An Understated Dominance by Marina Vittori Chapter 2203

Chapter 2203

These killers have done many evil things and killed innocent people indiscriminately. As an upright disciple of a famous family, I should do what is right for heaven. I am willing to stay and fight with Brother Dustin!”

At this time, Yan Buqi folded his fan and spoke first with a loud voice.

“That’s right! Punishing rape, eradicating evil, and upholding justice are the responsibilities of all of us. I am willing to die together with Brother Dustin!” Xu Yang raised his hand high.

“Count me in.” Liu Rushuang slowly raised her hand and spoke concisely.

“And me and me!” Liu Hongxue said happily, looking like she was sharpening her sword.

I finally got the chance to fight and show off my skills, so I couldn’t miss it.

“We are also willing to stay.” Chunhua Qiuyue raised their hands at the same time.

Under the leadership of these people, the atmosphere gradually became lively.

“Damn! Isn’t it just desperate? Who is afraid of whom? If those killers dare to show up, I will kill them!”

“Brothers are all smart, so they don’t even have the courage to do so, right?”

“Stop saying anything! I will stay here tonight to see who dares to come!”

“...”

Some hot-blooded young people talked a lot and raised their hands.

When they first entered the arena, they all had a bit of courage and a heroic complex.

On the contrary, some veterans are still hesitating and weighing the pros and cons.

“It seems the results have come out.”

Dustin glanced left and right and said, “Mr. Dong, time is pressing, so please go back as soon as possible.”

“You must be careful. If you lose, retreat first, mediate as much as possible, and wait for reinforcements.” Dong Qianqiu warned earnestly.

“Understood.” Dustin nodded.

“Let’s go! Go to Longhu Mountain to bring in reinforcements!”

Dong Qianqiu didn’t talk nonsense. After shouting, he led a group of warriors towards Longhu Mountain.

There were about 50 people who participated in the ambush before. Dong Qianqiu took away the 20 people, and there were still 30 people on Dustin’s side. Together, they can be regarded as a considerable force.

“All heroes and heroes are all righteous people. Lu admires you!”

Dustin turned around, cupped his hands to the people who were left behind, and said, “Please lay ambush around and wait for the opportunity.”

“yes!”

The warriors responded and quickly dispersed.

Only a few people, Yan Buqi, stayed with Dustin to provide support.

“Brother Dustin, it looks like we are going to have a big fight tonight.”

Yan Buqi stood with his hands behind his back, looking calm.

“I kind of regret it. What if I can’t beat him?” Dustin suddenly said.

“Brother Dustin, at this critical moment, please don’t say anything depressing. We are all counting on you!” Xu Yang’s eyelids jumped with fright.

“Don’t be nervous, I was just joking to lighten the mood.” Dustin smiled.

“Stop making trouble. How are you trying to lighten the mood? It’s more like scaring people.” Yan Buqi looked weird.

The other people also looked at each other, dumbfounded.

“They’re coming!”

At this time, Liu Rushuang’s eyes narrowed and she suddenly pulled out the sword.
