Chapter 3731

David had long known that Elder Mu would stop him, and he could not be his opponent now, so when David used Thunder Palm, he had already held the clock in his other hand!

With a wave of Ben Lei Palm, the clock in David's hand began to glow, and the hands began to rotate!

When the time magic weapon was activated, everything around him instantly began to slow down, and the flow of time almost stopped!

Elder Mu was shocked. She suddenly felt that time around her was stagnant. The spells she cast began to become very slow, and the ice walls rising from the ground were rising slowly!

In the eyes of everyone around them, Elder Mu and the others seemed to be at a standstill. No one knew what was going on!

David's Thunder Palm was not affected and struck Mu Kui with a bang!

Mukui's eyes widened with disbelief on his face!

He thought that when he arrived at the inner gate of Guanghan Palace, with his aunt's protection, there would be no danger!

But now, he was slapped directly by David!

In shock, Mu Kui slowly fell to the ground. How could he, whose strength had already been greatly reduced, withstand David's terrifying blow!

Mukui slowly closed his eyes. Before he died, he seemed to see his aunt calling him!

"Kui'er, Kui'er..."

Elder Mu looked at the dead Mu Kui, his eyes were splitting, and he shouted desperately!

But Mukui is dead and can never be heard from again!

At this moment, the passage of time has already returned to normal.

Everyone looked at the dead Mukui in shock. They didn't know how Mukui died!

Lan Yingying looked dull!

She didn't expect that David would kill Mu Kui in front of Elder Mu!

How can this be?

Elder Mu is at the peak of the Tribulation Realm and will soon reach the Mahayana Realm!

How did he, a third-level monk in the Tribulation Realm, do it?

In the eyes of a peak master in the Tribulation Realm Under his protection, he even killed a seventh-level monk in the Tribulation Realm!

This unscientific!

The other monks were also very shocked at this moment, and they were all silent!

At first, they all looked down on David, who was only at the third level of the Tribulation Realm!

But in the current scene, they knew that they were looking down upon others!

“You kill my nephew, you must die, you must die...”

Elder Mu glared at David, his expression gloomy to the extreme.

You must know that the Mu family is also a wealthy family, and she is the elder of Guanghan Palace, but she did not expect that David would dare to attack his nephew!

Elder Mu waved his hand, and the heaven and earth trembled. Countless cold air was like torrential water, constantly gathering towards Elder Mu!

As she practices ice-based skills, she is like a fish in water in the Guanghai Palace, and is even more capable of exerting her power!

The cold air around him continued to gather, and finally he was punched out by Elder Mu!

boom!

The terrifying cold air erupted, rushing towards David like a tsunami!

Everything was blocked by the cold air in all directions, leaving David with no way out!

David frowned, and a sense of crisis ran through his body!

David didn't have the confidence to withstand a blow from the peak of the Tribulation Realm!

David, who didn't dare to be careless at all, instantly activated his indestructible golden body, and his whole body was covered in golden scales!

There was a fierce look in his eyes, and the dragon crystal on his chest also shone with light!

The terrifying cold air around him was approaching, and finally wrapped David directly!

David's body instantly formed ice. Even with the indestructible golden body protecting him, David felt the biting cold!

In just the blink of an eye, David's entire body was frozen!

At this moment, David was like an ice sculpture, standing motionless on the spot!

Facing a strong man at the peak of the Tribulation Realm, he really had no power to fight back. If he hadn't secretly used the time weapon from the beginning, he wouldn't have been able to kill Mukui!

Chapter 3732

“Things that don’t know whether to live or die...”

Elder Mu looked at David who had turned into an ice sculpture and snorted coldly!

Others looked at David and sighed!

“I didn’t expect that a person of the third level of the Tribulation Realm can also explode with such power. It’s a pity that he didn’t know himself, so he ended up like this.” “

Then Elder Mu is a peak expert in the Tribulation Realm. How dare he, a third level of the Tribulation Realm, follow Mu? The elder did it?”

“It’s true that newborn calves are not afraid of tigers. I thought I was invincible, but I didn’t expect that there are mountains outside the mountains and there are people outside the mountains.”

Many monks admired David’s courage, but they laughed at him and committed suicide! Using

the strength of the third level of the Tribulation Realm to fight against the peak powerhouse of the Tribulation Realm, what are you doing instead of seeking death?

Even Lan Yingying looked at David who turned into an ice sculpture, with a look of disbelief on her face!

She didn’t understand what David was thinking. Was he really not afraid of death?

Just when these people were pointing at David, no one noticed that a flame flickered on David’s chest!

This is the fire element in David’s body working desperately!

The origin stars are shining brightly, emitting almost all the origin power!

The flames grew bigger and bigger, and the ice that covered David began to slowly melt!

