairs is not a law enforcement agency, and they have no extra manpower to come. Do this..."

Zynn coldly snorted: "Then you guys hurry Don't linger here!"

After that, Zynn turned angrily and walked away.

After leaving the TMPD, his first sentence in the car was to tell his confidant next to him: "Josh, you will immediately take twenty people to Kyoto to pick up Zhifei and Zhiyu. I'll take a while. Give you a cell phone number, you can contact Zhiyu."

The middle-aged man is known as Josh, a confidant secretary who has followed Zynn for many years. Hearing Zynn's instructions, he immediately asked: "Master have you found the young master and the young lady?"

"Yeah." Zynn nodded: "They are fine, but the black hand behind the scenes is beyond our imagination!"

Josh hurriedly asked: "Master who is it behind the scenes?"

Zynn gritted his teeth and said, "It's Mr. Matsumoto! d*mn, dare to calculate on my son and daughter, this Matsumoto has enough life! With a bang, let everyone else know, before dawn, I want Ryoto Matsumoto's head!"

Josh's expression froze, and he immediately said, "Okay master, I'm going to order!"

Zynn rubbed his temples and said, "You let one of our planes fly to Osaka now. After you receive Zhifei and Zhiyu in Kyoto, you will directly send them to Osaka and let them return to China by plane. I'll take over the things in Japan!"

"Ok, master!"

.....

After a few minutes.

Chapter 1784

Nearly a hundred hidden masters of the Su family in Tokyo stopped secretly searching for Zhifei and Zhiyu. Twenty of them drove straight to Kyoto in the middle of the night, and the remaining nearly 80 people all started to follow Matsumoto. His mansion is surrounded by them now.

Matsumoto didn't even know that he was in the mouth of the disaster.

He checked the time and saw that it was already ten o'clock in the night, so he took out his cell phone and called Iga Kamino.

According to his plan, let Iga Kamino kill people now, and then hide the bodies in the Ito family mansion half an hour later.

Then, wait patiently for a few more hours, when the body has almost completely lost its residual temperature, then anonymously report the clue to the TMPD.

In this way, Takehiko will be finished early tomorrow morning.

After Takehiko Ito is finished, the only enemy in front of him was Machi Takahashi.

The current Machi Takahashi should still be immersed in the pain of bereavement, unable to extricate himself, it can be said that it is the most vulnerable time, he can set an ambush to kill him when he is going to die for Eiki.

Matsumoto thought this in his mind, but the phone in his ear kept beeping unhurriedly.

“Why can’t Iga Kamino’s phone call get through?”

Matsumoto frowned involuntarily.

“Didn’t I tell him before? He must always keep the phone open, so that I can communicate with anything in time. What’s wrong?”

Matsumoto’s heart suddenly twitched, and he said to himself, “Iga Kamino, could there be an accident?!”

“But this shouldn’t be it! They took the Su family siblings all the way to Kyoto, and the TMPD has been searching for so long without any clues. How could there be an accident? No sense!”

“If they were discovered while hiding their bodies in the Ito family, and they were killed by the Ito family’s ambush, it sounds logical, but the key is that they did not get his own orders and could not kill them in advance. This doesn’t sound logical at all!”

“So, what happened to Kyoto?”

Ryoto Matsumoto, who had always been confident and thought he was strategizing, suddenly fell into a strong self-doubt.

.....

At this moment, it is not just Ryoto Matsumoto who can’t make a call, but also Takahashi, who just lost his son.

Machi Takahashi has ordered that the Tenglin family ninja who is ambushing in Kyoto kill Nanako first and take a video of her killing.

Then, he used this video to torture Takehiko and let Takehiko die in extreme pain.

However, the ninja of the Tenglin family never gave him any reply.

He called to ask about the progress, but the call was completely unreachable, and after several changes, no one answered.

Seeing that all the calls couldn't get through, Takahashi shoved the phone to the ground and shouted angrily: "It's a hll! *It's a hll!* The invincible Tenglin Ninja, why is it all f*cking rubbish these days?"

"Before, Tenglin and the others disappeared for no reason, and they were finally sent back frozen as popsicles. Now there is no news about this batch of d*mn ninjas, will they be sent back frozen as popsicles too!"

