### Chapter 3786

Qi Peijia looked at David, his eyes full of fear!

In the battlefield between gods and demons, Qi Peijia could beat David around like a dog chasing a rabbit!

But in just ten days, David's strength had grown so much that he became scared!

"David, you and I have no grievances. Today I won't fight with you, and our grudges will be wiped out. How about that?"

Qi Peijia asked David.

Listening to Qi Peijia's words, David smiled!

"Do you want to be shameless? When I was not as strong as you, you chased me like a lost dog. Now that I am stronger than you, you want to write me off?"

"Why are you so big-faced? Are you swallowing the devil in the cave? Shameless in middle school?"

David mocked Qi Peijia!

"Ahem...boy, scold him if you scold him. Don't take me with you. I didn't teach him. He taught himself in his cave."

Demon Lord Chiyun said in David's Knowledge Sea . Among them, he said very dissatisfied!

Qi Peijia blushed at what David said, but still suppressed the anger in his heart and said, "David, with your current status, if you fight with me and attract other people, do you think you can escape?" "

You are How many people are envious of the walking resource library and the century-old sacrifice of the Demon Sealing Alliance..."

Qi Peijia wanted to threaten David with this and prevent David from taking action!

“Do you think I’m afraid?”

David smiled coldly!

Qi Peijia knew that David would not let him go today, so he stopped talking and the aura on his body began to rise.

Since there must be a battle, he will fight tooth and nail, and there may be a chance to escape!

Seeing Qi Peijia preparing to take action, David raised the corner of his mouth with disdain in his eyes!

David can now get back all the humiliation he suffered in the battlefield between gods and demons!

Lan Yingying felt the aura on Qi Peijia’s body and felt extremely nervous!

“If the two of us do it together, we might still be able to escape!”

Lan Yingying saw that Qi Peijia was about to take action, so she said to David!

“Escape? Who escaped? Did he escape?”

“Didn’t you hear just now that he begged me not to hit him?”

“Now that you are like this, can you do anything? If you do, it will be exposed. Aren’t you very Are you afraid that people will see you?”

David looked at Lan Yingying and said calmly!

Although David couldn’t say he disliked Lan Yingying much, he didn’t like her much either!

Lan Yingying killed two saints with a few words, and David has always been worried about it!

Listening to David’s words, Lan Yingying fell into silence!

She is naked now. If she does something, she will definitely be naked. Then she will be seen naked!

Whoosh!

In an instant, Qi Peijia moved. When David was talking to Lan Yingying, he moved!

This is the best opportunity, David is distracted, he can take it by surprise!

Qi Peijia's body erupted with a shocking aura, and he shot out streaks of black mist that tore through the void!

In front of David, Qi Peijia's Tianming Eye and Black Demon Armor were useless!

So he could only choose a sneak attack!

"Be careful..."

Lan Yingying didn't expect that Qi Peijia would launch a sneak attack while David was talking, so she quickly reminded David!

David, on the other hand, remained calm and waved his palm in an instant, and a flame swept away like a huge wave!

For a time, the sky was filled with red light, and half of the sky turned red!

Seeing the huge wave of flames in front of them, Qi Peijia was dumbfounded!

David's strength was so outrageous that he couldn't even imagine it!

The third level of the Tribulation Realm actually erupted with such shocking flames!

The people from the five major sects, a hundred miles away from David and the others, were resting at the moment. When they saw the sky suddenly turn red, they knew that someone must be fighting!

If there is a fierce battle, there is only one possibility: fighting for treasures!

## Chapter 3787

“Let’s go over and take a look. Maybe someone has discovered the place where the immortal fell.”

Sect Leader Luo looked at the red light in the distance and said!

The people from the five major sects stopped to rest, and then quickly moved towards the red light!

At this moment, Qi Peijia continued to wave out black mist, resisting David’s huge wave of flames!

David looked at Qi Peijia’s embarrassed resistance, and the corner of his mouth curled up!

Then the body jumped up, and the magic whip in his hand appeared instantly!

Snapped!

Qi Peijia was resisting the fierce flames. He was unprepared and was hit by David’s whip! The

painful attack from the magic whip that penetrated the sea of consciousness made Qi Peijia scream and fall to the ground!

He is not afraid of physical pain, but this magic whip is specifically aimed at the demon cultivator, attacking the demon cultivator’s spiritual consciousness!

That kind of nerve pain is much worse than physical pain!

Looking at Qi Peijia who fell to the ground, the magic whip in David’s hand crackled in the air!

Listening to the noise, Qi Peijia’s body trembled and his heart twitched. He was scared to death!

