

Chapter 4524

Tasha said further, "Of course, I also can not absolutely guarantee that after the An family came, from our staff no one must know their identity"

"But I think, if you suspect that there is a mole, the mole is unlikely to be here,"

"Because our staff here, even if they know the movement of the An family,"

"It is just after the An family came, and there have been a few minutes only."

Charlie thought about the signal being shielded, so he asked her,

"During the daytime, today, did any staff come to this floor?"

"Is there a possibility that they might have brought in some kind of small shielding equipment?"

Tasha frowned and said, "During the day, our attention was on the scene and the backstage,"

"Not too concerned about the VIP area, so I can't guarantee you this,"

"But you can check the surveillance video of the VIP area."

"Like I just said, Sara and I did not leak the news,"

"So even if someone came over during the day to install the shielding equipment,"

"They do not know which room to install it in,"

"Here are a total of two dozen boxes, did they install it in each room?"

Charlie took the phone into a few boxes near the corridor,"

"Found that in these boxes, the signal is not affected by any.

So, it really does not seem like the staff arranged it in advance.

Thinking of this, his brow furrowed even tighter. He felt as if he had entered a dead end.

On the one hand, judging from the objective situation,

This matter must have been staged by someone to make it possible.

On the other hand, Sara and Tasha had a strong sense of secrecy,

And had not leaked this information from the source,

So the possibility of a problem here was also unlikely.

Moreover, Charlie figured out one more thing.

If the other party's purpose was to kill the An family,

Then since they can send in the shielding equipment, they could send in a small bomb.

If you send a small bomb in directly, everything could be easily solved,

And why bother to first shield the signal, and then attack at the door?

However, from the feedback of Marshal just now, the shielding equipment is actually there.

This seems to be some kind of paradox everywhere,

So that every one of his speculations is not very tenable.

Thinking of this, Charlie was stuck in a quandary.

Just at this time, he suddenly thought of something.

In his mind, he thought, "The shielding device,"

"Could it have been brought in by a certain An family member?!"

He previously felt that if there was a mole in the An family,"

"The mole should not be someone who was present, but someone who was not present.

For example, his aunt, whom he had never met, or other grandchildren who were not there.

But now, he suddenly had a not-so-good feeling.

"The first thing we need to do is to find out where the shielding device is,"

"Or who it is with, but don't reveal the intentions when you go in."

"If someone makes a small move, immediately control it."

Stella was busy saying, "I asked Karl to keep watch downstairs,"

"He is the most trusted person, besides Karl,"

"There are several bodyguards he personally trained, they are all very trustworthy."

"Good." Charlie nodded and said, "Then let Master Yuan go!"

At this moment, the An family after the attack is sitting on the sofa without saying a word,

Several young grandchildren because of the considerable stimulation, at this time, are in a very depressed state.

And the moods of the adults, are also a bit disheveled.

Just a moment ago when Stell's men were cleaning up the scene outside the door,

Charlie's three uncles had been dissecting what had happened with the old man,

During which everyone even had a heated argument.

They wanted to know which link had been so significantly flawed,

That it nearly brought the entire An family to its knees.