The fire burns the ice and emits bursts of steam, which instantly fills the sky and the earth!

David's figure also became looming under the steam!

Everyone who saw this scene was shocked. They didn't expect that David was not dead under Elder Mu's ice seal, and could even use the ultimate fire to melt the ice!

Elder Mu was also stunned, and then he frowned slightly and said, "You can actually use fire-based skills. No wonder you are so arrogant."

"Don't think that just having fire can melt my ice. I'll let you see what I really am." It's your job!"

Elder Mu was not impatient or impatient. He gently grasped the palm of his hand, and the cold air in the sky was directed towards Mu. Elders gather together!

When David saw this scene, his heart was filled with despair!

He used all his fire power to slowly melt the ice around his body!

But now Elder Mu is about to take action again, and it seems that this time his action is even more brutal!

David was scared. He knew that he could not withstand this blow!

Everyone also knows that even if David was not dead just now, he will definitely die with this blow!

"Boy, I'm afraid you can't withstand this blow. I didn't expect that just reaching the peak of the Tribulation Realm would put me in a desperate situation." "

If I had known that you were such a waste, I wouldn't have lived in your sea of consciousness."

Demon Lord Chiyun Said with some regret!

At this time, it is useless to talk about regrets!

“Senior, I’m so sorry for causing harm to you!”

David said guiltily!

“Do you need me to use the body of the remnant soul to block you? In this way, you should be fine, but it’s hard to say whether I can stay in this world!”
Demon

Lord Chiyun planned to sacrifice himself in exchange for David’s safety!

After all, he is just a ray of soul. After leaving the host, his strength will be greatly reduced. If he is attacked, he will definitely be wiped out!

“Senior, I appreciate your kindness, but we can’t give up until the end, maybe there will be a turn for the better!”

David persuaded Demon Lord Chiyun, but he himself was ready to die!

“Stop...”

Just when Elder Mu was about to slap David with his palm, a scream rang out!

Elder Mu stopped and looked around, his whole person fell into a daze, and he saw that the entire Guanghai Palace had become extremely cold!

Within ten miles, snowflakes were falling, and the whistling wind sounded like ghosts crying and wolves howling!

All the monks felt terribly cold all over their bodies, and they involuntarily retreated into the distance.

Chapter 3733

I saw a fairy-like woman wearing white clothes flying out of the hall in the snowy sky!

The surrounding cold air instantly surrounded the woman, and even the cold air controlled by Elder Mu was instantly attracted away!

“Greetings to the Lord of the Palace...”

Seeing this scene, Lan Yingying was the first to kneel to the ground, followed by many Guanghan Palace disciples who also knelt down!

“Is this the Palace Master of Guanghan Palace? It’s so beautiful.”

“Today I opened my eyes, and I actually saw the Palace Master of Guanghan Palace.”

“What a terrifying aura. I’m afraid that the Palace Master of Guanghan Palace has already died.” Have you reached the Mahayana realm?”

Many monks looked at the woman who appeared in shock!

The Palace Master of Guanghan Palace waved his sleeves gently, and the wind and snow suddenly rolled back, like a huge wave roaring, and the snowflakes floating between the sky and the earth disappeared instantly!

“Elder Mu, if you do anything in Guanghan Palace at will, do you know that this is breaking the rules of our Guanghan Palace? If this matter spreads, who would dare to come to our Guanghan Palace? ?”

The Palace Master of Guanghan Palace looked at Elder Mu with a cold expression and asked!

Elder Mu’s face was full of displeasure, but he did not kneel down to the Palace Master of Guanghan Palace. It could be seen that Elder Mu did not have any special respect for the Palace Master of Guanghan Palace!

“Palace Master, this guy killed my nephew in front of me. If I don’t kill him today, how can I be worthy of my dead nephew?”

Elder Mu said through gritted teeth!

“Elder Mu, he killed your nephew, and there are people from the Mu family who want to talk. Although you are also from the Mu family, you are now the elder of Guanghan Palace, and you must abide by the rules of Guanghan Palace!

” The Lord said coldly!

Elder Mu’s eyes narrowed slightly, “Then I have to kill him today?”

Elder Mu, who was at the peak of the Tribulation Realm, actually publicly provoked the Palace Master of Guanghan Palace, who was in the Mahayana Realm!

This scene immediately left many people scratching their heads!

The elder followed the Lord of the First Palace to challenge!

Did you take the wrong medicine?

David was also very surprised, looking at everything in front of him in shock!

“As long as I’m here, you can’t kill He...”

The Palace Master of Guanghan Palace waved his hand lightly, and instantly a transparent ice soul blocked in front of David!

Seeing this, Elder Mu gritted his teeth and “Palace Master, are you going to do it for someone who has nothing to do with it? Will the related boy completely break up with my Mu family?

