The Ex Husbands Revenge Chapter 2580-Baam!

Following a deafening sound, the old man's attack tore through Leon's Hurricane Break and reached Leon.

"The Intermediate Almighty State!" Leon was shocked when he detected the old man's true energy.

It was no wonder that he managed to counter the Hurricane Break.

However, this was not the time for him to feel shocked because the aftermath of the attack was about to reach him.

Leon immediately fired up his remaining spiritual energy and narrowly dodged the attack.

"Great!"

"As expected of a Dragon Guard! How impressive!" The Feaks were all overjoyed that the old man countered Leon's Hurricane Break.

"So you are from the Dragon Corps!" Leon crawled up from the ground and realization dawned on him that the Feaks probably sought these three old men's help.

"Elder Feaks, who is this kid? Why are you fighting him out of the blue?" The old man ignored Leon and turned to the Feaks in confusion.

Upon receiving the call from the third elder of the Feaks, he had already learned that someone committed murder and robbery.

However, Leon seemed so young and righteous, not at all like someone who would commit such crimes.

Instantly, he was confused as to whether Leon was truly the culprit as the Feaks claimed.

"Howard, this kid is Hugh Wolf. He is the culprit. We would like the Dragon Guards to help eliminate him and give us justice..." the Feaks pleaded.

“I see! Kid, how could you commit such horrible crimes at such a young age?

You deserve to be punished. I’m going to take your life today representing the Dragon Corps!” Howard narrowed his eyes coldly when he confirmed that Leon was indeed the culprit.

Without hesitation, he charged at Leon, intending to take Leon down.

“I’m not the culprit...” Leon paled when he sensed Howard’s overwhelming power.

without the Dragon Pills and his other means, his actual strength was merely in Almighty State Howard was in.

On top of that, Leon had exhausted his spiritual energy. The Mirror of Sovereign could not fend off attack of the Intermediate Almighty State, so Leon was definitely no match for Howard.

Not daring to take the blow, Leon executed the Phantom Steps and backed away swiftly in an attempt to dodge Howard’s attack.

However, Howard was simply too formidable and his speed surpassed that of Leon. No matter how hard Leon tried, he could not get away and could only watch as he got closer.
