An Understated Dominance by Marina Vittori Chapter 2292

Although he didn't use all of his strength at the moment, he still used seven percent of his true energy.

If an ordinary, innate master were to receive such a punch, he would not die. However, the kid in front of him grabbed his fist easily, which was really weird.

"With such little ability, you still dare to be so arrogant. You really don't know how to live or die."

Dustin snorted coldly and exerted force with his five fingers.

After hearing a few "ka-ka" sounds, the bearded man's fist was crushed into twists, and all the bones were broken.

"Ah~~!!"

The bearded man was stunned for a moment, then let out a scream like a slaughtering pig; his voice was shrill and harsh.

"Get out!" Dustin kicked the bearded man's abdomen.

The bearded man was like a football, flying several meters away on the spot, and then hitting the wall heavily with a "thud."

Vomiting blood and wailing endlessly.

"What?!"

Seeing this scene, everyone's expressions changed.

No one expected that Dustin would be so strong. He knocked the bearded man away with just one confrontation.

They knew a beard was at the late stage of divinity, and it could be considered a figure in the world.

“Kid! You are so presumptuous! How dare you hurt someone? Who gave you the courage?”

After a brief shock, everyone in the living room stood up and stared at each other angrily.

Although they didn't have a close relationship with the bearded man, they were still friends.

Nowadays, a newcomer who didn't understand the rules dares to challenge the authority here. Naturally, they couldn't tolerate it.

“When he first started to attack, you all ignored him and pretended to be blind. Now that I have defeated him, you are jumping around and cursing. What's the matter? Your attitude suggests that you only tolerate my defeat. Are you going to fight back?” Dustin sneered.

“Sharp teeth! I believe you simply require attention!”

“Brothers, don't talk nonsense to him; get this kid!”

Several warriors with violent personalities shouted and prepared to take action.

“Wait a minute.”

At this time, a majestic voice suddenly sounded.

The person who spoke was an old man with a white beard, sitting in the front seat on the left.

The old man was thin, with blazing eyes and extraordinary momentum. He only uttered two words, causing the several violent warriors to stop their movements immediately.

Everyone stood respectfully, not daring to say anything.

After calming down a few people, the old man picked up the tea cup, took a leisurely sip, and said calmly, “Young man, if you are too strong, it is easy

to break. Being too pushy is not a good thing. I see that you are just starting out, so I won't have any trouble with you. You've been worrying too much. Now, you apologize to everyone, propose a cup of tea, and forget about today's matter."
