

The Charismatic Charlie Wade Chapter 2856

Chapter 2856

Anson's heart raced when he saw Luther's resolute attitude. He had no idea why the old man Luther had suddenly changed his mind, and he had no idea how he could approach Old Su when he returned.

"Mr. He, you are still not satisfied with money, it does not matter; if you are not satisfied, you can simply ask it. Our master said that two billion is only an intention price; however, if Mr. He is not satisfied with the bid, he can still increase it by three billion in the future, what do you think?"

Tom on the side was almost insane when he heard, "Three billion?"

He doesn't have time to consider the concept of 3 billion, so he can only say to himself in his heart that he can directly multiply the original illusion of 2 billion by half. Luxury homes all over the world can be upgraded to larger homes, and luxury yachts can be upgraded as well. Half the price of a private jet should be half the price!

Tom stared at his father with bloodshot eyes, blurting out, "Father! What are you still hesitating about? This is 3 billion!"

Luther screamed coldly, "Even if 30 billion, I refuse!"

Anson was taken aback.

Initially, it was assumed that if Luther was not happy with the 3 billion quotations, he would increase it slightly.

However, it appears that there is no longer any need to raise.

He nodded heavily and said, “Okay! Okay! What’s your condition!” as his face darkened.

After all, he pointed to Luther, clenched his teeth, and said, “He, old man, toast not to eat or drink fine wine, I will write down this account for the master first; if the Su return to the original and profitable in the future, then they can get a thousand times better than this!”

“If you want to recall,” Luther said sternly, “I, Luther, am never afraid of anything!”

He patted the table after speaking and said coldly, “Let’s go! Let me see you off!”

“No need!” gritted Anson’s teeth and exclaimed, “I’ll go by myself!”

He gave Luther a sour look as he finished speaking and walked out of the dining room without looking back.

“Dad! Are you crazy?! We can’t insult the Su family!” exclaimed Tom, stomping nervously.

“I am the head of the He family, and I will bear all the consequences,” Luther said coldly.

Tom realized he couldn’t convince his father, so he turned and ran after Anson.

Anson had come to the outside of the He family mansion in anger, and a convoy of several buses and trucks had just passed by.

Chapter 2857

Anson stepped forward as soon as the car in front of him came to a stop and said to the driver, “Just me, go to the airport!”

Tom rushed all the way to the front of the car, leaning against the door frame, and said to Anson above, “Steward Su, you calm down!”

“Can you hold your breath?” Anson asked, glaring at Tom: “I’ll be a little enraged! Your He family is now able to handle it! Let’s see!”

“Steward Su, listen to me, my father is old and stubborn; give me some time, and I will convince him; I will certainly give you a satisfactory response!” Tom exclaimed hurriedly.

“Come on, Tom, what is the character of your old man? I know very well that if you can convince him, you will be the Patriarch of the He family instead of him! He is still in his eighties, and refusing to pass it to you means he doesn’t trust your ability! If he doesn’t trust you, how will he listen to your persuasion?” Anson said dismissively.

Anson’s words made Tom blush.

Anson’s words are not without any merit, despite the fact that he intentionally sows discord.

Luther has not passed on the role of Patriarch to Tom because he does not trust his strength, and even less so his determination.

For a long time, Tom has been critical of this.

He knew he would be the prince if he were transported to ancient times, but which emperor abdicated until he was in his eighties?

Isn’t it obvious that the prince must be forced to rebel?

As a result, his heart exploded with rage when he heard Anson’s words.

“Steward Su, you are correct, I just can’t convince my father,” he said coldly shortly after.

Tom turned around and exclaimed, “Still I can convince myself to move my own legs!”

Anson’s eyes widened when he realized this, and he blurted out, “Tom, what do you mean by this?”

“It’s very easy,” Tom exclaimed, “my father is unwilling to cooperate with the Su family, but I am. My cultivation is second only to the old man in the He family, and I have two sons and a hoard of people willing to follow me. As long as Master Su can look down on us, I am willing to take them and return to Master Su!”

Anson was ecstatic.

“The old thing with the surname He is too stubborn; it’s hard to convince him to change his mind,” he secretly says, “but this Tom seems to be genuine. If he really has a following and can take them to Suzhou, serving the Lord, then my mission this time isn’t a complete failure.”

He instantly changed his mood, grinned, and said to Tom, “Haha, Tom, come, come in!”

He took the initiative after speaking to reach out his hand and pull Tom.

.....

Chapter 2858

In the He family mansion at the time.

Luther has informed the entire family that the Su family’s cooperation will be fully ended. The He family, who had decided to leave early in the morning for Suzhou, would no longer have to worry about it.

Luther took Roma to the ancestral hall, which was located at the tomb of the He family’s ancestors, after announcing the news.

He decided to directly inform the He family’s ancestors about the great news that he had broken through the four meridians.

The He family, on the other hand, was both pleased and sad when it was revealed that he had refused to work with the Su family.

In reality, no family can ever be fully united.

Every small family, if not anyone, owns a small abacus.

The fact that the desire to manage with the old man is relatively high and the majesty is relatively strong, and no one in the entire He family dares to disobey him, is the key reason why there have never been any disagreements over the years.

However, as the adage goes, stealing money is the same as murdering your parents.

Many people in this world place higher importance on money than on family love.

