

The Charismatic Charlie Wade Chapter 2091 – 2095

Chapter 2091

When Nanako heard Charlie's request for a grand team, she immediately smiled and said, "Master, isn't the team a bit grand enough? Or I would just send a few helicopters over!"

Charlie smiled slightly, "Is this guy staying at the Aman Hotel in Tokyo and arranging a helicopter in the city center, isn't it inappropriate?"

Nanako smiled and said seriously: "Master, this little thing is not inappropriate for the Ito family. If you want, you can leave this to me to arrange it. I will definitely not disappoint you!"

Charlie thought about it for a moment, then nodded and agreed, and said with a smile: "Then I will trouble you for help. I have only one purpose, to completely shock him."

Nanako smiled and said, "Master can rest assured, I will give him a vivid and realistic education class!"

.....

Aman Hotel.

Honor asked his beautiful assistant to put a few band-aids on his hands.

This girl is not only his assistant, but also his lover, but also his confidant.

After helping Honor to deal with the wound, she said distressedly: "Mr. Song, you should never be so impulsive in the future. You can't make fun of your body anyway!"

Honor said with a gloomy expression: "You don't understand, it's not that I'm too impulsive, it's that Charlie is too tricky. It's a huge trouble for me to stay in Tokyo!"

The assistant hurriedly said: "Mr. Song, it's actually not that difficult to deal with such a person? Let Hashimoto first summon a few killers and find a chance to kill him."

Honor waved his hand and sighed: "Oh, you don't understand, you don't know what Charlie is capable of. This person is quite capable, and most people are not his opponents."

"Furthermore, if you rush to trouble him, you will most likely expose yourself in advance. In that case, you will lose more than you gain."

The assistant asked, "Mr. Song, what should we do now? Is it like the old man said, you should follow his arrangements?"

Honor nodded, and said coldly: "There is no other way but to cooperate with him superficially, and hope that he will not discover me."

As he said, he sighed, and said without a word in his heart: "I just don't know if I can remain calm in front of him. This person is very shrewd, and if I am careless, he might be able to see it."

The assistant hurriedly said, "Mr. Song, you are the person with the best psychological quality I have ever seen. I believe that you will definitely not expose any flaws."

Honor nodded slightly: "I hope!"

As he was talking, Honor's cell phone rang suddenly.

On the phone, a woman's voice came: "Is this, Mr. Honor Song?"

Honor snorted and said, "Yes, it's me."

The woman said: "Hello Mr. Song, I am sent by Mr. Wade to pick you up. Are you ready to go?"

Honor said: "I'm ready, where shall we meet?"

The woman said, "You should be staying at the Aman Hotel, right?"

Honor said: "Yes, I am in the presidential suite of the Aman Hotel."

Honor deliberately said the two words presidential suite, just to find a sense of superiority in front of the other party.

He knew that Charlie had some skills, but he also felt that Charlie's skills should only be useful in Aurous Hill. If he leaves Aurous Hill and arrives in Japan, he will definitely be discounted.

Therefore, he instinctively didn't look at the friend in Charlie's mouth.

In his opinion, it is impossible for Charlie to make friends with high-ranking officials in Japan.

It is estimated that the other party is at most a middle class in Tokyo.

Chapter 2092

The woman on the other end said calmly, "Since Mr. Song lives in the Aman Hotel, please move to the rooftop now."

"Rooftop?" Honor frowned: "What do you want me to do on the rooftop?"

The woman said, "The helicopter is waiting on the rooftop."

"Helicopter?" Honor's expression was a little surprised, but also a little despised.

He thought to himself: "This Charlie and his friends are really boring. There are some helicopters to pick me up in the city. It's a little bit of money. Don't you know where to spend it? Rent a helicopter. I think I'm really awesome? This bit is really too low, right?"

Thinking of this, he smiled contemptuously, and then said very politely: "If this is the case, please wait a moment, I will come up."

"Well, I am waiting for Mr. Song on the rooftop."

After Honor hung up the phone, he immediately laughed contemptuously: "Humph, Charlie is really interesting, I said I'm going to find him, he has to let me wait for his friend to pick me up, and he has to get a helicopter. Does it make sense to come and pick me up? Have I never seen the world? With a helicopter, he wants to bluff me?"

