### **Chapter 3852**

David was also speechless. The world of heaven and these three things were still too far away for him now.

It's a pity that none of these heavenly beings understand the sufferings of the human world.

Although the Wuji Order given by the leader of the Wuji Holy Sect is a priceless treasure to many immortals!

But for David, it is somewhat useless and fake!

"You should take a look at the inheritance of the Wuji Holy Sect. Even if it is incomplete, it must be very impressive."

"I don't know how long the formation outside the mansion can be preserved now. Take this opportunity, if you can get the Wuji Holy Sect." Zong Chuan, there is no need to be afraid of those guys outside."

Demon Lord Chiyun said to David!

David was right. Instead of complaining, it would be better to get the inheritance of Wuji Holy Sect as soon as possible!

David took the Wuji Order, and then a burst of spiritual power penetrated it!

Buzz!

The next moment, David's mind roared, and then his sea of consciousness trembled.

A majestic information continues to pour into David's sea of consciousness. This inheritance is very large and complex!

When David was receiving the inheritance, a beam of light seemed to fall from the sky and hit David!

This moment made David feel extremely comfortable!

David didn't feel that the Wuji Holy Sect's inheritance was of much use, but the beam of light attracted by the inheritance was filled with majestic energy.

Davidyan turned to the Heart Condensation Technique and began to absorb it without hesitation!

The immortal spirit liquid has been absorbed by the leader of the Wuji Holy Sect. David will not let go of the aura brought by this beam of light now!

David absorbed it crazily!

At this moment, Mu Yao and several members of the Mu family were squatting outside the mansion!

Mu Yao was very anxious at this time!

"I don't know if the eldest lady has received the news, why haven't you come yet?"

Mu Yao said anxiously!

"Uncle Mu, look..."

At this time, someone noticed that a beam of light seemed to fall from the sky and shine into the mansion!

Mu Yao looked at the light, his expression became more and more solemn!

"I don't know what kind of adventure this kid will have inside. The aura in this beam of light is very powerful. Maybe he is absorbing the inheritance of immortal magic."

"We can't wait any longer. I'll go find the eldest lady. You guys stay safe." As long as David comes out, don't fight, just let me know. "

Mu Yao can't wait any longer!

But he can't break the mansion formation now, so he can only wait for Mu Nayi to come!

Now that Mu Naiyi has not shown up, Mu Yao is getting anxious!

“Understood!” Several members of the Mu family nodded!

Only then did Mu Yao go to Mu Nai Yi with peace of mind. If he waited for David to absorb the immortal magic inheritance, it would be too late!

When Mu Yao was looking for Mu Naiyi, Mu Naiyi had already returned to the sect’s main hall.

Here, Mu Nayi met Binglu and others, who were waiting for David here!

Because Mu Nai Yi personally killed several saints before, Bing Lu and others now hate Mu Nai Yi to the core!

Lan Yingying also glared at Mu Nayi. As an elder of Guanghan Palace, she actually attacked the Saint of Guanghan Palace so cruelly. Damn it!

“You guys, follow me right now.”

Mu Nayi glanced at Binglu and the others and said!

No one from Binglu and the others spoke, they all glared at Mu Nayi!

“Didn’t you hear? I am ordering you as an elder.”

Munaiyi said coldly!

“Bah, you killed so many of our sisters and you still want to order us. You are no longer the elder of Guanghan Palace.”

Binglu spat hard at Mu Nayi!

Mu Naiyi was not angry, and still said coldly, “Come with me, and I will spare your life. If you let me take action, you know the consequences.”

Mu Naiyi was at the peak of the Tribulation Realm, and Binglu and the others were no match at all!

But Binglu and others are not afraid at all!

“Hmph, if you have the ability, kill us. Even if you die, we won’t go with you.”

After Binglu finished speaking, she held the Frost Sword in her hand and put on a desperate posture!

Everyone else also showed off their frost swords!

Seeing this scene, Mu Naiyi raised the corners of her mouth and said, “Things that don’t overestimate one’s capabilities...”

After saying that, a horrifying aura erupted from his body. This aura was like a storm, directly overwhelming Binglu and the others. gas!

Let alone taking action, they might not even be able to move a step now! After all, the difference in strength is too great, and the aura that Mu Naiyi burst out was simply unbearable for them!

They are not David, who can leapfrog and fight.

Just when Binglu and others were out of breath and their bodies were falling to their knees, a breath suddenly came from behind, making Binglu and others relax instantly!

“Why is Miss Mu so angry?”

Ouyang Zhenhua came slowly with the monks!

It was Ouyang Zhenhua who rescued Binglu and others just now!

When Mu Naiyi saw Ouyang Zhenhua, she couldn’t help but frowned and asked, “Who are you?”

“I am the head of the Ouyang family, Ouyang Zhenhua.”

Ouyang Zhenhua said politely!

When Mu Naiyi heard this, he snorted coldly and said, “Does the Ouyang family dare to interfere with the affairs of our Mu family?”

“What’s more, you are only at the ninth level of the Tribulation Realm, and you want to fight with me?”

