

Chapter 5366

Ruoli was surprised.

She didn't understand why Charlie suddenly asked her to,

Go to the Champs Elysees Hot Spring Hotel to meet him.

It sounds like something important is going on.

So, she said without hesitation: "Okay, Mr. Wade, I will leave now!"

"Okay!" Charlie instructed, "Be careful on the road."

Leaving Shangri-La, Ruoli drove towards the suburbs.

Half an hour later, she drove the car to the door of Charlie's hot spring villa in Champs Elysees.

Just as she was about to get out of the car and ring the doorbell outside the yard,

The door opened from the inside.

Charlie appeared at the door, beckoning to her with a somewhat anxious expression.

Ruoli knew that Charlie asked her to drive in directly, so she drove into the yard.

As soon as she got out of the car, Charlie pulled her out of the car and walked quickly, saying,

"I need your help with something important."

"I don't know how long it will take. Let's hurry up."

Ruoli was held by Charlie pulling her, a bit of shyness suddenly appeared in a haste,

And she thought to herself: "Mr. Wade, could it be that he wants to be with me..."

"Oops... Ruoli, what are you thinking..."

She didn't know what Charlie was going to do,

But she can't help but think wildly in her heart,

Feeling that no matter what Charlie asks her to do,

She will not hesitate at all, even if there are some excessive demands, she will not hesitate at all.

And what Charlie was thinking at this time was all about the golden Blood Scattering Heart Saving pill,

That he had just refined half an hour ago.

He couldn't wait to pull Ruoli all the way,

And the two walked quickly to the basement of the villa.

This journey made Ruoli's heart beat faster and felt extremely ashamed.

However, when Ruoli entered the basement where Charlie made medicine,

She immediately smelled a very unique medicinal fragrance.

This medicinal fragrance is much more mellow than any medicinal fragrance she has ever smelled before.

It gave her the feeling that the scent of medicine she had smelled before was like blended liquor with a price of less than 100 yuan,

But the smell she smelled now was a high-end wine brewed from real pure grains, that has been stored and aged for many years.

Smelling this medicinal fragrance seems to make people get rid of all diseases and feel happy physically and mentally.

At this time, Charlie suddenly handed her a golden pill, and said,

“Ruoli, help me try this pill.”

Ruoli looked at the pill in front of her. Slightly startled, subconsciously asked:

“Mr. Wade, what is this elixir for? Is it a new medicine?”

Charlie pursed his lips, and said hesitantly: “Yes, no, I ate one just now, but the feeling is not so accurate,”

“So I want you to try it for me.”

Ruoli quickly said: “Mr. Wade, I have already taken a lot of your priceless pills,”

“And just became a five-star warrior some time ago, how can I waste more of your pills now...”

Charlie said seriously: “The pills are refined for people to eat, as long as they are eaten,”

“There will be no waste. What’s more, this is not something you owe me,”

"But I ask you for help. To me, this elixir seems to have produced a resistance,"

"I can't taste its real effect now, I want to know whether it has any effect and how much of it,"

"I still have to let the warriors try the efficacy,"

"In terms of warriors, among the warriors, I trust the most one is you,"

"So I can only ask you to come over and try it out."

Charlie knew that Ruoli didn't know that he had a new medicine cauldron,

Nor did he know that the medicine was more effective than the previous Blood Scattering Heart Saving Pill Quite a lot,

So he deliberately said: "What's more, it's still up to you whether this elixir is effective or not."

"If there are any side effects, it may affect you,"

"But you don't have to worry, I will protect you in any case."

Upon hearing this, Ruoli quickly expressed her opinion without thinking:

"Mr. Wade, with you here, I am not afraid at all!"