“I’m just upholding the rules of Guanghan Palace. Do you have to kill people in Guanghan Palace? ” Don’t forget your identity as the elder of Guanghan Palace. “

The Palace Master of Guanghan Palace said coldly!

“Okay, then I will wait for him to leave Guanghan Palace and cut him into pieces. At the same time, I will also inform the Mu family and inform my nephew of everything here. If you die, this matter won’t just be forgotten! “

After Elder Mu finished speaking, he glared at David fiercely and walked away!

Even now, Elder Mu has not revealed David’s true identity because he doesn’t want others to get ahead of him. She wants the Demon Sealing Alliance’s hundred-year enshrinement. Everything fell into the hands of the Mu family!

“Yingying, please take someone to tidy up this place, and then let the monks go to rest. Now they can choose their favorite female monks. “

The master of Guanghan Palace said to Lan Yingying!

“Yes! “

Lan Yingying nodded, and then left with many monks!

When David saw this, he did not leave. Lan Yingying frowned slightly and said, “If you haven’t left yet, what are you doing here? Lan

Yingying asked David in a low voice!

“I’m here to find your palace master, not a female cultivator. Of course I can’t leave.” “

David said!

“Don’t push yourself too far, our palace master...”

“Yingying, let him stay and take the others away! “

The Palace Master of Guanghan Palace said!

When Lan Yingying heard this, she was a little surprised, because the Palace Master of Guanghan Palace did not like men, and the rules of the inner sect of Guanghan Palace were that all disciples were not allowed to find Taoist companions!

Guang Han Palace The Palace Master of Han Palace set an example and would not get close to male cultivators at all!

But today, the Palace Master took the initiative to let David stay, which surprised Lan Yingying!

However, Lan Yingying did not dare to ask more questions, so she could only lead Many monks left!

Chapter 3734

“Come with me...”

After the palace master of Guanghai Palace said to David, he turned around and walked into the main hall!

David followed without hesitation!

Although the Palace Master of Guanghai Palace has recovered her physical body, David still remembers that at that time she was just a ray of soul, and she was just a saint in Guanghai Palace!

After entering the main hall, the master of Guanghai Palace fired a burst of spiritual power and poured directly into David's body!

David did not dodge and allowed the spiritual power to enter his body!

"Although you have broken Elder Mu's ice seal, there is too much cold energy accumulated in your body, which will have an impact on your subsequent cultivation. I have now removed the cold air from your body. It's over."

The Palace Master of Guanghai Palace said to David!

"You know me?"

David was a little surprised!

After all, he has changed his appearance, and it has been for such a long time, so the Lord of Guanghai Palace might recognize him!

"Of course, I will never forget Mr. Chen's great kindness."

"Although you have changed your appearance, your aura cannot be changed. If I didn't know it was you, I would have been able to stop you!"

Guang The Lord of Han Palace said with a faint smile!

"Palace Master, I'm a little surprised. How dare that elder contradict you?"

David couldn't understand. It's too outrageous for an elder to contradict the Palace Master!

"Hey!"

The Palace Master of Guanghai Palace sighed, motioned for David to sit down, and then said slowly, "Didn't you realize that I, a disciple of Guanghai Palace, am not very strong?"

"The Blood Demon will reshape me. He gave up his body and asked me to rebuild Guanghai Palace. I also managed to win over some disciples of Guanghai Palace who were living in various places." "

But most of them are newly recruited disciples. If Guanghai Palace wants to develop, it must have resources.

"There is no other way. I just thought of asking the outer disciples to find a Taoist companion. Many male cultivators came one after another. As long as I find a suitable Taoist companion, this male cultivator can also help me. "For Han Palace's use, their resources will become my Guanghai Palace's.

"As for Elder Mu, she also came here for the ice-based skills of my Guanghai Palace. I also happened to use her identity to establish contact with the Mu family and obtain some resources from the Mu family. "

"Also, the male disciples of the Mu family are all practicing fire-based techniques. When the time comes, they can quickly improve their cultivation by following the dual cultivation of our female disciples from Guanghai Palace. " "

Speaking of which, we are just using each other. There is no real distinction between superiors and subordinates, so Elder Mu is not afraid of me!" "

The Palace Master of Guanghai Palace explained helplessly!

After hearing this, David also felt the bitterness and helplessness of the Palace Master of Guanghai Palace!

Having just reshaped her body, she had to rebuild Guanghai Palace and try her best to collect resources. , for the development of Guanghai Palace!

This means that Guanghai Palace must be the most difficult in its initial stage!

"Then for me, wouldn't the palace owner offend the Mu family? "

David is a little embarrassed!

If he had known this, he would not have killed Mu Kui and brought so much trouble to Guanghai Palace!

