Chapter 3661

Deep in the Demonic Mountain!

“Mr. Chen, if you walk a little further, you will reach the Heavenly Demon Gate. After arriving at the Heavenly Demon Gate, you should try not to expose your aura. I’m afraid that someone will recognize your identity and cause unnecessary trouble!”

Sect Leader Jiang said to David . Reminder!

“Okay!” David nodded!

In fact, David knew that even if he exposed his aura, no one in the Tianmo Sect would know his true identity. After all, he had never been in contact with anyone from the Tianmo Sect, and no one was familiar with his aura!

Only people who are familiar with him can identify his identity from his breath. Now that David has changed his appearance, people who are unfamiliar with him can’t tell at all!

“Mr. Chen, there seems to be someone in front of you?”

At this time, Zhe Yan suddenly reminded!

When David heard this, he listened carefully, and sure enough he could hear the sound of someone talking not far in front!

Along the way, in order to avoid others discovering his whereabouts, David did not emit any spiritual consciousness, so that he did not notice in time that there was someone in front of him!

“What should we do? Should we take a detour?”

Jiang Yulian said!

“No need, our Soul Demon Sect has no grudges with others, even if we bump into someone, it’s okay.”

Sect Leader Jiang waved his hand and said!

Now that David has changed his appearance, his identity will not be discovered as long as he does not reveal his aura!

After walking forward for a while, you can clearly see five people walking towards them, talking and laughing!

When the two parties met, they were all slightly stunned!

It turns out that the leader of the other party is none other than Divine Doctor Liu who defrauded the Demonic Dragon Ginseng from the Soul Demon Sect!

Seeing Divine Doctor Liu, Sect Leader Jiang’s face instantly turned gloomy, and Jiang Yulian’s eyes widened with anger!

Divine Doctor Liu didn’t expect to meet Sect Master Jiang here. He was slightly startled and then smiled and said, “It turns out to be Sect Master Jiang. It seems that you have recovered. Congratulations. I didn’t expect to meet you here...” ...”

When Sect Leader Jiang looked at Divine Doctor Liu, he was already filled with anger. He wanted to step forward and slap him to death!

However, looking at the four Tribulation Realm cultivators behind Divine Doctor Liu, Sect Master Jiang suppressed his anger. Go down!

“Doctor Liu, what a coincidence. My recovery depends entirely on the wonderful hands of Divine Doctor Liu.” “

Sect Master Jiang forced out a smile and said!

After listening to Sect Master Jiang’s words, there was obviously some suspicion in the eyes of Divine Doctor Liu!

He knew that Sect Master Jiang was at the end of his life, the lamp was dry and the oil was dry, and it was impossible for him to recover, but now It seemed that Sect Master Jiang was indeed fine, which made him very confused!

Although he was confused, Divine Doctor Liu smiled and said, “It’s an honor for me to be able to help Sect Master Jiang. I have something to do, so I won’t disturb Sect Master Jiang.” . “

After Divine Doctor Liu finished speaking, he took the people and left. It was obvious that this guy was feeling guilty now!

Sect Master Jiang watched Divine Doctor Liu lead the people away without stopping him!

“Master, this guy is a big liar. He deceived us all. Why did you let him go? He should be exposed to his face! “

Jiang Yulian saw Divine Doctor Liu leading people away, and Sect Master Jiang didn’t stop him, so she asked in confusion!

“Our top priority is to help Mr. Chen find the Demonic Stone, not to mention that guy also brought four people to transcend the tribulation. If the sixth-level monks really got into a fight, who might suffer the loss? “

Sect Leader Jiang said to Jiang Yulian!

Seeing this, Jiang Yulian stopped talking, but it was obvious that she was still angry in her heart!

If it hadn’t been for the miracle doctor Liu who tricked them into digging up the Heavenly Demon Dragon Ginseng, they wouldn’t have died in vain for more than a dozen famous teachers. Brother!

