

Chapter 4535

Margaret's vision was unmatched in the entire An family.

When she was preparing to build the Anbang Building,

She spent a lot of money to make the top floor of the Anbang Building impregnable.

The top floor of the Anbang Building is made of bulletproof glass of extremely high standard,

And the passages and elevator shafts leading to the roof and downstairs on the top floor are equipped with physical partitions,

As strong as bank vaults, and once all the strong physical partitions are closed, the whole top floor can be described as solid.

The solid design makes it impossible for any kind of single weapon to enter the top floor from the roof,

Downstairs or windows, unless the other side dares to fly helicopter gunships in downtown New York to attack,

Otherwise, it is impossible for anyone to come in.

Moreover, the Anbang Building is located in the middle of Manhattan,

Even the entire United States of America's most prosperous area, plus the 9/11 incident,

For the U.S. police and national security departments of the New York skyscraper security is very important,

So absolutely no one dares in such places, the grand attack on the Anbang Building.

It is also unlikely that there are any bandits who can take the helicopter gunship,

A weapon of mass destruction, over Manhattan, New York.

This is precisely why Margaret had long concluded that once the An family faces a major disaster,

Hiding in the Anbang Building is definitely safer than other places.

No matter where a New Yorker is in New York, as long as he looks up at the bustling Manhattan,

In the distance, he will be able to see the Anbang Building.

With such a large number of people in sight, no one can possibly do anything to the An family.

Margaret called the Anbang Building the last fortress of the An family,

And the secret about this fortress was known only to the old man and the oldest Marshal.

In addition, even Marcus, who spends most of his time in the Anbang Mansion, does not know that this floor has such a mystery.

The reason why he didn't tell Marcus was because the old man thought that his second son has a radical personality,

And is suitable for opening up new territories in the business field,

But once the matter is about the safety and security of the whole family,

His radical personality could easily make a wrong judgment because he is not cautious enough.

In the nick of time, a judgment that is not cautious enough may lead to the consequences, even disaster.

In contrast, the oldest Marshal character is cautious, everything for stability,

With the decisions about the safety of the An family, the old man also trusts him more.

This kind of fortress will not be activated until the last moment, its secrets, only he and Marshal know.

Right now, although the An family was lucky to escape a disaster,

But this time the form of the most urgent, so the old man can think of the place, only the Anbang Building.

Marcus did not quite understand his father's decision, he said doubtfully:

"Dad, in terms of security, I'm afraid that no place is better than the manor in Los Angeles, right?"

"There is an underground shelter there, and if something really bad happens, the shelter can protect the family."
