

Chapter 4538

After all, Sara is a big star, and every time she comes,

She is a valued guest of Uncle Chen, so he always works quietly with Uncle, and rarely has any communication with Sara.

He knows that the only way to save Uncle Chen is to have Sara know the situation,

But there is no way to contact her still makes him anxious.

Thinking of Sara's concert today, he hurriedly took off his apron and said to the diners in the store,

"I have something to do, please make yourself at home, please close the door for me if you are the last to leave, thank you!"

After that, he hurried out of the store and stopped a taxi to go to the show.

He didn't know if he had a chance to see Sara when he goes to the show.

But, at the moment, this is the only way he can do it.

.....

Meanwhile.

The An family, escorted by their own bodyguards as well as Stella and Karl, arrived safely at the Anbang Building.

After Stella sent the family into the building, she said to Old Master An,

"Master An, if there is anything you need from me recently, please feel free to contact me."

Master An nodded and said gratefully, "Thank you, Miss Fei!"

Stella said, "Don't be polite, it's all I should do."

Master An then added: "By the way Miss Fei, I have contacted one of my personal assistants,"

"When I was in the car just now, he and his team have come over from Los Angeles now,"

"It's hard for you to keep that corpses and the personal belongings, my people will contact you when they arrive."

"No problem." Stella said without thinking, "When he arrives in New York, just have him contact me directly!"

"Okay!" Elder An nodded slightly and said, "Then we'll go up first!"

At this moment, at the entrance of the elevator hall,

The security check equipment had been set up, and Marcus said to his parents and other family members,

"In order to prevent accidents, all of us have to do a comprehensive security check before going upstairs,"

"I have just had someone check the elevator and confirmed that there is no abnormality,"

"But we should be cautious, after passing the security check, enter the elevator in pairs and go upstairs in groups."

Marcus's caution did not cause anyone to object,

And everyone knew very well that safety was the most important thing at such times.

So, the old man and his wife went through the security check first and then took the elevator upstairs.

Marshal and his wife followed closely behind.

Only after everyone passed the security check and went upstairs,

Did Stella breathe a sigh of relief and didn't stay much longer,

Turned around and led the people to leave the Anbang Building.

The first thing Master An did when he led everyone to the top floor...

Was to close the physical partition on the top floor of the Anbang Building.

After closing the partition, he called his three sons and one daughter to the conference room,

And after everyone sat down, he took the lead and said,

"For the next seven days, all of us should not leave this place,"

"First wait and see how things develop, and if the danger is temporarily lifted, we will leave in groups."

After that, he said, "In addition, tonight's incident you can see,"

"The other party's purpose is not to get rich, but to exterminate the entire An family,"

"So, from the time everyone leaves, everyone in the An family must not gather anywhere outside the An family,"

"And at the same time to double our investment in security,"

"At all times to ensure that there are sufficient security personnel and sufficient security means!"

Marshal spoke up, "Dad, I suggest that in the future our security work should no longer rely on a small number of martial arts masters,"

"But should build a complete, comprehensive, and powerful security system, as the president has,"

"To form security personnel into multiple independently operating security systems,"

"To ensure that multiple systems from near to far, from inside to outside layers of cross-coverage,"

"And to do enough redundancy, even if one of the systems is down, the other systems can still work as usual!"

"That's right!" Master An nodded and said seriously,

"Marshal, you have a delicate mind, you will be in charge of this matter,"

"From now on, security is the primary need of the An family, in terms of security,"

"Even if you invest more money, you will not hesitate to do so!"