“For Mr. Chen, it is worth offending many people, let alone one Mu family. , if it were not for Mr. Chen, I am afraid that that ray of soul would have disappeared long ago, and there would never be Guanghai Palace in the world of heaven and earth. “

Palace Master of Guanghai Palace has no regrets!

This time, David felt even more embarrassed. Originally, he planned to get the Heavenly Demon Stone and leave. How can he leave now?

“Palace Master, how is this trip to the polar regions of Guanghai Palace? What’s going on? If I can be of any help, I’d be happy to. “

David asked the Palace Master of Guanghai Palace!

Since he has caused so much trouble to Guanghai Palace, David has to do something for others before leaving. It would be too much if he took the Heavenly Demon Stone and walked away. Not a human anymore!

Seeing David asking about the trip to the Pole, the Palace Master of Guanghai Palace hesitated for a moment, then shook his head and said, “Mr. Chen, you’d better not go to the Pole. Did you come to Guanghai Palace to get the Heavenly Demon Stone? I’ll give you the Heavenly Demon Stone, and you’d better leave! “

Chapter 3735

The master of Guanghai Palace actually refused to let David participate in the trip to the polar regions, and also knew that David was here to get the Heavenly Demon Stone.

“Why? Isn’t the palace master asking so many people to test him just for the trip to the polar regions? I think I can help.”

David didn’t understand why the palace master wanted him to leave!

“Mr. Chen doesn’t know. Traveling to the polar regions is very dangerous. Although it is the place where immortals fell, with opportunities and unknown resources, it is also a dangerous place. If these people go, maybe none of them will come back alive. .”

“This trip to the polar regions can only be regarded as exploration, and it is the most dangerous, so you can’t go.”

The master of Guanghai Palace said!

It turns out that the palace owner of Guanghai Palace didn’t let David go because of David’s safety!

“Since this is the case, I should share the worries for the palace master. As long as this place can be discovered, maybe the palace master will not have to worry about resources in the future.” After

hearing this, David became more determined in his thoughts!

Since the Palace Master of Guanghai Palace always thinks about himself, David has to do something!

Now Guanghai Palace is extremely short of resources. You must know that without resources, it is difficult for a sect to develop.

David just happens to be able to go to the polar regions to explore. If he really finds a resource area, it will be a great help to Guanghai Palace!

The palace owner looked at David’s insistence and didn’t know what to say. Finally, he nodded helplessly!

“Whether our Guanghai Palace can develop depends on this trip to the polar regions. If we follow the Mu family and turn against each other, I am afraid that the Mu family will never use their supreme fire to cultivate with my Guanghai Palace disciples again.”

The palace master sighed . Said in a breath!

“Palace Master, I can practice dual cultivation with you Guanghai Palace disciples to help them quickly improve their strength. Although your Guanghai Palace disciples are not as beautiful as my women, in order to repay Palace Master for saving his life, I will risk my life.”

” But there can be no more than five people in one night. I’m afraid it will be too much and my body won’t be able to bear it...”

David followed the Palace Master of Guanghai Palace helplessly and said!

He now alsoHe was treated like a stallion, just think about how he was treated like one when he was in the Ji family!

But luckily that time, there were only two Ji sisters!

But this time, Guanghai Palace may have dozens of disciples, and David doesn’t know if he can handle it!

“Can you do that?” The Palace Master of Guanghai Palace was stunned!

David did not speak, but raised his right hand slightly, and a ball of flame instantly burst into flames in his palm!

Immediately afterwards, the flames continued to rise, and the temperature in the entire hall increased rapidly!

At the same time, the fire element in David’s body is continuously spreading outwards!

“You actually understood the origin of the fire element. This is much stronger than the Mu family’s fire element skills.”

The master of Guanghai Palace said in shock!

“Is there no problem with me practicing dual cultivation with your Guanghai Palace disciples?”

David put away the ultimate fire and said with a slight smile!

“No problem, but you said that our Guanghai Palace disciples are not as beautiful as your women. Have you seen all my Guanghai Palace disciples?”

asked the Palace Master of Guanghai Palace!

“No, but if the Guanghai Palace disciples are prettier than my woman, you won’t use my female image in the illusion array to confuse the minds of those who enter the illusion array.” “

You know how much this means to me . Is it hurt? Although I know it's all fake, I always feel like I'm being tricked..."

David felt unhappy when he thought about what happened in the illusion array, so he glared at the Palace Master of Guanghai Palace and said!

"Hahaha, I actually forgot about this. When we set up the illusion formation, I really didn't see many stunning beauties. Only the women around you were as beautiful as gods, so I used their images."

" Now that the illusory formation has been destroyed, when I set up the formation again, it will no longer be used..."

The Palace Master of Guanghai Palace laughed!