The subordinates hurriedly said: "Mr. President, Master of the Tenglin family, will he encounter an ambush at Ito's house?"

"Where the h*ll came the ambush from?" Takahashi scolded annoyedly: "The situation over there has long been clear. The Ito family doesn't even have a ninja in Kyoto, just a few housekeepers, servants and ordinary bodyguards. What did these people use to ambush the ninjas of the Tenglin family? And there are still six people!"

After speaking, Takahashi couldn't help but mutter, "What could happen in Kyoto?!"

Chapter 1785

Neither Matsumoto nor Takahashi could understand what happened in Kyoto.

However, Matsumoto is far more shrewd than Takahashi.

When he couldn't contact Iga Kamino, although he couldn't figure out why, he had realized in his subconscious that the matter was probably going to be a big mistake.

Thinking of this, he immediately called the other members of the Iga family and immediately asked them about Iga Kamino.

But the people of the Iga family are also unaware of what happened in Kyoto.

They also couldn't get in touch with Iga Kamino, and didn't know if he was alive or dead.

At this time, Matsumoto really panicked.

He nervously paced back and forth in the living room at home, his brows were constantly frowning, and even his hand holding the cigar was shaking uncontrollably.

His younger brother Ryosuke Matsumoto saw him very nervously, and hurriedly calmed him down: "Brother, don't panic, if you panic, we really don't know how to deal with it next!"

Unlike Machi Takahashi, Machi Takahashi's goal is Nanako, which has nothing to do with the Su family, so it doesn't matter if his motivation is revealed.

The strength of the two families can basically come between five and five, so he is not afraid of Takehiko.

However, Matsumoto knew very well in his heart that if his motives were revealed, he would not only face the behemoth Su family, but also the Ito family and Takahashi family.

So, he smoked a cigar and said to Ryosuke Matsumoto: "The hand I played almost squeezed all our chips. If I win, the Matsumoto family can become the top in Japan; if I lose, The Matsumoto family will be ravaged to death by the three big families of Su, Ito, and Takahashi!"

As he said, he couldn't hide his nervousness and said, "Now, Iga Kaminori can't get in touch, and Zhifei and Zhiyu are dead or alive. don't know if our motives have been revealed. If it is not revealed, it doesn't matter. , At most, it's planting the plan of Takehiko Ito, but if it is revealed, then we will basically have no way to survive."

Matsumoto Ryosuke hurriedly asked: "Brother! We don't know if we have been exposed, are we just waiting for the verdict? That would be too passive? Even if we die, we have to find a way to fight back. You must not just give up like that."

Matsumoto thought for a moment, gritted his teeth, and said coldly: "Of course we have to resist! Since the first card is still dead or alive, we will bet on the second!"

Ryosuke Matsumoto asked, "Brother, how do you bet on the second one?"

Ryoto Matsumoto said sternly: "I bet that our motives for the Su family have not been revealed yet! In this way, we will go all out to kill Machi Takahashi and Takehiko Ito! Kill them and we will have a chance to become No. 1 in Japan!"

"Ah? Kill them?" Ryosuke Matsumoto asked in amazement, "Isn't it just trying to deal with the Su family?"

Ryoto Matsumoto shook his head: "It is a wishful thinking to deal with the Su family. With their strength, as long as the target is aimed at us, we have no resistance."

As he said, Matsumoto said again: "However, Machi Takahashi must be at the weakest time now. He is deprived of a few ninjas and lost his son. Now is a good time to kill him! Let the Iga family again Send a few ninjas to kill him! Anyway, Iga Ninjas are already in the same boat with us!"

Ryosuke Matsumoto asked again: "What about Takehiko? How to kill him? He seems to have no strength loss!"

Ryoto Matsumoto gritted his teeth and said: "Then he can only be outsmarted! Go and kidnap a few families of police officers from the TMPD, and then force these officers to come home, saying that they will return to the TMPD to assist in the investigation of the Su family. As long as he leaves home, we will have a chance to deal with the disappearance!"

Ryosuke Matsumoto continued to ask: "Brother, what if the Su family knows about us?"

Ryoto Matsumoto said with a vicious expression: "If they really know that they are all dead, then why don't they pull Machi Takahashi and Takehiko Ito under the water?"
