Chapter 243

Tyler said, "Isn't this what you wanted? You can stop the act now."

Tyler then pressed Tatiana up against a tree trunk and leaned in to kiss her.

"No!" Tatiana screamed, closing her eyes as tears began falling from them.

Suddenly, a loud yelp was heard, followed by Tyler cursing, "Fuck!"

Slowly, Tatiana opened her eyes. She saw a familiar figure standing before her, deftly throwing

Tyler over his shoulder.

Sean then knelt down, grabbed Tyler's lapel, and began punching his face repeatedly.

Frightened, Tatiana cried, "Stop! Stop it!"

She ran up to Sean to grab him so he would stop hitting Tyler. She was scared Sean would

actually kill the boy.

"You ... How dare you? Do you have any idea who I am?" Tyler grunted out weakly, spitting out a

mouthful of blood. He glared at Sean, yelling, "My dad is Crowley Corp's President! Hit me again,

and I'll make your life hell!"

"The name's Sean Lynch, from Belbanks." Sean's voice was tinged with anger.

Still, he forced himself to calm down, then wrapped his suit around Tatiana. It pained him to see

her so scared. He gently gathered her in his arms, and the latter instantly felt at ease.

"Hear this well, dog. Don't ever put your filthy hands on Tatiana again, or not even Alistair Crowley.

can save you!"

Tyler ended up scrambling away for his life.

Tatiana cleaned herself up in a nearby washroom. Sean was there by the door when she came out,

waiting for her worriedly.

"Sean..."

Sean met her eyes, shooting a warm smile in her direction. "Ms. Tatiana."

Tatiana's heart ached when she realized he was back to being formal. She went up to him and pulled the coat off her shoulders. "Here, your coat. Thank you."

"We can't let what happened today stand, Ms. Tatiana. I will report this to Ms. Alyssa accordingly."

Sean had a solemn, if not angry expression on his face.

"No, please don't! Please, Sean, don't tell my sister!" Tatiana begged, holding onto his arm.

She continued, "If Alyssa steps in, this will only spiral out of control. I don't want that to happen, nor do I want to cause her trouble, so please."

"That filthy mutt tried to rape you, Tatiana! How could you not do anything?" Sean cried, anger tinging his voice.

"You've taught him a lesson. He won't try that again." Tatiana was scared but even more worried about burdening her family with this.

She added, "I'm about to graduate. We won't see each other afterward, so it's all okay. Plus, I still have you guys to back me up."

Sean was about to argue again when Tatiana sighed. "Please just let me be, Sean... I have my

reasons."