The assistant smiled slightly: "In my opinion, Mr. Song, this Charlie is nothing but the light of fireflies, so he is so embarrassed to compete with you like the sun and the moon. He doesn't know what to do!"

Honor sneered: "Oh, if you want to talk about him, he still has some ability, and nothing else, the rejuvenation pill in his hand is really a fcking good thing! I really hope to see it. I can have one when I am old..."

As he said, Honor sighed and waved his hand to the assistant: "Okay, let's not talk about it, you come to the rooftop with me."

"OK President Song!"

Honor took his confidant assistant to the rooftop of the Aman Hotel.

At this time, a heavy black helicopter was parked on a helipad on the rooftop.

When Honor saw the helicopter, he was a little surprised and said: "Oh, to pick me. Charlie and his friend are really willing to pay for this. This super cougar helicopter has an ex-factory price of more than 1.5. With a little modification, the price will exceed 200 million. Such a helicopter can cost hundreds of thousands for a short flight."

The little assistant smiled and said: "To spend hundreds of thousands to pretend to be forceful in front of Mr. Song. This man is really blind!"

"Yes." Honor sneered: "Have you seen the four letters on the fuselage of this plane?"

The little assistant looked at the eye-catching white letters on the black fuselage and read them one by one: "itou? Mr. Song, what does this mean? There seems to be no such word in English."

Honor said with a smile: “This is not an English word, it is the Roman sound of Japanese. The four letters of itou, pronounced in Roman sound, should be pronounced as ‘yito’.”

“Yito?” The assistant frowned, “What does this mean, Mr. Song, it sounds weird.”

Honor said seriously: “You, there are really few people in the world. The Japanese corresponding to these four letters means Ito, which means that this aircraft belongs to the largest family in Japan, the Ito family.”

“Ah?!” The little assistant exclaimed, “Is it the plane of the Ito family?! My goodness, does Charlie know someone from the Ito family?!”

Honor curled his lips: “Just rely on him? I know people from the Ito family, is he worthy?”

The little assistant asked in surprise: “Then what’s going on with this plane?”

Honor said with a smile: “You don’t know anything about it. The industry of the Ito family covers all walks of life in Japan. The family has its own general aviation company called ‘Ito General Aviation!’”

“Ito General aviation?”

“Yes! It’s Ito General Aviation!” Honor explained: “This general aviation company is mainly engaged in short- and medium-distance navigation. It has more than 200 various aircraft under its umbrella, including more than 100 helicopters, which is very powerful!”

“I guess Charlie and his friend rented this helicopter from Ito General Aviation!”

The little assistant nodded and said with a smile: “So that’s it! You said that this plane belongs to the Ito family, which really shocked me. You thought Charlie’s friend was from the Ito family.”

Honor sneered: “I just said that he doesn’t deserve to know someone from the Ito family! The Ito family is now in Japan, which is equivalent to the Su family in our country. Charlie, a guy who relies on feng shui and dances, even he is not worthy to give shoes to the Ito family!”

Chapter 2093

In Honor's heart, the status of the Ito family is indeed very high.

After all, this is the largest family in Japan, and it has just survived the fierce battle of the three major families in Tokyo. In this regard alone, the future of the Ito family is limitless.

Therefore, Honor did not believe that Charlie could have any actual relationship with the Ito family.

It must be him or his friend who spent money to rent a helicopter owned by the Ito Family General Aviation Company.

So he took his little assistant and walked to the helipad.

Standing by the helicopter was a beautiful lady wearing a blue flight attendant uniform. Seeing the two approaching, she looked at Honor and said respectfully: "You should be Mr. Song, right?"

Honor nodded, and said arrogantly: "Yes, it's me, are you responsible for picking me up?"

The beauty smiled slightly and said, "Yes, Mr. Song, Mr. Wade and our eldest lady are waiting for you at home now, please board the plane with the lady."

Honor hummed: "Master is so polite. In the urban area, you don't need to take a helicopter at all, can't you just take a car?"

The beauty said indifferently: "Mr. Song, our eldest lady said, be more solemn when picking you up."

Honor shook his head and smiled, and thought to himself contemptuously: "Send a helicopter here to be grand? Do you think I'm a bunny who has never seen the world? Our Song family is also worthy of private jets and private helicopters. All have this stuff in my eyes. It's nothing great."