“Okay, don’t be angry. If I have the chance, I will definitely seek revenge on that man named Liu. Let’s leave quickly!” “

Sect leader Jiang patted Jiang Yulian on the head and said!

Jiang Yulian nodded, and then the group continued to move forward!

David didn’t speak from the beginning to the end. At this time, he knew that he needed to keep a low profile!

Chapter 3662

“Master, I have a stomachache, you go first, I will catch up right away!”

Just after taking two steps, Zheng Jian suddenly said, holding his stomach!

“Stomach ache? Why do you suddenly have a stomach ache?”

Sect Leader Jiang frowned slightly!

“Fellow Daoist Zheng, do you need me to help you take a look?”

David stepped forward and asked!

“Don’t bother Mr. Chen. It’s probably because you have a stomachache. I’ll just make it easier for you. You can leave first. Don’t worry about me. I’ll catch up later.”

Zheng Jian waved his hand and said!

“Well, just remember to catch up with us quickly!”

David saw that Zheng Jian seemed to be fine, so he nodded and said!

As soon as David and the others left, Zheng Jian straightened his body instantly, then turned around and chased in the direction where Doctor Liu and the others left!

“Divine Doctor Liu, wait a minute...”

Zheng Jian shouted loudly after chasing down Doctor Liu and others!

Divine Doctor Liu was stunned, looked at Zheng Jian with some doubts, and asked with a wary expression, “What’s wrong?” “

Divine Doctor Liu, I have something good to tell you. I wonder if Divine Doctor Liu is interested?”

Zheng Jian said!

“What good thing?” Divine Doctor Liu asked!

“Doctor Liu, do you know a man named David?” Zheng Jian asked!

“David?” Divine Doctor Liu was slightly startled, then shook his head.

A bearded monk behind Divine Doctor Liu quickly said, “Are you talking about David, who was ordered to kill by the Demon Sealed Alliance?” “

Yes, that’s him!” Zheng Jian nodded quickly!

“What’s going on?” Divine Doctor Liu asked!

The bearded monk hurriedly told the story about the Demon-Sealing Alliance’s execution of David with a hundred-year sacrifice, following the story of Divine Doctor Liu!

After hearing this, Divine Doctor Liu’s eyes suddenly brightened up and he said, “The Demon Sealing Alliance has been enshrined for a hundred years? This is a huge resource...” “

Divine Doctor Liu, it is estimated that many people are looking for David everywhere now, no?But now I know where David is.

Zheng Jian said! “

You know?” Divine Doctor Liu looked at Zheng Jian, and then said with wary eyes, “Since you know, why didn’t you tell your master and get the hundred-year offering of the Demon-Sealing Alliance into the hands of your Soul Demon Sect, and then you came to me?”

“Are you trying to play some trick? ” Let me tell you, I’m not that easy to lie...”

“Doctor Liu, you misunderstood. I’m not here to lie to you. I really know where David is. “

Zheng Jian then told David’s story in detail!

When Divine Doctor Liu heard that David helped Sect Leader Jiang to survive the thunderstorm and improve his realm, he finally understood. Come here!

Only by breaking through the realm in the lifespan period can you increase your yangshou, otherwise any panacea will be useless.

“Why did you tell me this? Is it any good for you? “

Divine Doctor Liu still did not relax his vigilance against Zheng Jian!

After all, this is of no benefit to Zheng Jian at all!

“Divine Doctor Liu, I just hope that when you kill David, you will call my junior sister Zhe Yan by the way. The guy was killed too. As long as he dies, my junior sister will no longer miss him. “

Zheng Jian said with hatred in his eyes!

Doctor Liu looked at Zheng Jian’s expression and burst out laughing!

“Haha, I understand, don’t worry, I will kill the man next to your junior sister. of. “

Divine Doctor Liu laughed and patted Zheng Jian on the shoulder!

