An Understated Dominance by Marina Vittori Chapter 2304

### Chapter 2304

After the test just now, he already knew in his heart that if he fought alone, he would definitely not be Lennox Willis's opponent.

Only two demons from heaven and earth come together to stabilize one end.

It's just that his wife was still on the way here and couldn't be there for the time being, so he could only tolerate it a little.

"Master Houle, now that everyone is here, is it time to discuss business?"

At this time, Dustin, who had been watching the show, finally spoke.

He was not interested in these people's grievances. What he cared about most was: what conspiracy was there in the pantheon of gods?

"Of course." Tyson Houle pushed up his glasses with a smile and then said, "Everyone here is a master in the world, and everyone has special skills. We, the gods, value it very much. We invite you to come this time, mainly because if you want to cooperate, as long as you are willing to work for the gods, we will reward you generously."

"Oh? "What does Master Houle mean by cooperation?" Damien Holmes raised his eyebrows slightly.

"I heard that a rare treasure has recently appeared in the forbidden area of Sacred Wyrms Summit. Our temples are very interested in it, so we would like to ask all the experts to help us hunt for the treasure together." Tyson Houle said it directly.

Hearing this, all the warriors frowned and looked embarrassed, and no one dared to say a word.

It would be okay if it were anywhere else, but the forbidden area of Sacred Wyrms Summit was full of dangers. They were afraid that they would go in with their lives but not come out with them.

“Master Houle, you should know how powerful the Sacred Wyrms Summit is. Allowing us to trespass into the forbidden area is no different than entering and exiting the Sacred Wyrms Summit Tiger’s Den. If we are not careful, we may die.” Damien Holmes said it with a serious face.

“Yes, Master Houle! A behemoth like the Sacred Wyrms Summit is not something that we can afford to offend. I’m afraid we won’t be able to sustain this business.”

“Master Houle, it’s okay to help the temples find out information. As for breaking into Sacred Wyrms Summit without permission, there is really nothing we can do in the forbidden area.”

“...”

After seeing Damien Holmes speak, all the warriors shook their heads.

Although they were not afraid of death, it did not mean that they would actually die.

If the risk is ordinary and the price is reasonable, I am willing to take it.

But this time it was different. They were breaking into the forbidden area of Sacred Wyrms Summit, a place where all warriors dared not set foot.

No matter if they were an innate master or a martial arts master, they were not worth mentioning in front of the old god from Sacred Wyrms Summit.

After all, that person was the terrifying being who suppressed the entire martial arts world!

What’s the difference between sneaking around under a big shot’s nose and seeking death?