“Don’t dare. It’s just that these girls have saved our lives, so I still ask Miss Mu to show her kindness.”

Ouyang Zhenhua knew that he was not Mu Naiyi’s opponent, and he didn’t want to fight with Mu Naiyi!

“What if I insist on taking them away?”

Mu Nayi said with disdain in her eyes!

“If Miss Mu is stubborn, I will have no choice but to offend her. Although I am not Miss Mu’s opponent, there are so many of us, and I think we can still deal with you alone.”

Ouyang Zhenhua also said coldly. Say it with face!

Mu Naiyi was stunned, with anger in his eyes!

But Ouyang Zhenhua was right, if these people came together, Mu Nayi wouldn’t be able to handle it!

But she couldn’t let Binglu and the others go. If she let them go, it would be difficult to find them!

Mu Nayi was in a difficult situation and didn’t know what to do for a while!

Just when Mu Nayi was in trouble, Mu Yao flew over quickly!

“Miss...”

Mu Yao shouted quickly after seeing Mu Nayi!

When she saw that it was Mu Yao who was here, Mu Nai Yi felt happy!

“Why are you here? What about David?”

Mu Nayi asked!

“Miss, David is hiding in a mansion and hasn’t come out for a long time. I suspect that he is absorbing the inheritance in the statue.”

“So I came here to discuss the countermeasures with the eldest lady!”

Mu Yao said!

Upon hearing this, Mu Naiyi turned his attention directly to Binglu and others. "It's just in time to capture these saints and use them to force David to show up."

"I want to see, then David I don't care about these women."

At this time, Binglu and others saw Mu Yao appear, and their hearts suddenly became desperate. Even Mu Naiyi couldn't deal with it, and with Mu Yao in the mix, there was no hope!

When Ouyang Zhenhua saw this, he also looked embarrassed. If it were Mu Nayi, he could still handle it with everyone!

But now that there is Mu Yao, who is in the ninth level of the Tribulation Realm, they may not be rivals anymore!

"I want to take these women away. If the others don't want to die, just get away from me."

Mu Naiyi glanced at Ouyang Zhenhua and others!

This sentence instantly caused many monks to step back.

Ouyang Zhenhua hesitated for a moment, and finally backed away helplessly. Even if they tried, they couldn't stop him!

At this moment, Binglu and the others felt as if they were dead!

Under the pressure of Mu Nayi and Mu Yao, Binglu and others were unable even to take action!

I can only let myself be manipulated and leave with him!

Ouyang Zhenhua looked at the backs of Binglu and others being taken away, gritted his teeth and said, "Let's go, let's follow and have a look..."

## Chapter 3854

Inside the mansion!

David's eyes were closed tightly, his clothes were bulging, and a monstrous aura was constantly erupting!

Immediately afterwards, David suddenly opened his eyes, and golden light suddenly appeared on his body, rising into the sky like an erupting volcano!

Wherever the golden light passed, everything turned into rubble, and even the mansion formation disappeared instantly under this violent aura!

Everyone in the Mu family who was guarding outside the mansion was so frightened that they couldn't bear the violent aura and fled into the distance!

"What's going on?"

"Did David finish absorbing the inheritance of immortal magic?"

"Why isn't Uncle Mu coming back?"

Everyone in the Mu family had panic in their eyes, and they kept retreating! At this moment, David's whole body was wrapped in golden light, and his eyes were filled with blazing flames!

The mansion had long been reduced to rubble, and David's body was slowly suspended!

Those Mu family members looked at David, their eyes widened with disbelief on their faces. At this time, David was like a god!

Rumble...

Suddenly, countless thunder clouds gathered in the sky, followed by a muffled thunder!

The turbulent flow of time and space in the land of chaos also disappeared under this thunder cloud!

Accompanied by a thunderstorm, it hit David hard, and David's whole body burned with flames crazily!

"Thunder Tribulation? He...he is breaking through?"

"It's broken. Please inform Uncle Mu and the eldest lady quickly."

"Why is this guy breaking through here? Moreover, this thunder calamity is too terrifying."

Everyone in the Mu family panicked. , quickly notify Mu Yao and Mu Naiyi!

David's body was suspended in mid-air, motionless, undergoing the baptism of thunder!

Every lightning tribulation makes the entire Wuji Holy Sect tremble!

Mu Naiyi and Mu Yao, who were originally rushing here, stopped and stared blankly at the thunder clouds in the sky!

"Thunder Tribulation Cloud? How could someone break through here?"

Mu Yao's face was full of doubts!

"Could it be that boy David? He is only at the third level of the Tribulation Realm. Even if he breaks through to the fourth level of the Tribulation Realm, how can such a small improvement in the realm lead to such a large-scale thunder disaster?"

Mu Naiyi also had a face filled with confusion. I'm confused, I don't understand what's going on!

But at this moment, a voice came from Mu Yao's jade slip!

"Uncle Mu, David suffered a thunderstorm and his mansion was in ruins. This kid's aura at this time is too scary."

A member of the Mu family sent a message to Mu Yao!