“Divine Doctor Liu, you must not say that I told you this, otherwise my master will not be able to spare me. “

Zheng Jian warned Doctor Liu!

“Don’t worry, you gave me such a big gift, how could I betray you? “

Divine Doctor Liu smiled!

Zheng Jian was relieved when he saw Divine Doctor Liu say this, so he quickly turned around and chased David and the others!

And Divine Doctor Liu also brought four monks with him, and then intercepted David and the others. go!

Chapter 3663

“Why did you wait so long to catch up?”

Sect Master Jiang saw that Zheng Jian took a long time to catch up, so he scolded loudly!

“Master, I have a stomachache.”

Zheng Jian explained guiltily, and then kept looking around!

He wanted to see if Doctor Liu and his people had caught up!

But after walking for a while, Zheng Jian didn't find the shadow of Divine Doctor Liu and others, and he couldn't help but feel a little depressed!

At this time, on the road that David and the others must pass, Divine Doctor Liu and the four monks are setting up a magic formation!

"To be sure, I can only use the formation talisman that I bought at a high price. But if I catch David, all the losses will be worth it."

. Although he was reluctant to give up, a spiritual power penetrated into it and started to set it up!

"Divine Doctor Liu, that is a hundred-year sacrifice from the Demon-Sealing Alliance. A formation talisman is nothing. However, we must be careful. Since that kid can make the Demon-Sealing Alliance issue a killing order, he must have some strength."

The bearded monk said to Divine Doctor Liu!

"As long as David is introduced into the magic circle, he will be unable to escape. Don't worry..."

Doctor Liu's eyes were full of confidence!

He bought this magic circle talisman at a very high price and has always used it as a talisman!

Take it out now and it will be more than enough to deal with David!

Doctor Liu and others had just set up the magic circle, and David and the others also arrived!

"Hey, why are you here?"

Seeing Divine Doctor Liu and others, Sect Master Jiang was stunned for a moment!

Because when Divine Doctor Liu left, he was not in this direction. How could he suddenly appear in front of them now?

And when Zheng Jian saw Divine Doctor Liu and others, an imperceptible smile appeared on his face!

“Sect Master Jiang, we are so destined. I didn’t expect to meet him again!”

Seeing Sect Master Jiang, Divine Doctor Liu smiled lightly and said!

But while talking, Divine Doctor Liu’s eyes always looked toward him inadvertently. David!

Even the other four monks looked at David intentionally or unintentionally!

When David saw this, he frowned slightly, and then his consciousness slowly spread out, and he instantly discovered the spiritual energy fluctuations in front of them!

“A magic circle has been set up in front?”

After David dispersed his consciousness, he realized that someone had set up a magic circle in front of him, and he instantly became alert!

“Divine Doctor Liu, I wonder if you are waiting for us here on purpose, or did you bump into us by chance?”

Sect Master Jiang also felt a little strange, as if Divine Doctor Liu had deliberately led someone to wait for them in front!

“I deliberately waited for you to do something. We were just chasing a monster, so we got here.” “If

you have something to do, you can just leave. I didn’t stop you!” Divine Doctor Liu said with a smile!

Although Sect Leader Jiang felt something was wrong, seeing what Divine Doctor Liu said, he said nothing more and continued to move forward with David and the others!

David didn’t say anything, but walked straight to the front and led the way!

When they passed by Divine Doctor Liu and others, Zheng Jian gave Divine Doctor Liu a confused look!

He didn’t understand, why didn’t Doctor Liu take action?

Just when Zheng Jian was confused, a strong white light suddenly flashed, and then David, who was in front of them, disappeared in an instant!

When the light disappeared, David's figure appeared again!

But at this time, David's figure was already inside a huge transparent barrier!

"Mr. Cheng..."

Seeing this scene, Zhe Yan was startled and rushed forward!

But he was instantly ejected by a huge force!

"Mr. Cheng..." Sect Leader Jiang and Jiang Yulian were also shocked!

