The Ex Husbands Revenge Chapter 2885-“Never mind! Mr. Caleb, Elder Daglesh, you needn’t worry.” “I have a handle on this matter. Anyway, your two families can just watch from the sidelines. I can handle these worthless scoundrels.”

Hearing the persuasion from Caleb and Elder Daglesh, Leon remained calm and determined, with no room for negotiation in his tone.

“Well...” Seeing Leon’s insistence, Caleb and Elder Daglesh were completely stunned!

Then the two of them could not help but exchange a glance, at a loss for what to do!

“Fine, very well! Leon, this is of your own making!” Felton, Dorian, Cassius, and others were infuriated by Leon’s arrogance, their laughter filled with anger!

Then, as if recalling something, Felton’s gaze shifted to Caleb and Elder Daglesh.

“Mr. Caleb, Elder Daglesh, you both heard what Leon said, didn’t you? He already stated for your two families to watch from the sidelines, without needing your help!

“If your two families continue to shelter him, or actively assist him in opposing our three families’ forces together!

“Our Farmers will not rest until we’ve dealt with your two families, even if it means to the death!”

Felton’s expression was cold and menacing, his words full of threat.

Although he knew that the Morrisons and Daglehs would not act as Leon’s enforcers, just to prevent any accidents.

He still warned Caleb and Elder Daglesh in advance, giving them a preemptive dose of caution!

This ensured that everything would go smoothly without fail.

“Felton, you’re right!” “Mr. Caleb, Elder Daglesh, the Grimstons and Underwoods also want to make it clear!” “If your two families dare to intervene in this matter again, our Grimstons, Underwoods, and Fermers will break through regardless of the consequences, even if it means wiping out your two families at any cost!” “We mean what we say!”

Dorian and Cassius both wore stern expressions, making their stances clear one after the other.

Of course, their words were not mere empty promises.

possessing ample capability for self-preservation. The combined forces of the three families now held an overwhelming advantage in numbers. Their overall strength surpassed that of the Morrisons and Dagleshs without question.

With the determination of these three forces to go all out, whether it was Caleb and Elder Daglesh themselves or those close to them, like Hugo and Jensen, no favorable outcome could be expected today.

“We...” Caleb and Elder Daglesh’s expressions shifted between anger and frustration, their moods instantly sinking.

Moreover, Leon had made it clear that he did not need their assistance. They could only step aside now and let Leon face the consequences of his choices alone. They had no other option.

“As you sow, so shall you reap.” “Leon is in deep trouble now.”

Of course, the only regrettable aspect was that Leon was not just the chairman of the Cynthion Group, holding many highly effective alchemical pills in his hands.

He could also assist esteemed experts in the Intermediate Almighty state in breaking through martial arts bottlenecks, showcasing remarkable abilities.

It was somewhat unfortunate that such an outstanding figure as Leon might meet his end today at the hands of Felton and Dorian.
