

Chapter 5217

The next day.

Charlie and Claire packed their bags and checked out of Providence, where they had been living for more than a month.

The two drove directly to the New York airport,

And when they were checking out of the airport, Charlie received a phone call from Elaine.

On the phone, Elaine asked him, “Good son-in-law, I’m at the airport, where are you?”

Charlie asked her, “Mom, are you in the VIP building?”

“Yes.” Elaine said, “The hospital director personally sent me here.”

“Good,” Charlie answered and said,

“Wait for us in the lobby of the VIP building, we’ll be right there.”

After hanging up the phone, Charlie also finished the formalities of returning the car,

And turned to the waiting Claire and said,

“Let’s go directly to the VIP building, Mom has already arrived.”

Claire did not know that her mother had broken her leg again, and could not help but tease:

“My mother is really no less a drama, she said she missed us,”

“Came to find us, but the result was to leave within a few days,”

“And when she left, she was cheated into prison, and finally came out,”

“But did not come to find us, and lived alone in New York to dazzle up.”

Charlie laughed: “Mom’s that character, you still do not understand it?”

“Yesterday I called her, people still do not want to go.”

Claire shook his head helplessly and sighed,

“There’s nothing I can do about her.”

Since the car rental agency is some distance away from the VIP building,

The employees of the agency drove a small ferry to bring the two to the entrance of the VIP building.

Just as they entered the VIP building, they heard Elaine shout, "Claire, Charlie!"

Claire looked around and didn't see Elaine's figure.

Claire glanced down and realized that the person driving the electric wheelchair was her mother, Elaine!

Elaine controlled the electric wheelchair with one hand and stopped steadily in front of the two of them and said to Claire:

"Where are you looking? You can't even see your mother with such big eyes."

Claire helplessly said, "Mom, I didn't look down either"

First reaction of Claire was that her mother must have had a good time recently,

As she saw that Elaine's face was rosy and lustrous,

And she had even put on a little weight compared to the last time she met her.

However, she quickly came back to her senses and hurriedly asked,

“Mom, why are you in a wheelchair again?”

Elaine sighed and said helplessly, “Don’t mention it,”

“A few days ago, unluckily, I slipped and fell and broke my leg again.

Claire immediately said with distress: “Mom why can’t you be careful

“You have broken this leg too many times

“If it continues like this the leg has been already been broken too many times.”

“If it continues like this, can it grow back?”

“Yes, yes, yes.” Elaine said smilingly: “The doctor said,”

“I can definitely recover this leg, you can rest assured that good.”

Claire seriously said, “Mom, you feel nothing now,”

“I’m afraid there will be sequelae in old age,”

“You must be careful in the future, don’t let this leg of yours get injured again

“Okay, Okay,” Elaine said in a serious manner,

“In the future, Mom must protect this leg well!”

Claire could only nod helplessly.