The two people also instinctively wanted to run towards David, but David stopped him and said, "Don't come over, I'm trapped in the magic circle. If you rush over, you will be knocked away!" "

How could this happen? "

Sect Leader Jiang was puzzled. He didn't understand why a magic circle suddenly appeared in this barren mountainous place.

Chapter 3664

"Hahaha... I'm getting rich, I'm getting rich..."

Doctor Liu suddenly laughed!

Even the four Tribulation Realm monks laughed, their faces full of excitement!

The Demon Sealing Alliance has been enshrined for hundreds of years, which is a huge resource that is unimaginable!

"How could such a good thing happen to us after a hundred years of worship from the Demon Sealing Alliance?"

The bearded monk looked at David like a cat seeing a mouse!

“Divine Doctor Liu, what do you mean?”

Sect Leader Jiang frowned slightly, then looked at Divine Doctor Liu and asked!

“Sect Leader Jiang, now that the matter has come to an end, I won’t hide it from you any more. Are you stupid if you say you don’t want the hundred-year tribute from the

Demon-Sealing Alliance?” “No wonder your Soul Demon Sect is not very strong. With your stubbornness, your Soul Demon Sect will never be able to develop in this lifetime.”

Divine Doctor Liu laughed at Sect Leader Jiang!

“What’s the hundred-year tribute from the Demon-Sealing Alliance? Why can’t I understand what you’re talking about?”

Sect Leader Jiang suddenly tightened his heart, but on the surface he pretended not to know anything about it!

“Hahaha, stop pretending. The guy trapped in the formation now is David, who was worshiped by the Demon Sealing Alliance for hundreds of years and issued a killing order?” “

Now we have caught him, The hundred-year tribute from the Demon-Sealing Alliance is ours!”

Divine Doctor Liu said with a smile!

“You are mistaken. I heard that David is only in his early twenties, but this Mr. Cheng obviously does not match his age!”

Sect Master Jiang hurriedly explained. He hoped to deceive Doctor Liu and others!

“The appearance can be changed at will. Do you think my name as a miracle doctor is fake? We are only arresting David now, so you should take your disciples and leave quickly. I won’t embarrass you.” “But if you

want to If you want to stand up for David, then don’t blame us for being rude, you just are no match for us.”

Doctor Liu threatened Sect Leader Jiang!

Sect Master Jiang frowned and glanced at David. He wanted to save David, but their strength did not allow it!

But just leaving David behind like this, Sect Master Jiang couldn't live with it!

This time, Sect Leader Jiang was in a dilemma!

"Master, let's go. Even if we stay, we won't be able to rescue Mr. Chen."

Zheng Jian stepped forward and persuaded Sect Leader Jiang!

Sect Leader Jiang glanced at Zheng Jian, but still said nothing!

"Sect Master Jiang, you should take them away and leave me alone. I will catch up with you later!"

Upon seeing this, David also persuaded Sect Master Jiang to take Jiang Yulian and the others away!

Even if they stay, they won't be able to help, and in the end they may distract David from protecting him!

"Mr. Chen, you saved my life, how could I just watch you die and remain indifferent..."

Sect Master Jiang said with a frown!

"Sect Leader Jiang, I can't die. If I die so easily, how could the Demon Sealing Alliance use a hundred years of sacrifice to issue a killing order."

David smiled lightly, with no trace of panic on his face!

"Sect Leader Jiang, we should listen to Mr. Chen and leave first..."

Zhe Yan also said!

Zhe Yan has been following David for such a long time, and he knows David's abilities. If they stay, they might even add more burdens to David!

Seeing that Zhe Yan had said this, Sect Master Jiang felt that David would be fine, so he nodded!

After giving a fierce look at Divine Doctor Liu, Sect Master Jiang led Jiang Yulian and the others and continued to move forward!

Zhe Yan also followed closely behind, but the Divine Doctor Liu and the others did not stop Zhe Yan!

