An Understated Dominance by Marina Vittori Chapter 2180

Chapter 2180

“It’s over, it’s over, this guy is dead!”

Seeing the 50,000-jin cauldron smashing into Dustin, everyone’s expressions changed.

They didn’t expect King Ma to be so decisive in killing him, and he would do it as soon as he was told, without leaving any room for action.

If this thing hits the body, the person will turn into a meat pie.

“Master Dustin, be careful!”

Seeing this, Meng Yao couldn’t help but exclaimed.

“Hmph! Let’s see if you’re still alive now!”

Niu Mang sneered again and again, with a look of death.

If the 50,000-kilogram cauldron smashes down, Dustin will definitely die.

He couldn’t wait to see the scene of the other party’s corpse.

“Ah……”

Faced with the bronze tripod that hit him head-on, Dustin just smiled faintly without any fear.

He just stood quietly, not dodging or avoiding, until the bronze tripod came close to him, then he suddenly stretched out his hand and grabbed the foot of the tripod.

Then he used the technique of borrowing force to pull the bronze tripod around him in a circle, and finally placed the heavy bronze tripod on the ground easily and steadily.

“Boom!”

The bronze cauldron fell to the ground, making a muffled sound that made the ground tremble and make sand and stones jump up.

At the same time, everyone present was stunned, and some did not react.

When they saw King Ma throwing the 50,000-jin cauldron, almost everyone thought that Dustin would be smashed into meat patties.

However, no one expected that not only did Dustin not die, but he also easily took down the 50,000-jin cauldron.

Although he used a force-discharging technique, he had to admit that this move was very clever.

Not only did he save his life, but he also won the bet.

It can be said that it kills two birds with one stone.

“I didn’t expect this guy to actually catch it. It’s really surprising.”

“Hmph! This is obviously opportunistic, winning without force!”

“Although there are some tricks, but if you don’t have a certain level of strength, you won’t be able to take it on.”

Seeing Dustin who was safe and sound, the warriors couldn’t help but talk about it.

Some people praised Dustin for his wit, while others despised him for his dishonorable victory.

“How’s it going? Did I disappoint you?”

Dustin looked at Niu Mang and the others teasingly.

“You, you...you are cheating!”

After being stunned for a moment, Niu Mang became anxious.

In his expectation, Dustin should be smashed to death by the big cauldron, instead of being safe after catching the big cauldron like now.

“Cheating?”

Dustin smiled, as if he was watching a clown: “The game only said to catch the cauldron, but it didn’t stipulate the method. Besides, I didn’t use any external force, so why should I cheat?”

“What we are competing for is strength, but what about you? But you adopt this sneaky and sneaky way, which is obviously a defeat without force!” Niu Mang shouted with eyes wide open.
