

Chapter 5033

Charlie knew Elaine very well every move of her in prison

He is very aware of her acting style and thinking logic.

Now that she has fallen in love with Bedford Hills Correctional Institution,

And liked the feeling of being intimidating there and being a ghost,

Then if she doesn't take his request seriously, she should let her be.

She will be released from prison tomorrow, so she should definitely be unwilling.

In this way, whenever she thinks about her wonderful life in there, she will definitely criticize him later.

So the best way is to let herself decide to leave that place.

Don't look at how happy she is now, but it's not difficult for her to decide to leave by herself,

As long as the three female soldiers are evacuated,

She will definitely change immediately, like crazy, and want to come out quickly.

Elaine doesn't know what kind of routine her good son-in-law has prepared to deal with her.

In order to ensure that Charlie could keep her in Bedford Hill Correctional Institution,

After dinner, she was going to call him again to inquire about the progress of the matter.

On the playground, the Chinese prison guard saw Elaine and said very politely:

“Sister Elaine, what are you doing in such a hurry?”

Elaine said worriedly: “Oh, the lawyer was here at noon today. Wasn’t he?”

“Told me that my case has been settled and that I will be released tomorrow.”

“Really?!” The prison guard said in surprise: “Congratulations to you,”

“Sister Elaine, you will be free soon.”

Elaine waved his hand: “To tell the truth, I don’t want to go out yet,”

“So I’m going to call my son-in-law and ask him to say hello to the boss of the New York police system,”

“And let me stay here longer. a few more days.”

The prison guard asked in surprise: “Sister Elaine, why are you doing this?”

“Everyone here wants to go out early, why do you want to stay for a few more days?”

“This kind of opportunity to experience life, I also want to know more about,”

“Feel more about life in American prisons, and introduce myself to my friends when I go back in the future.”

Although the prison guard didn't understand, she still said with a very polite smile:

"Sister Elaine, I think you are here to experience the hardships of the American people..."

As she spoke, she suddenly remembered something and said quickly,

"Publishing books is very popular here, not only by simple writers,"

"But also by some writers with special experience also like to publish books,"

"You shouldn't be accumulating materials for your own writing, right?"

Elaine's eyes lit up, and she said, "Oh, this is a good reason, this..."

Thinking of it, she hurriedly said to the prison guard:

"I won't tell you first, I'll go and call my son-in-law!"

On the phone, she asked him, "Good son-in-law, how is the work that Mom asked you to do?"

She thought of the flash of inspiration just now, and said to him,

"By the way, good son-in-law, Mom wants to stay here for a few more days,"

"Not just for fun and making friends, but Mom also wants to go back and be able to write a book or something,"

"Such as 'The Days I Was in Prison in the United States',"

“To expose the darkness in American prisons, maybe it will be a hit!”