This made Zheng Jian slightly stunned, looking at Divine Doctor Liu in confusion, and winking at Divine Doctor Liu desperately!

And Divine Doctor Liu seemed to have not seen it and ignored Zheng Jian!

Zheng Jian was so angry that his lungs were about to explode, but he didn't dare to show it at this time!

Chapter 3665

“Sha Bi, you really thought I would help him kill people...”

Divine Doctor Liu smiled coldly!

Many people in the world of gods and humans are selfish and disrespectful, not to mention these monks deep in the Demon Mountain!

Zheng Jian actually dared to trust others so easily. He deserved to be deceived!

Now Divine Doctor Liu and others only have David in their eyes. All they have to do is hand David over to the Demon Sealing Alliance! At

this time, I won't help Zheng Jian to kill Zhe Yan!

After Sect Master Jiang and others left, Divine Doctor Liu slowly walked to David!

“Boy, your disguise skill is pretty good. You look just like the real thing. But no matter how well you hide it, we will still discover it?”

Divine Doctor Liu said with a sneer!

“What if we find out?”

David asked nonchalantly.

“What do you think can be done? Now you are trapped in my formation and can only be captured without mercy. Then I can exchange you and the Demon Sealing Alliance for the hundred years of sacrifice.”

Divine Doctor Liu thought of the hundred years of the Demon Sealing Alliance. If you worship, you will be happy from the bottom of your heart!

“Trapped me?”

David raised the corner of his mouth. “You want to trap me even with this small magic circle. You are too naive!”

David said to me and gently pressed the magic circle with one hand.

A ripple suddenly appeared in the void, followed by a golden light flashing, and the magic circle collapsed instantly like a broken mirror!

Seeing this scene, Divine Doctor Liu and others were all stunned!

“This...how is this possible?”

Doctor Liu’s eyes widened, his face full of disbelief!

You know, he spent a lot of money to buy this magic circle talisman. It is a high-level magic circle. How could it be broken so easily?

“Divine Doctor Liu, have you been deceived? This is simply a broken magic circle?”

The bearded monk looked at Divine Doctor Liu and asked!

“It’s possible...”

Divine Doctor Liu nodded!

r> He didn’t believe that David could break through the formation so easily. There must be something wrong with his formation talisman and he was deceived!

“Even if there is no magic circle, we are still afraid of this kid...”

Seeing that David was only at the second level of Tribulation Realm, a monk snorted coldly and slapped David with a palm!

With this palm, a fire dragon instantly shot out, swallowing David instantly!

“It’s only a second-grade cultivation in the Tribulation Realm. I don’t know why you are so cautious. It will be over with just one palm.”

The monk said with a sneer!

Divine Doctor Liu and others were also a little puzzled. They didn’t expect David to be so easy to deal with. With such strength, why did the Demon Sealing Alliance offer a hundred years of sacrifice?

Just when these people were puzzled, a red flame suddenly flew out from the raging flames, like an arrow from a string!

Huh...

It only took a moment. The monk who took action only felt a heat in his chest. Then he looked down and found that his chest was burned with a big hole by the red flame!

The surroundings of the hole were scorched black, obviously showing traces of being burned. The entire hole could be seen from one side to the other!

“Ah...”

After a while, severe pain came, causing the monk to scream and finally fall down!

The flames around David began to slowly weaken, and finally disappeared completely!

“Playing with fire with me, you’re a little too young...”

David snorted coldly!

Doctor Liu and the remaining three monks were dumbfounded when they saw this!

A sixth-grade monk in the Tribulation Realm died like this?

You must know that the aura exposed by David is only the second level of the Tribulation Realm.

How could it be like this?

Divine Doctor Liu looked at the bearded monk with dull eyes, and his body was trembling slightly!

He is just a pharmacist, and his level of strength is not as good as these four!

The reason why these four people followed him was because of his status as a pharmacist, and he could use this status to defraud a lot of resources!