"Palace Master, without further ado, you'd better go and call your disciples. Five of them will come tonight. I'll see if I can bear it. If possible, I'll add a few more tomorrow night."

David said to Guang Guang . The Lord of Han Palace said.

Chapter 3736

"What are you going to do?"

the Palace Master of Guanghai Palace asked in confusion!

"Aren't you dual cultivators with them to help you Guanghai Palace disciples improve their strength? If the dual cultivators don't come at night, it's still daytime. How embarrassing!"

David said, blushing a little!

The Palace Master of Guanghai Palace was stunned for a moment, then smiled and said, "Mr. Chen, where are you thinking? The dual cultivation I am talking about is not a reconciliation of yin and yang, so that you can be with them... with them."

“It’s for you. The ultimate fire will intertwine and merge with the extreme cold aura of my disciples in the palace, so that the extremely cold aura in their bodies will become more unafraid of flames.” “

Is Mr. Chen still thinking of putting all the disciples in my palace to sleep? Mr. Chen There are so many women, aren’t you satisfied?”

The face of the Palace Master of Guanghai Palace was full of amusement, and David looked embarrassed and ashamed!

“I understood it wrong, I understood it wrong...” Chen

Ping hurriedly explained!

Seeing David’s embarrassed look, the Palace Master of Guanghai Palace chuckled, “Mr. Chen, I’m joking with you. If you like any of my disciples in the palace, just say something and I will ask her to accompany you at night.” You.”

“But you have just gone through a hard battle, and all the breaths in your body have not recovered yet. You need to recover for a few days before we start. The trip to the polar region will be in three days.”

“No, no, I just need to take a good rest!”

David He waved his hands hurriedly. He had just gotten away from the woman to rest, and he didn’t want to suffer anymore!

Some time ago, in order to protect himself, David was constantly beaten by Bai Qian and couldn’t rest every night!

Now that I can finally take a break, why am I looking for a woman?

The master of Guanghai Palace sent someone to prepare a rest room for David!

As David walked back, the Palace Master of Guanghai Palace walked through the main hall and then came to the back of Guanghai Palace!

There is a small temple here with twinkling lights inside!

After entering, two GuanghaiThe palace disciples stood on both sides, and when they saw the palace master coming, they hurriedly saluted!

The palace owner waved his hand and let the two of them go out. Then the palace owner waved his hand and a wall in front of him slowly disappeared!

Then I saw a table with numerous spiritual tablets placed on it!

In front of these archways, there are magic stones one after another.

These memorial archways belong to the former palace masters and elders of Guanghai Palace.

As a saint of Guanghai Palace, she was the candidate to take over as the next palace master of Guanghai Palace. Unexpectedly, Guanghai Palace was massacred, almost completely slaughtered!

“Senior ancestors, if you still have souls alive, I hope you can find this place and we can rebuild Guanghai Palace together.” “There

is the Heavenly Demon Stone here. As long as your soul returns to its place, you can use the Heavenly Demon Stone to reshape your body and be reborn.”

The Palace Master of Guanghai Palace worshiped devoutly in front of these spiritual thrones!

She knows that if her soul can escape, then other people’s souls can also escape. As long as a trace of soul is left behind, she can reshape her body and be reborn directly!

The Blood Demon left these Heavenly Demon Stones in Guanghai Palace in the hope that those who were slaughtered in Guanghai Palace could be reborn!

In the past killings, no one was right or wrong, it was more like a conspiracy.

And these people in the Celestial Realm seem to be all chess pieces. Maybe the entire Celestial Realm is just a chess piece!

The Palace Master of Guanghai Palace stood blankly in front of the spiritual throne, with confusion in his eyes!

At this moment, she may really hope that one of her ancestors’ souls will return, so that she can feel more relaxed!

It was very stressful for her to support Guanghan Palace alone!

That night, the Palace Master of Guanghan Palace stayed in front of the spiritual throne all night!

The Mu family, thousands of miles away, also received the news that Mu Kui had been killed!

Although this guy Mukui has been doing mischief, he often uses the souls of the Balrog lineage to increase his strength!

But he is the eldest young master of the Mu family after all.

Chapter 3737

Mu Kui's death made the entire Mu family feel horribly depressed!

Because the head of the Mu family, Mu Kui's father, is still in seclusion, no one dares to make a decision on this matter!

“Can you confirm that the young master was killed?”

asked a thin old man with a beard!

This is the chief steward of the Mu family. After the head of the Mu family retreats, all matters big and small will be taken care of by the chief steward of the Mu family!

“I can confirm that the news came from Guanghan Palace and was delivered by the eldest lady herself.”

At this time, a servant of the Mu family handed a letter to the chief steward!

The chief steward opened the letter and looked at the contents, his expression became grim!