“David, if you can kill me, why are you torturing me like this?”

Qi Peijia knew that now that he was in front of David, there was no possibility of escaping, so he wanted to die!

Death can be a little more enjoyable!

Lan Yingying was shocked when she saw David torture Qi Peijia!

“I can kill you at any time now, but I still want to torture you. Have you forgotten how you chased me on the battlefield of gods and demons?”

After David said that, he hit Na Qi Peijia hard again. A whip!

But at this moment, David noticed someone approaching, his brows furrowed involuntarily, and his consciousness instantly spread out to investigate!

When he found out that he was from the five major sects today, he seemed a little surprised!

After all, the five major sectsIt’s thousands of miles away from here, how could they come here?

However, people from the five major sects came just in time. David also wanted to find Hai Dafu and others from the five major sects to save it!

When they were in the five major sects, these guys intercepted David and injured Bai Qian and the others. David has not yet avenged this!

It’s just the right time!

But before taking revenge, David decided to clear up his murder of the five major sect disciples first!

It was clearly Qi Peijia who did it, but in the end he was framed!

Realizing that people from the five major sects were already in front of him, David looked at Qi Peijia and asked, “In the battlefield of gods and demons, it was obviously you who killed the disciples of the five major sects, why did you put the blame on me? If you explain clearly, I can give you You’re in for a treat!”

Qi Peijia didn’t know that people from the five major sects were nearby, so he said, “It was all the Ning family’s idea. They changed into your appearance, and then deliberately exposed the storage bags of the disciples of the five

major sects. , make the five major sects hate you, so that you can kill people with a knife.”

David was relieved when he heard that it was Ning Zhi’s idea.

After fighting with Ning Zhi for so long, this guy can indeed do such a thing!

Ning Zhi is the most clever enemy David has ever encountered, and this guy is ruthless and has no scruples!

“David, I’m telling you now, please give me a pleasure!”

Qi Peijia said to David!

He didn’t want to be whipped a few times by the magic whip!

“Don’t worry, someone will give you pleasure!”

After David finished speaking, he looked aside and said, “Now that you are here, come out. You should also have heard that the killing of your five sect disciples has nothing to do with me. , it’s all done by this guy.”

Qi Peijia was stunned, and then he saw hundreds of people coming out from behind one side of the mountain!

The ones at the front are the heads of the five major sects!

Seeing this scene, Qi Peijia knew that he had been tricked by David!

## **Chapter 3788**

No wonder he suddenly asked about the five major sects. It turned out that people from the five major sects were nearby!

Sect Leader Luo looked at Qi Peijia with murderous intent in his eyes and walked slowly over!

Qi Peijia’s face turned very ugly!

“You dare to kill my disciples from the five major sects. Our five major sects must avenge this revenge!”

After speaking, Sect Master Luo shouted to hundreds of disciples from the five major sects, “Everyone stab him with a sword, for your senior brother Revenge...”

“As ordered...”

Hundreds of disciples from the five major sects were all filled with righteous indignation!

Qi Peijia was stunned. He wanted to die, but he didn't want hundreds of people to be stabbed to death! **☒.v☐Dt☒.lA**

Qi Peijia was very scared, but there was nothing she could do!

He knew the consequences of resistance would be a worse death!

Poof...

A disciple from the five major sects came over and gave Qi Peijia a sword!

Then one by one came forward, and Qi Peijia was reduced to a puddle of rotten flesh in the end!

Qi Peijia died, but it was not David who killed him, he was tricked to death!

“Fellow Taoist, I'm really sorry. I misunderstood you before...”

Sect Leader Luo stepped forward and said to David!

David didn't reply, but looked at Hai Dafu and others with deep hatred in his eyes!

David wished he could kill these guys right away!

But now he is not a match for the five major sects. If these people join forces, David is still not sure!

What's more, he came to find Jishi, so revenge can only be postponed!

However, David must avenge himself. If he finds a suitable opportunity, he will take action without hesitation!

“Let’s go...”

After David finished speaking, he turned around and left, with Lan Yingying following behind!

“Sect Master Luo, I’m afraid this kid’s value is not lower than that of the place where the immortal fell. This is a century-old tribute from the Demon Sealing Alliance.”

Hai Dafu stepped forward and whispered to Sect Leader Luo!

“You still want to use his life to seal the Demon Alliance in exchange for a hundred years of worship?”

Zongzhu Luo gave Hai Dafu a cold look!

When Hai Dafu saw this, he shut his mouth, while Sect Leader Luo chased David!

“Hmph, you are just a fool to waste a lot of resources.”

