

Married At First Sight

Married At First Sight Chapter 3144-Sonny then said to the driver and bodyguard, "Uncle, I have a certificate."

The driver and bodyguard smiled and praised him.

Serenity took out her mobile phone and made a video call to Liberty. Liberty took a while to answer the call. After answering the phone, she whispered, "Seren, if there is no emergency, I will call you later. I am talking to the client now, talking about business."

Serenity said, "Okay, sister, you go ahead and do your work. We have nothing to do. I picked Sonny up. He got a certificate for being a good boy and wanted to tell you."

Liberty smiled: "Sonny is great; I'll call you later."

Serenity: "Sister, go get busy."

Sonny: "Mom, go and do your work and earn more money to study for me."

Liberty smiled and said, "Okay, Sonny, you have to study hard and listen to your aunt. Don't be naughty. If you are naughty, let your aunt hit your b-u-t-t with a clothes hanger."

Sonny shrank, "I'm very obedient."

Then, he hung up the video call first, fearing that his mother's clothes hanger would come out of the phone and spank his little b-u-t-t.

In actuality, a coat hanger had not whipped him.

When Sonny did something wrong, Liberty or Serenity would lecture him verbally and then reason with him about why he shouldn't do that.

He'd heard from Titus that the clothes hanger was very painful. Titus was whipped by his master.

If he didn't practice the martial arts well or memorize the book well, Titus's master would beat him with a coat hanger.

Titus said that he could run very fast. He used all the skills taught to him by his master. Sometimes, his master could not catch up with him.

When he heard this, Sonny felt a little envious, envious of Titus being able to run so fast.

He couldn't outrun his uncle, not to mention his aunt. He couldn't outrun him.

He also studied martial arts for a period of time. Liberty said that he would study for a few more years to see if he could beat his aunt. After more than ten years of learning, could he beat his uncle?

His aunt's martial arts were very powerful.

"Auntie, the teacher said the winter vacation will start soon. During the winter vacation, can you take me to play with Titus?" Sonny suddenly asked Serenity. "When Titus came over last time, he told me that he would come back during the winter vacation and ask me to play with him."

Even little kids have friendships.

Serenity thought for a while and said, "I can't give you an answer yet. When you visit your uncle later, mention it to him and see if he agrees. If he agrees, then I will take you to FC Manor."

She was married and pregnant. When traveling far away, she always had to talk to Zachary and get his permission.

Once the pregnancy is stable and it is not yet in the third trimester, it should be fine for a long trip.

Sonny nodded in understanding.

He stuffed the certificate back into his schoolbag, then leaned into Serenity's arms and said in a soft voice, "Auntie, I miss you so much. I missed you very much in kindergarten, as did my mother, uncle, and Uncle Lewis. I missed them all."

Serenity chuckled. "You are having so much fun in the kindergarten, and you are still thinking about your aunt. It seems that you like your aunt very much."

Sonny said, "My favorite is my mother, then my aunt, and the third one is my uncle and Uncle Lewis."

In Sonny's heart, Duncan's status was the same as Zachary's.

Serenity hugged him and said, "I also like Sonny the most."

Sonny said, "Auntie, you will always like me when you have your son?"

Serenity: "Of course, Sonny is unique in my aunt's heart."

A nephew and a son have different positions.

Sonny didn't understand this, so Serenity didn't need to go into too much detail. Anyway, Sonny knew that he had a very important position in Serenity's heart.