“I didn't expect that the young master would be killed by this guy named David. The master of Guanghan Palace was still protecting that guy.” “

Immediately pass the order. Everyone in the Mu family is not allowed to cooperate with Guanghan Palace. Several other people will be selected." A master is going to Guanghan Palace, waiting for the eldest lady's dispatch at any time."

After the eldest housekeeper read the letter, he immediately made arrangements!

It seems that Elder Mu has no intention of letting David go!

As long as David leaves Guanghan Palace, she will take action against David!

Even if it is inconvenient for her to do it, she can still let the masters of the Mu family hiding near Guanghan Palace kill David!

This revenge must be avenged!

In addition to killing David, Elder Mu was also planning a trip to the polar regions. Originally, the Mu family had good relations with Guanghan Palace, and Mu Kui also participated in the trip to the polar regions. This was nothing!

But now that Mu Kui is dead, there are obviously a lot of resources and opportunities in the polar regions, and Elder Mu will not let go of this opportunity!

If possible, the Mu family would also like to claim the place where the immortals fell in the polar regions as their own!

The next day, early morning!

David slept very well that night. It may have something to do with being too tired due to the big battle yesterday!

At this time, the Palace Master of Guanghan Palace was already standing blankly in the courtyard, looking at the vast white snow-capped mountains!

"Palace Master, morning!"

David stretched and greeted the Palace Master of Guanghan Palace!

"Mr. Chen, how are you resting?" the Palace Master of Guanghan Palace asked!

“It’s good. I didn’t expect sleeping here would be so comfortable!”

David replied!

“As long as you sleep well, I’m afraid that Mr. Chen will miss the female disciples of Guanghan Palace and won’t be able to sleep at night.”

The master of Guanghan Palace said jokingly!

When David heard this, he smiled awkwardly!

“Mr. Chen, come with me, I will take you to get the Heavenly Demon Stone, and take you to meet your companions by the way.”

said the Palace Master of Guanghan Palace!

“Companion?” David was stunned!

“Don’t you need companions when you go to the polar regions?” the Palace Master of Guanghan Palace laughed!

“Aren’t those monks who have passed the test just companions? Doesn’t it mean that each of them can choose a disciple of Guanghan Palace and go to the polar regions together?”

David asked in surprise!

“Yes, they are also going to the Pole, but as I said, they are just pathfinders. You must know that the trip to the Pole is very dangerous, and many people may die on the way.” “

Those of them are not your companions. Mr. Chen will not go with them, those people will set off tomorrow.”

The Palace Master of Guanghan Palace explained!

After hearing this, David didn’t know what to say. Although he knew that those people were so-called cannon fodder, David always felt weird in his heart just watching them die!

“Palace Master, will the one named Lan Yingying also go with those people?”

David asked!

Now in the entire Guanghan Palace, David is only a little familiar with Lan Yingying!

“What? Mr. Chen is attracted to her. If you are attracted to her, I can change the team to someone else.”

The Palace Master of Guanghan Palace said with a slight smile!

“No, I’m just asking casually.”

David quickly waved his hand!

“Come with me. The companions I have found for Mr. Chen this time are all as good as Lan Yingying.”

The master of Guanghan Palace smiled, then turned around and flew up. When David saw this, he followed closely behind!

Chapter 3738

David followed the master of Guanghan Palace to Hou Fei’s main hall. After passing through buildings, he landed in front of a house that was not very big!

Two Guanghan Palace disciples were guarding the door of the house. When they saw the palace master coming, they hurriedly saluted!

The Palace Master of Guanghan Palace took David into it!

There are actually many spiritual tablets enshrined inside, and in front of these spiritual tablets are placed one after another heavenly demon stones!

“Mr. Chen, these are the Demonic Stones. Take as many as you need!”

the Palace Master said!

David looked at the magic stones, which were nothing special, and just stepped forward to take one and put it in the storage ring!

“Palace Master, are these spiritual figures the predecessors of Guanghai Palace?”

David glanced at them and asked!

“Yes, I put these spiritual places in the hope that some of our seniors in Guanghai Palace can return to their spiritual places. If someone’s soul is still there, with this magic stone, they can be reborn.” said the Palace

Master of Guanghai Palace . !

“The companion the palace master told me about, could it be...”

David looked at the spiritual tablets, a little confused!

Do you want me to take my soul to the polar regions?

The Palace Master of Guanghai Palace saw David’s doubts, smiled slightly, then turned around and walked behind the spiritual tablets!

Behind the spiritual position, there is actually a formation blocking it!

The palace owner took out a jade tablet and pressed it gently on the formation!

Suddenly there was a burst of brilliance, the formation in front of him slowly disappeared, and then a space appeared!