“It seems that we have to take action in advance. We can just catch this David and go to the Demon Sealing Alliance in exchange for rewards.”

Hai Dafu said to Sect Master Yue Talk to Sect Master Yang!

“Yes, let’s start first. Didn’t Sect Master Na Luo say that as soon as we leave the five major sects, he won’t stop us from attacking David?”

“We are testing the situation later. If Sect Master Na Luo really doesn’t care, , you can let him live longer, if he blocks it, kill him first.”

Sect Master Yue said coldly!

“Yes, just do it!” Sect Leader Yang also nodded!

Only the leader of the Chen Sect, Chen, remained silent that day, with a very complicated expression on his face!

At this time, David had already brought Lan Yingying back to the cave!

Binglu was surprised when she saw Lan Yingying like that. She thought it was David who had used force on Lan Yingying!

“Don’t look at me like this. I didn’t do this. Find her some clothes quickly!”

David saw Binglu’s strange look and hurriedly explained!

Binglu found some clothes for Lan Yingying to put on, and then asked, “Sister Yingying, what’s wrong?”

Lan Yingying lowered her head and didn’t speak!

In fact, Lan Yingying felt very guilty for indirectly killing two saints!

Otherwise, she wouldn’t have the shame to stay!

“Why are they following?”

David frowned and realized that people from the five major sects were following!

Davidyan originally wanted to avoid them, but he didn’t expect these people to follow him all the time!

David walked out of the cave and saw Sect Master Luo walking to the entrance of the cave!

“Sect Master Luo, why are you following me?”

David asked angrily.

If Sect Leader Luo hadn’t helped him out of trouble when he was in the five major sects, David would have been angry by now!

## **Chapter 3789**

“Fellow Taoist, I came here to express my apology to you, and also to cooperate with you. It seems that you entered the Pole first and are more familiar with this place than us.”

Sect Master Luo said to David very politely!

“Cooperate with me?”

David was stunned. He didn't expect Sect Master Luo to make such a request!

David looked at the other people behind Sect Master Luo, especially Hai Dafu, but did not answer!

These guys have a grudge against me, how can David cooperate!

Hai Dafu and others were slightly shocked when they heard that Sect Master Luo wanted to cooperate with David!

Then they exchanged glances, ready to attack Sect Leader Luo and David at any time.

“Mr. Chen, what's wrong?”

At this time, Binglu came out with many saints!

Seeing the sudden appearance of the saint, Hai Dafu and others were instantly alert. The plan to take action stopped again!

Sect Leader Luo looked at Binglu and others. They were all at the sixth level of the Tribulation Realm. None of them were weak. He couldn't help but be surprised!

Although the strength of the five major sects is good, the strength of their disciples is not very high.

And they are all uneven. Among the hundreds of disciples from the five major sects, the strongest ones are at the sixth level of the Tribulation Realm, and there are only a few!

Behind David, more than ten women of the sixth level of the Tribulation Realm suddenly appeared, which surprised everyone in the five major sects!

Looking at the uniform costumes of these saints, it is obvious that they belong to the same sect!

If a sect has such strength, you can imagine how terrifying it is for the sect!

This is why Hai Dafu and others immediately gave up their plan to take action when they saw Binglu and the others!

“An old friend wants to cooperate with us...”

David said calmly!

“Cooperation?” Binglu’s face was full of vigilance!

You must know that the sect families who come here are all here for treasure hunting and profit. Who will cooperate with others?

“We just came to the polar regions for the first time and are not familiar with them, so we want to cooperate. Don’t worry, if we find the place where the immortals fell, we can share the treasures found there equally!”

Sect Master Luo hurriedly said to Binglu!

Binglu felt relieved when she heard that Sect Master Luo and the others were looking for the place where the immortals fell!

Obviously, this person was also tricked. There is no place where immortals fell here!

“Sect Master Luo, cooperation is fine. We don’t want anything if we find the place where the immortal fell. But we need a kind of pole stone here, and you can’t fight for it.”

“After all, that thing is of no use to you. It can only be used for cultivation. Only monks with ice-based skills can use it!”

David directly told Sect Master Luo about the Ji Stone!

“No problem, since it is of no use to us, we will never fight for it!”

Sect Leader Luo agreed directly!

“Then it’s a pleasure to cooperate...”

David stretched out his hand towards Sect Master Luo, and Sect Master Luo shook hands with David!

However, at the moment of shaking hands, Sect Master Luo exerted a slight force, as if to remind David of something!

David looked surprised, but he didn't understand what Sect Master Luo meant!

