

Married At First Sight

Married At First Sight Chapter 3199-Serenity pretended not to see the two people fighting secretly. She smiled and said, "In that case, I'll order two bottles of good wine. I can't drink. For the healthy growth of my baby, Zachary rarely drinks anymore. Miss Du, we can only let Evan accompany you for two drinks.

Evan, you have to have a drink with Miss Du later. You two can drink as much as you want. You don't have to worry about getting drunk. With me and your brother here, you don't have to worry about anything."

She also winked at Abby.

Abby quietly returned her OK gesture, and Serenity was relieved that Abby's drinking capacity would not be bad.

She remembered that Abby wanted to ask Evan what he wanted, and she worried that Abby was drunk.

Since Abby said it was okay, she didn't care.

When the good wine and food were served, Abby personally poured a glass of wine for Evan. "Mr. York, come and have a drink with me."

Evan did not clink glasses with her. Instead, he took her glass and put it on the table. He said to her, "Miss Du, if you drink on an empty stomach, you will get drunk easily." This wine is potent, and you will feel very strong when you drink it. It tastes good, but it has strong stamina and can make you drunk without even realizing it. "Eat some food first, drink a bowl of soup, and then drink slowly."

With that said, Evan served Abby a bowl of soup.

"Have a bowl of soup first."

Abby didn't like soup, and she rarely drank soup at home, but Evan served it to her, so she gave Evan a face.

She thanked Evan, picked up the spoon, and began to drink the soup.

After taking two sips of the soup, she said to Serenity, “Miss Hunt, this soup tastes really good. I rarely consume soup. This soup tastes good.”

“Ms. Du thinks it tastes good. Drink more. We are accustomed to starting our meals with soup.

Eating habits can't be changed.

Abby was not from Wiltspoon, so her eating habits were naturally different from those in Wiltspoon.

People who don't like soup will praise it as delicious, which means it is really delicious.

“Miss Du, How old are you this year?” After Serenity filled half a bowl of soup for Sonny, she asked Abby's age.

“Miss Hunt, you and I were in the same year.” My birthday is at the end of the year, so I'm a few months younger than you.”

Serenity: “Then you should call me sister from now on, and don't call me Miss Hunt.” You and I are also destined to meet each other, and I feel like I regret meeting you too late.”

Abby smiled and said, “Okay, then I will call you Sister Seren from now on. Additionally, please refrain from referring to me as Miss Du. You can call me Abby.”

Evan looked at Zachary.

Zachary only focused on picking up food for Serenity and Sonny, not looking at him or caring about what the two women were talking about.

Evan was quite helpless.

Zachary was a maniac who doted on his wife. He doted on his wife to the sky and obeyed her in everything.

Fortunately, Serenity did not take pride in her favoritism.

After Serenity and Abby chatted for a few minutes, they returned the home court to Evan.

She focused on eating and quietly urged Sonny to eat quickly.

While Zachary was taking care of his beloved wife and Sonny, he didn't forget to fill his stomach.

The three of them were eating and drinking very quickly, as if they were competing.

Evan felt that he had only eaten a few chopsticks of vegetables. He had just finished half a bowl of soup when Zachary and Serenity had already put down their bowls and chopsticks, saying they were full.

“Evan, I want to go downstairs for a walk and eat.” Your elder brother will accompany me. On my behalf, you can entertain Miss Du. You eat and drink slowly. We will come back later.”

If Abby was drunk, Evan would be in charge of sending her back to her room.

Even though he was not drunk, he wanted to have a good chat with the two of them.

Inviting Evan over for dinner was arranged for Abby so that Abby could have the opportunity to ask Evan's attitude in person.