However, since it is the helicopter sent by Charlie, he naturally did not dare to say such dismissive remarks in person, so he said very politely: “If this is the case, then let’s leave now.”

After that, he took his assistant and got into the heavy helicopter.

This helicopter was originally able to carry at least 20 people, but now the cabin has been completely transformed into a luxurious room, just like a top luxury RV.

Honor sat down on the sofa of the helicopter and asked the beauty: “I don’t know where Master is, how far is it from here?”

The beauty smiled and said, “It’s almost fifteen kilometers.”

“Fifteen kilometers?” Honor said helplessly, “Isn’t it just a few minutes away?”

The beauty smiled and said, “It takes a few minutes to fly, it takes about half an hour.”

“What? Half an hour?!” Honor said dumbfounded: “Fifteen kilometers, even if you pedal a bicycle, you can get there by pedaling faster for half an hour. The speed of this helicopter can’t be slowed to this point, right? ?”

The beauty smiled and said: “Mr. Song doesn’t know something. In order to show the importance of you, our eldest has specially arranged a sightseeing route. You will know later.”

Honor asked a little puzzled: “Could I ask who your eldest lady is?”

The beauty shook her head and said apologetically: “I’m sorry, Mr. Song, we can’t tell you the identity of our eldest lady yet, but when we get to the place, you will naturally know.”

Honor nodded and said, “Okay...”

Having said that, he also muttered in his heart: “I don’t know what kind of medicine Charlie is selling in the gourd? I’m free to get a helicopter, what’s the trouble here?”

At this time, the beautiful woman said, “Mr. Song, our helicopter is about to take off. Please put on the intercom headset and buckle your seat belt.”

“OK.”

Honor nodded, put on the intercom headset, and buckled the seat belt.

Since loud noise is generated when the helicopter is in operation, it is impossible to hear each other in a normal conversation in the cabin.

In order to solve the problem of communication in the cabin, all the crew and passengers on the helicopter wear headphones with very good sound effects. Wearing headphones can not only isolate the sound of the engine, but also use radio to ensure each other’s call.

Once the helicopter gets up, they can only communicate with each other in this way.

Chapter 2094

At this time, the helicopter engine turned slowly, then accelerated continuously, and soon began to slowly rise.

Honor thought: “I can also take this opportunity to take a look at Tokyo under the sky.”

As he was thinking, he heard the beautiful woman’s voice in the headset, and she said, “No.2 and No.3 take off, No.4 and No.5 start the engines, No.6 and No.7 start to prepare!”

Honor was still a little puzzled, and he thought to himself: “What is No. 2, No. 3, No. 4, No. 5? What is this girl talking about here?”

Just wondering, the assistant on the side pointed to the roofs of the other two buildings on both sides of the window, and said in surprise: “Mr. Song, there are also two helicopters flying on the roofs of those two buildings, exactly the same as the one we are sitting on!”

Honor turned his head to see, as expected!

Two identical helicopters take off at the same time and simultaneously on the left and right sides.

These two planes are not only the same as the model they are flying in, they are all Super Cougar, but also the fuselage painting is the same, both of which are painted by Ito General Aviation.

Honor asked the beauty in surprise: "These two planes are also yours?"

The beauty nodded and smiled: "They will accompany you all the way."

Honor was stunned: "What is full flight companionship?"

The beauty smiled and said: "It is to accompany you throughout the flight, just like the front and rear cars of the convoy."

Honor's expression was a bit stunned and said, "Uh... is this really necessary? Master won't be too expensive, right?"

The beauty said calmly: "Don't worry, Mr. Wade doesn't have to pay a penny."

Honor nodded, and thought to himself: "Needless to say, Charlie should have found another bully in Tokyo..."

As they were talking, the two helicopters had risen to the same height as them. After that, the two planes followed the plane Honor was riding in, and the three planes moved forward at the same speed.

Just one kilometer after flying out, Honor's assistant pointed to the two buildings on both sides and said, "Mr. Song! Two more planes on both sides!"

Honor took a closer look and was shocked!

This is five! is this necessary?

Just after speaking, the assistant pointed far away and blurted out: "Mr. Song, there seem to be black helicopters on the roofs of the two buildings in front!"

