

The Ex Husbands Revenge

The Ex Husbands Revenge Chapter 2875-“Um, what? These are just useless scum. It’s not a big deal,” Leon snapped out of it and said casually, not at all threatened by the others.

His words caused a stir in the crowd.

“What the? Has he gone mad?” “How dare he say that in front of three powerful families?” “How arrogant can he be?”

Once the others snapped out of the initial shock, they all turned to Leon in disbelief.

When they learned that Leon crossed the Fermers, the Grimstons, and the Underwoods, they already recognized that Leon was arrogant.

Still, they now realized they underestimated Leon.

Not only was Leon not threatened by the situation at all, but he also mocked the three families and called them scums.

This was practically suicidal.

None of them could comprehend what gave Leon the courage to do so.

“Why you– Caleb’s face turned green from rage.

He initially hoped that Leon would think of a solution or lessen his burden, but to his surprise, Leon provoked their opponents further.

If he knew this was the outcome, he would have preferred that Leon did not speak at all.

Unfortunately, it was already too late.

“Brat, how dare you? You must have a death wish!” Dorian, Felton, and the others were enraged by Leon’s attitude.

Dorian only saw Leon as a puny brat. However, with Caleb standing before Leon, he knew he could not get past Caleb and could only suppress his anger.

“Elder Morrison, you better read the room. Since the Morrisons and the Grimstons are among the ranks of prestigious families in the Western region, I’ll give you one more chance. If the Morrisons back away now and stop protecting Leon, the Grimstons and the Underwood won’t target the Morrisons. Otherwise, we will show no mercy!” Dorian stared at Caleb viciously.

If they tried to team up against Caleb, they would likely suffer great casualties and this would not benefit the Grimstons.

If Caleb could give up on protecting Leon, that would be ideal.
