

## Chapter 4335

At this time, the eastern sea of Sri Lanka.

Due to the time difference, although it is already late at night in Japan,

The sunset here is just kissing the sea level in the west.

The gorgeous sunset stained the entire sea level with fiery red color, and the scenery is wonderful.

A great variety of seabirds soar in the sky,

And on both sides of the bow, there were many dolphins chasing the cargo ship,

And leaping out of the water from time to time.

This rare beauty, for the crew who often drifted at sea, has long been usual,

But for Stella, this is really a beauty that has never been seen before.

She is standing at the bow of the ship,

Looking at the beautiful scenery, the mood is suddenly much more relaxed.

These days, aimlessly drifting in the sea, and with no news from the outside world,

So her entire mental state has been very decadent.

Not only her, but the elderly Douglas is also even more devastated this time.

And, because there has been a heart of resignation,

Douglas this time has not been able to let go of the slightest,

The whole day sighing and lamenting, secretly sad.

And what Stella can not let go of is the thought of Charlie, which is inexplicable.

Unconsciously in her mind, it is the image of Charlie,

And then all of a sudden lost interest in everything,

Involuntarily fast-forward through the whole process of her acquaintance,

With Charlie roaming in the brain again and again.

At this moment, she looked at the beautiful sunset over the sea,

And unconsciously thought of Charlie, and even sighed in her heart:

"If only Charlie was here too ..... In that case,"

"No matter where this ship is going, I would not worry and there would be no nervousness ....."

At this time, Ruoli stepped to her side and spoke,

"Miss Fei, it's time to go back to the cabin,"

"The sea men will come up for a routine inspection later."

These days out at sea, she and Ruoli have become familiar with each other, and the two have become friends.

Stella nodded gently and asked her, "Ruoli, have you ever been to sea before?"

"Sort of went out ....." Ruoli smiled faintly,

"After my accident in Japan, it was Mr. Wade who saved me from the sea."

Stella sighed: "It seems we both owe him a huge favor."

"Yes." Ruoli said seriously, "I have decided that I will follow him,"

"For the rest of my life, as a dog and horse, and I hope to do more for him."

Stella nodded and said, "I also have the same idea as you,"

"I just don't know if there is still this chance."

Ruoli said, "Of course there is! You are so smart and have seen a lot of the world,"

"You are a high-end talent that Mr. Wade is desperately in need of."

Stella sighed and said helplessly, "But my status is too special now,"

"My uncle must be looking for my whereabouts everywhere,"

"If he knows that Mr. Wade saved me and grandpa,"

"I'm afraid it will only bring trouble to Mr. Wade."

Ruoli comforted, "You don't need to think so much now when you get to Syria,"

"Just settle down for a while, take care of your grandfather,"

"There might be a chance to turn things around in the future."

"Mmm!" Stella nodded heavily and said with a longing face,

"I hope there is still a chance in the future!"

At this time, Stella did not know that there were less than 48 hours left before she would return to New York.

.....

A few hours later in New York, USA.

Three Boeing 777 planes finally landed at New York's JFK Airport.

The Iga ninja and their families had just left customs,

And were taken away separately by the soldiers of the Front.

All the adult males were brought to Long Beach,

While those who were old and sick were all placed in a suburban estate.