From the beginning to the end, Sect Leader Luo did not discuss with the people behind him, and just decided to cooperate with David!

Hai Dafu and others didn't speak either. We could see the dissatisfaction in their hearts, but they didn't dare to say anything!

David took Binglu and the others to rest in the cave!

People from the five major sects found a place to repair outside the cave!

After daybreak, they set out to find the place where the immortal fell!

But just when David was sitting at the edge of the cave, with his eyes slightly closed, and entering a state of cultivation, a breath suddenly came towards him!

David opened his eyes instantly, and at the same time the aura on his body exploded, ready to take action at any time!

After all, Hai Dafu and others have always wanted to catch him and hand him over to the Demon Sealing Alliance to receive the reward, so David had to guard against him!

## **Chapter 3790**

"It's me..."

Just when David was about to take action, Sect Master Luo's voice came over!

David was slightly stunned and looked at Sect Master Luo in confusion. He didn't understand what Sect Master Luo was doing secretly to find him!

Thinking of the situation where Sect Master Luo deliberately used force when shaking hands with him, David knew that Sect Master Luo must have something going on!

“Sect Master Luo, what’s the matter with you?”

David asked in a low voice!

Sect Master Luo looked around and whispered, “We’d better find a hidden place...”

David nodded, led Sect Master Luo into the cave, and ordered two saints to guard the entrance of the cave!

At this time, Sect Leader Luo breathed a sigh of relief, looked at David and said, “Fellow Taoist, when I cooperate with you, I actually want you to help me...”

“What can I help you with?”

David asked doubtfully!

Seeing that Sect Master Luo has reached the ninth level of the Tribulation Realm, David doesn’t know what else he can do to help him!

“This time when we come to the polar region, Hai Dafu and others have already had murderous intentions. The last time I let you go from the five major sects, they were already grudges against me.”

“Now I have broken through to the ninth level of the Tribulation Realm. , they have already agreed to unite and kill me.”

Sect Leader Luo said with an ugly expression!

“They want to kill you? Since you know, why do you still come?”

David is very curious. If Sect Master Luo knows, why do you still come to the pole?

Sect Master Luo smiled bitterly, “I was forced to have no choice. If I didn’t come, Sect Master Chen would definitely die...”

“The three of them gave Sect Master Chen of Tianchen Sect a poisonous pill and asked Sect Master Chen to cooperate with them.”

“If I didn’t come, no. If you pretend not to know anything, they will definitely attack Sect Master Chen.”

“Is this what Sect Master Chen told you?” David asked!

Sect Leader Luo nodded, “He secretly told me. I could also detect that Hai Dafu and others had murderous intentions towards me.”

“The reason why they haven’t taken action yet is because they want to find the place where the immortal fell and then get rid of me.”

“They have the ability to find the place where the immortal fell.” David said calmly.

“Why?” Sect Master Luo was stunned!

“Because there is no place where immortals fell here at all. It’s all lies. The real resource in the polar region is the polar stone. This kind of thing is useless to other sects and families.”

“In this polar region, only Guanghan Palace follows Mu The family needs Jishi, and everyone else who came here was deceived.”

David told Sect Master Luo the true situation!

“So that’s it. I’ve heard about the Mu family, but I’ve never heard of Guanghan Palace!” It

’s normal for Sect Leader Luo not to have heard of Guanghan Palace. After Guanghan Palace was destroyed, it just recovered, and then The five major sects are thousands of miles apart, so it makes sense that I haven’t heard of it!

“Sect Leader Luo, how do you want me to help you? Let’s work together to get rid of those three people?”

David asked!

David also has hatred for Hai Dafu and the other three, so if he wants to kill them, David will not hesitate!

But Sect Master Luo shook his head, "It's not possible now. We need to find an opportunity. There are many disciples under their sect. If we really take action, they will definitely kill each other. It will be very miserable."

"I want to find an opportunity to get rid of these three people. Don't Hurt the disciples!"

David heard what Sect Master Luo said and understood what he meant. Sect Master Luo didn't want to hurt the disciples of the five major sects!

After all, they were all from the same sect in the past. As long as Hai Dafu and the other three were eliminated, the disciples would naturally be under the management of Sect Master Luo!

"Okay, I'll take action when I find an opportunity."

"But you can secretly tell Sect Master Chen that I can find a way to remove the poison from him so that he doesn't have to worry."

David said to Sect Master Luo!

Sect Master Luo nodded happily. If Sect Master Chen's poison is detoxified, then their side will be even more powerful. By then, Hai Dafu and the other three will not be able to make any waves!