After the Palace Master of Guanghai Palace brought David in, they found that there was no ice or snow here, and the mountains and waters were very beautiful.

It’s just that this place is not very big, because wherever David can see, he can see the border barrier!

This should be a small space world that has been opened up!

Swish, swish, swish...

Just after the palace master brought David in, suddenly figures came from all directions.!

David suddenly became cautious, and the aura on his body began to surge!

“Don’t be afraid, these are the saints of our Guanghai Palace, the successors of the next generation of Palace Masters!”

The Palace Master of Guanghai Palace explained to David!

Soon, twelve heroic female cultivators wearing uniform costumes fell in front of David and the others!

“Greetings to the Palace Master...”

The twelve saints fell to their knees in unison!

However, their eyes all involuntarily glanced at David one more time!

Because since they were chosen as saints, they have never seen a man again!

The palace master has never brought a man here, and even the other disciples of Guanghai Palace have never been here!

David glanced at these saints. They were all at the sixth level of the Tribulation Realm!

For Guanghai Palace, which has just been reorganized, this strength is not weak!

You must know that the Three Sovereigns and Four Kings of the Beast Clan are not just in the seventh level of the Tribulation Realm!

Although these twelve saints are only at the sixth level of the Tribulation Realm, the aura exuding from each of them can be condensed to form a powerful momentum!

Although there are only twelve people, the momentum is like a thousand troops!

Of course, to be chosen as Saint Ann, there must be something special about these female nuns!

“Palace Master, are the companions you are talking about these saints?”

David asked!

“Yes, it’s them. I need them to break through in the polar regions and improve their strength as soon as possible.”

The palace master himself also knows that the overall strength of Guanghai Palace is too low!

In addition to herself, there is also Elder Mu, who is basically at the sixth level of the Tribulation Realm.

Compared with the previous strength of Guanghai Palace, this is completely different!

You must know that in the previous Guanghai Palace, only those who reached the Mahayana realm were eligible to be selected as saints!

But now the situation is different, the palace owner can only choose the general among the dwarfs!

Chapter 3739

“Palace Master, should I take these twelve people with me? This...is this a bit too much? I’m afraid I won’t be able to take care of them!”

David frowned!

If there are only one or two people, it would be more convenient for David to carry him!

But how could David take care of these twelve people?

If he really encounters danger, should David run away by himself or with these people?

David now has the fire-bending step. Even if he encounters a strong person at the peak of the Tribulation Realm, it is not impossible to run away!

But if you take so many people with you, you won’t be able to run away!

After all, these people are too weak, only at the sixth level of Tribulation Realm!

If they were all experts at the peak of the Tribulation Realm, David would be happy to take them with him!

As soon as David finished speaking, the master of Guanghan Palace had not yet spoken, but one of the female cultivators was unwilling to come!

Her expression changed, and her eyes were full of anger as she said, "Humph, you are talking so boldly. You are just a third-level monk in the Tribulation Realm. How dare you say such words? I don't know who will take care of whom."

"Bing." Lu, shut up..."

The palace master of Guanghan Palace glared at the female cultivator, and then told the female cultivator to shut her mouth!

David also felt that he had gone too far and did not refute!

"Mr. Chen, you take them there. You don't have to take care of them. If you encounter danger, you can leave first without worrying about their life or death." "

In the end, there will only be one true saint in Guanghan Palace, so they must Someone will be eliminated."

The Palace Master of Guanghan Palace actually said such words in front of these saints!

However, none of these saints seemed to have any surprises. They should all know their mission and results!

"Palace Master, I will try my best to take good care of them!"

David said a little embarrassed!

"Binglu, during the trip to the pole the day after tomorrow, you twelve saints must obey Mr. Chen's arrangements. When necessary, you must protect Mr. Chen's safety even if you sacrifice yourselves."

“This trip to the polar regions is related to the future destiny and development of our Guanghan Palace, as well as your own destiny. The one who will improve the fastest and contribute the most during this trip to the polar regions can become the only saint of Guanghan Palace. Others The saint was demoted to an ordinary inner disciple! “

The Palace Master of Guanghan Palace said to the ice dew!

“Palace Master, we... we still want to protect his safety? “

Binglu frowned slightly and said!

David’s words just now made Binglu feel disgusted and unhappy for a long time. Isn’t it a joke to ask them to sacrifice themselves to protect David’s life? What’s more,

David Ping, a third-level monk in the Tribulation Realm, can be considered a minor monk anywhere in Tianmo Mountain. I am afraid that the monsters on the way to the polar regions can bite him to death!

Let them protect David with all their strength, it is simply Adding to the burden!

“Do you have any objections? “

The Palace Master of Guanghan Palace frowned, and a chill instantly surged through his body!

“Disciple doesn’t dare! “Binglu lowered her head!

