

# The Charismatic Charlie Wade Chapter 2437

## Chapter 2437

At this moment, Shred didn't know that Charlie had locked him firmly from the sky.

While driving intently, he stared at the navigation from time to time.

The navigation shows the distance, the scheduled tunnel, and there it is, less than 5 kilometers.

The current speed is about 180 kilometers per hour, and it only takes two minutes to arrive at the destination!

Thinking of this, Shred was so excited that he couldn't bear it.

As the tunnel got closer and closer, he became more excited, couldn't help but step on the accelerator deeper and the speed of the car rose a little faster.

As he approached the tunnel, he saw that on the right side of the road ahead, there were a number of relatively slow trucks running one after the other.

He glanced at the license plate and felt more relieved.

The two trucks in the front are the ones arranged by the Su family.

These two cars have been driving on the road at low speed, just to determine the time to reach the tunnel based on Shred's location.

Because according to the plan of the Su family, after Shred's vehicle enters the tunnel, the two vehicles would collide behind him, at the entrance of the tunnel.

In this way, two trucks collided with each other, which can directly block the road of the two-lane road, and the vehicles behind will be stuck, making it impossible for a while to move ahead.

In this way, Shred will win enough time.

The vehicle driven by Shred soon surpassed the two trucks. At this time, there was only one kilometer left at the entrance of the tunnel.

Shred took care of the trucks behind him, because he knew that no matter how many trucks there were behind him, if the two leading cars collided, they would be blocked behind him.

At that time, this highway will be completely cut off.

However, when Shred had already driven the car into the tunnel, the two trucks at the front did not intend to cause an accident. On the contrary, they all started to speed up in an instant, accelerating and rushing into the tunnel.

As the two trucks entered the tunnel, several vehicles behind the two trucks suddenly collided at the entrance of the tunnel, and the entire road was immediately blocked by the crashed cars.

The Su family is ready to kill people!

These two trucks are accelerating continuously, each of which is loaded with dozens of tons of goods, and its inertia is large enough to completely destroy any family car.

At the exit of this tunnel, two trucks blocked the way.

In this way, Shred's Rolls-Royce became a can of human flesh surrounded by four trucks.

With no entry and no retreat, this Rolls-Royce has only one end, that is, being hit by two heavy-duty trucks into a pile of scrap iron!

At that time, the people in the car will never survive.

Shred will die, and his two abductees too!