Honor looked in the direction of her fingers, and indeed there were two black things the size of ants at a distance of one kilometer away.

Honor carefully identified the two black objects parked on the top of the building. They really looked like the same helicopter he was riding in!

I was surprised that the two helicopters that took off just now have arrived.

The fleet has changed from three to five.

Soon, the black things that were like two ants became bigger and bigger in Honor's vision, and it was easy to recognize them. They were indeed two helicopters.

Subsequently, the two helicopters also began to take off.

The fleet has changed from five to seven.

At this time, Honor had a numb scalp.

He doesn't understand, what exactly is Charlie doing? Just pick him up, is it necessary to make it so grand?

As he was thinking, he heard the beauty say on the walkie-talkie: "The efficiency of taking off in twos is too low. Let's start four at a time!"

Chapter 2095

Seeing that four helicopters really took off, and the fleet quickly expanded to nearly twenty all the way, Honor felt like a fight!

He didn't understand, so he thought to himself: "What the hell is doing? Sending 20 helicopters for more than ten kilometers of roads, this is too incredible, right?"

"Also, where does Charlie's friend from Tokyo come from?! Renting twenty helicopters also cost a lot of money. Is it a waste of money to burn?!"

At this time, the citizens of Tokyo were all startled by the echelon of helicopters whizzing by in the sky, one by one stopped and looked up, thinking that something big had happened, or something extraordinary was coming.

The more Honor couldn't guess Charlie's motive, the more he felt guilty.

Although he and Charlie are not familiar, nor can they talk about friends, at least they are acquaintances. If you meet between acquaintances, shouldn't it be an appointment and then go separately? Charlie suddenly made this appearance, what does it mean?

At this time, on the top floors of the high-rise buildings on both sides, new helicopters are constantly taking off and joining them.

Soon, the total number of helicopter echelons exceeded thirty.

Honor has never experienced such a battle in his entire life, and his heart is a little hairy!

Moreover, he did not have the initial contempt in his heart.

Subconsciously told him that Charlie seemed to be much better than he thought, including his Japanese friend whom he had never met. First URL m. kanshu8.net

Maybe, the other party is still a big local in Tokyo!

More than 30 helicopters circulated idling over downtown Tokyo, and finally hovered over a private estate.

At this time, Honor discovered that the thirty or so helicopters around him had become a circular layout, enclosing his own plane in the middle.

As for his own plane, it was slowly descending at this time.

Honor looked down at the huge estate below, and asked the beauty in surprise: "Excuse me, where is this?"

The beauty said: "Back to Mr. Song, this is where our eldest lady lives."

Honor doesn't know where the Ito family's mansion is, so he can't recognize who owns the mansion directly below.

However, looking at the location, area, and architectural style, you know that this is definitely not an ordinary home.

As the helicopter slowly descended, Honor's heartbeat became faster and faster.

He hurriedly thought in his heart: "Charlie's friends in Tokyo have such a strong family background, and their energy must not be underestimated. If Charlie asks them to help investigate Warnia's affairs, then maybe he is really going to explode!"

Before, Honor still felt that even if Charlie came to Japan, it was meaningless. He was unfamiliar with the place in Japan. He didn't know what he did. He didn't have enough contacts and human help. He wanted to find Warnia's whereabouts or investigate The cause of Warnia's death is as difficult as reaching the sky.

This is true for most people.

Everyone's abilities have obvious geographical restrictions.

For example, Orvel, is an underground emperor in Aurous Hill, no one dares to provoke him, but as long as he leaves Aurous Hill, even if he is in Suzhou, his influence will be greatly reduced.

If he were to come to Tokyo, with his little influence in Aurous Hill, any rich would dare to slap him in the face.

This is because most of Orvel's abilities can only be brought into play when he is in Aurous Hill. The farther away from Aurous Hill, the smaller his abilities.

Honor originally thought that Charlie must be the same.

Charlie was screaming in Aurous Hill because there were a lot of local bigwigs who had good looks in Aurous Hill.

But once he leaves Aurous Hill, his influence is bound to decline drastically.

If he really came to Japan to investigate Warnia's affairs, he might not even be able to find a three or five assistant.

But now, Honor finally realized how ignorant he was.