But it can be seen that these saints have dissatisfaction in their eyes!

After all, they are all at the sixth level of the Tribulation Realm, and David is only at the third level of the Tribulation Realm! The

difference in strength is too great!

Even if they let David lead them, they actually want them to fight to the death to protect David’s safety!

This is a bit embarrassing!

The Palace Master of Guanghan Palace also saw that these saints are not convinced by David!

In their view, David He is just a young monk of the third level of the Tribulation Realm!

“Don’t underestimate Mr. Chen’s strength. Although he seems to be only the third level of the Tribulation Realm, even if you twelve saints unite, they are no match for him.

“Which of you is confident that you can survive a move under Elder Mu?” “

Palace Master of Guanghai Palace asked sternly!

“Palace Master, that Elder Mu is a great monk at the peak of the Tribulation Realm, and he is also proficient in ice-based techniques. Not to mention just one of us, even a group of us. I can’t withstand Elder Mu’s freezing technique!” “

Binglu said truthfully!

Chapter 3740

“You are still self-aware. Let me tell you, Mr. Chen not only resisted Elder Mu’s freezing technique, but also easily resolved the freezing technique.” “

If Mr. Chen uses it with all his strength, he will follow Elder Mu. It doesn’t matter who wins or who loses!”

said the Palace Master of Guanghai Palace!

When these saints heard this, they all looked at David in surprise, with disbelief on their faces!

Isn’t it a little outrageous that a third-level monk in the Tribulation Realm can tie with a great monk at the peak of the Tribulation Realm without even knowing whether he won or lost?

David was blushing with embarrassment at this moment. The master of the Guanghai Palace was too good at boasting. He boasted of himself so highly.

If he really met a master at the peak of the Tribulation Realm in the polar regions, wouldn't he be embarrassed?

"The Palace Master has exaggeratedly flattered me. I can't even resist two moves in the hands of Elder Mu!"

David quickly corrected him!

David knew that if the palace master hadn't appeared in time in the end, he might have been killed by Elder Mu!

With David's own strength, coupled with the God King's Bow, the Dragon Pattern Bell, and the extremely unstable Sky-Swallowing Beast, he might be able to compete with one or two moves at the peak of the Tribulation Realm!

But if you want to win against the opponent, it is simply impossible. After all, the gap in strength is too huge!

However, if David can be promoted to the fourth level of the Tribulation Realm, he can have a try with the peak powerhouse of the Tribulation Realm!

Although the chance of winning is not high, he is still very confident of escaping easily!

"Mr. Chen, please stop being modest. I still know your strength, and I also know that you were killed by the Demon Sealing Alliance with a hundred-year sacrifice." "A

huge organization like the Demon Sealing Alliance needs a hundred-year sacrifice. The execution order for you shows how strong you are!"

said the Palace Master of Guanghan Palace!

She dared to point out David's true identity in front of so many saints, and also sealed the demonSpeaking of the centenary enshrinement of the Demon Alliance, it can be seen that these saints are definitely loyal people and will not do anything untoward to David for the centenary enshrinement of the Demon Alliance!

When these saints heard the palace master's words, they all looked at David in shock. Apparently they had also heard about the Demon Sealing Alliance, but they didn't expect that the protagonist was in front of them!

“In order to avoid pursuit, I have changed my appearance. Please keep my secret secret, otherwise it will cause unnecessary trouble along the way!”

David hurriedly said to the saints!

The saints did not speak, but the Palace Master of Guanghai Palace said coldly, “Are you all mute? Didn’t you hear Mr. Chen’s words? His words are orders.” “

I tell you, after leaving Guanghai Palace, Mr. Chen’s words are orders, and you must obey them unconditionally. Whoever dares to disobey is disobedient, and you know the consequences.”

The aura of the master of Guanghai Palace was extremely cold, and his tone was also cold!

The saints were so frightened that they all knelt down and hurriedly replied, “I obey the order of the Palace Master!” “

Palace Master, there is no need for this. There are things we can discuss along the way, and I will try my best to protect them.”

David felt a little uncomfortable at this moment. Sorry!

“Mr. Chen, on this polar trip, you can just act according to your own wishes without considering them.” “The

polar trip is extremely dangerous, and death and injury are inevitable. Even if some of them are killed or injured, Mr. Chen does not need to be overly complacent. It’s my fault.”

The Palace Master of Guanghai Palace said!

David nodded, but the more the Palace Master of Guanghai Palace behaved like this, the more pressure David felt on himself, and he had to do his best to protect the safety of these saints!

After all, these people are the mainstay of Guanghai Palace. The future development of Guanghai Palace still needs them, and the palace owner still needs their assistance!

David followed the palace owner and left that space, but at this moment, David felt a little stressed!