In other words, most people would betray their family love if the price is right and psychological needs are met.

It's just that everyone's internal price code is different.

Since certain economic conditions are difficult, parents may be able to spend one to two thousand yuan a month on pensions, allowing them to turn their backs on their brothers and sisters and remain disconnected.

Those whose economic circumstances are too good may seem pleasant on the surface, but once the fight for vast riches starts, everybody will do everything in their power to compete with their loved ones.

Now, Luther has turned down the Su family's offer of 2 billion or even 3 billion in cooperation, effectively separating the entire He family from this vast sum of money.

Some people are unconcerned with money, while others are obsessed with it.

And those who care can't wait to drink the old man's blood and eat his flesh.

Mr. He simply has the greatest majesty and cultivation foundation, and no one can provoke him, so they can only dare to be angry and not dare to talk.

However, in this situation, Tom met with a few brothers and a few uncles in the fastest time.

After some lobbying by him, almost half of the people were willing to go to Suzhou to serve the Su family with him.

Just as Luther personally lit three sandalwood incense in front of each ancestor's spiritual position, his youngest son Tim ran over and reported loudly outside the door: "Dad, it's not good! Big brother brought forty or fifty family members. They all are ready to go to Suzhou with Anson!"

Chapter 2859

When the He family heard the news that Luther has announced that he had broken through the fourth meridian, everyone was astonished for a moment, and then, there was a burst of almost crazy cheers!

Breaking through the four meridians means becoming a four-star warrior!

Throughout China, the title of “Four-Star Warrior” has not appeared in nearly a hundred years!

To them, hearing this news is as exciting as the news of the success of the first atomic bomb that the Chinese people heard back then.

Back then, China successfully developed an atomic bomb, which meant that the country no longer had to face nuclear threats from nuclear countries, and at the same time, they had strong self-protection capabilities.

Now, Luther has successfully broken through the fourth meridian, which is almost equivalent to the He family possessing an atomic bomb!

Just a few minutes ago, everyone present was worried about the future fate of the He family because of Tom and the others.

But now, they have completely ignored Tom’s problem.

Because from now on, the He family will take a big step forward and become the top martial arts family in the country!

Luther’s youngest son, Tim, was extremely excited. He blurted out, “Dad! Did you go to the ancestral hall early in the morning to report your breakthrough to the ancestors?”

Luther nodded: “Yes, Just now, I have already reported to all the ancestors of the He family. I believe that the ancestors will be proud of my success.”

Tim couldn’t help but sigh: “Dad, why didn’t you announce this news earlier? If the eldest brother knows that you have made such a major breakthrough, he might not be tempted by the conditions set by the Su family.”

Luther said lightly: “Fortunately, I didn’t announce it in advance, otherwise how could I know his wolf ambition!”

After speaking, Luther sighed and said, “Well, everyone has their own ambitions. As long as he doesn’t threaten to harm our He family’s interests in the future, I will stay with him in the future.”

Tim also knew that what his father said was reasonable, so he stopped insisting too much.

Luther’s eldest brother, Robert said: “Luther, when will you announce the news of your breakthrough in the fourth meridian?”

Chapter 2860

Luther thought for a while, and said: “Let’s announce it now, and inform all martial artists of this matter publicly, and also declare that from now on, the He family will no longer accept solicitations from anyone, and He’s house in Mocheng will be closed from now on to entertain any visitors again.”

In the martial arts family, there is an unwritten rule that once someone in a family with a name and a surname breaks through three or more meridians, it must be advertised among the martial arts people.

Luther is no exception this time.

Moreover, he knew very well that once the outside world knew that he had broken through the 4th meridian, a large number of people would come to visit Mocheng after hearing the wind.

Among them, not only fellows come to congratulate, but also scattered martial arts people come to apprentice, and there are also many families like the Su family who came to solicit.

Therefore, he let people explain in advance that the He family no longer accepts solicitation and no longer treats foreign guests.

This is tantamount to shutting out all the above possible people.

The reason for this decision was that Luther had already thought clearly in his heart that the future of the He family was actually pinned on Master Wade.

Therefore, the most important thing for him is to serve him with all his strength. As for other people, there is no need to waste his energy and the energy of the He family.

Robert was very puzzled and couldn't help asking: "Luther, in the past, some people broke through the three meridians. Almost all martial arts families would send people with gifts. Among the martial arts people, the limelight is naturally the same. But when we close the door at this time, will it look too different?"

Luther said earnestly: "Brother, I was able to make such a major breakthrough. Thanks to the help of a noble person, all He family will look forward to this nobleman in the future, and this nobleman will give He family a lot of very scarce training resources in the future.

Believe me, this will definitely benefit the whole He family. Maybe in a few years, the next person who breaks through the three meridians will appear in the He family, or maybe in a few years, there will be the next breakthrough like me.

People of the four meridians, by then, the strength of our He family will be different!"

Robert immediately nodded when he heard this, and said excitedly: "In this case, I will wait for nature to listen to your instructions!"

The remaining people, regardless of age or sex, are very loyal to the He family and Luther, so at this time Luther makes any decision, they will support him.

Luther also realized that after the eldest son took the group of people away, when he made major decisions, he lost a lot of voices of opposition or doubts, which also made him realize the importance of the team's unity.