"Sure enough, it is David who is making a breakthrough. Let's go quickly!"

When Mu Naiyi heard that it was really David who was making a breakthrough, she had a bad feeling in her heart!

Mu Naiyi and Mu Yao escorted Binglu and others and sped up!

They hope to arrive before David succeeds in crossing the tribulation!

In this way, there may be a chance to prevent David from improving his realm, or even make him fail to overcome the tribulation and die in the thunder tribulation!

At this time, thunder catastrophes struck David one after another, but David had no expression on his face!

“The eighth thunder tribulation has occurred. The small level improvement has caused eight thunder tribulations.”

“It’s so scary. No wonder he dares to follow the eldest lady to go against him.”

“The Demon-Sealing Alliance took out a hundred-year offering. It seems to be really foresight. “This guy is really difficult to deal with.”

The Mu family was shocked when they saw David standing still amid the thunder!

“Boy, I won’t let you succeed in overcoming the tribulation...”

At this moment, a figure suddenly appeared, and Mu Yao shot out a fire dragon and headed straight for David!

The moment the fire dragon arrived in front of David!

Another thunderstorm crashed down!

Boom!

This thunder catastrophe instantly caused the fire dragon shot by Mu Yao to disappear, and under this thunder catastrophe, David was successfully promoted to the fourth level of the Tribulation-Transcending Realm!

At this moment, David’s body was surrounded by golden light, and he looked at Mu Yao coldly like an ant!

The thunder clouds dissipated, and space-time turbulence appeared again in the sky!

## **Chapter 3855**

David looked down at Mu Yao, his eyes full of disdain and ridicule!

Looking at David's eyes, Mu Yao's heart trembled!

As a ninth-level monk in the Tribulation Realm, Mu Yao couldn't help but tremble when facing David, who had just been promoted to the fourth level of the Tribulation Realm!

The aura that erupted from David was intimidating.

Mu Yao had never felt this kind of feeling even when he met the head of the Mu family!

"Ignorant rat..."

David waved his palm, and a breath came instantly!

Mu Yao's expression suddenly changed!

Bang!

This palm directly knocked Mu Yao away.

Mu Yao sputtered out a mouthful of blood in mid-air. After flying more than ten feet, Mu Naiyi, who was rushing towards him, swung out a burst of spiritual power to catch it!

Mu Yao's eyes were full of fear, and he stood next to Mu Naiyi with a face of shame!

"Mr. Chen..."

Binglu and others were excited when they saw David!

Even Ouyang Zhenhua and others who came from behind were surprised when they saw David who looked like a god in mid-air!

A small improvement in realm brought a big change to David, as if David had been promoted to a big realm!

“Are you, the Mu family, all robbers? Do you think you can't beat me, so you brought these saints here to threaten me?”

David saw that Binglu and others were already in Mu Naiyi's hands, so he said coldly Said!

“Hmph, what are you bragging about? If you hadn't run away like a mouse and finally hid in a mansion, could I have used it to threaten you?”

“Don't run away if you can. Let's see if I can kill you.”

Mu Naiyi said coldly. Hum!

Although David was promoted to the fourth level of Tribulation Realm, she still didn't take David seriously!

The fourth level of the Tribulation Realm is the same as the peak level of the Tribulation Realm, but there is an essential difference!

Mu Naiyi only needs an opportunity to reach the Mahayana realm!

As for David, he doesn't know what year or month he wants to reach the Mahayana realm!

“It's not yet certain who will destroy whom. Now you know No need to talk big words. “

David smiled coldly!

After reaching the fourth level of the Tribulation Realm, David will be able to fight with Mu Naiyi!

He will not be like Guanghai Palace, under the hands of Mu Naiyi, there is no way to fight back. Power!

What's more, David still has a trump card in his hand, and the extreme cold ice flame is David's trump card!

This Mu Naiyi practices ice skills, and there are many ways to do it!

But the ice skills are becoming more powerful, and with the extreme cold ice flames, There is still a certain gap!

This extremely cold ice flame is the extremely cold thing in the heaven, nothing can compare with it!

“Arrogant...”

Mu Naiyi smiled disdainfully!

At this moment, the entire Wuji Holy Sect began to be enveloped in darkness. The aura spread, making people’s hearts tighten!

David was suspended in the air and looked at each other with Mu Naiyi, and everyone could feel that there was going to be a fierce battle between them . The rising aura made everyone feel breathless and kept retreating!

Only Ouyang Zhenhua remained motionless, staring at David and Mu Naiyi! If someone told him this,

he was at the fourth level of the Tribulation Realm.

Ouyang Zhenhua wouldn’t even believe it!

This kind of battle is not of the same magnitude at all.

I’m afraid the battle can be solved with just one slap!

But at this moment, he saw with his own eyes that David, a fourth-level monk in the Tribulation Realm, The rising aura on his body was no better than that of a cultivator at the peak of the Tribulation Realm!

“Mr. Chen, you must be careful, this Mu Naiyi is very insidious ...”

Binglu reminded David loudly!

At first, relying on the status of the elders of Guanghan Palace, Binglu and the others took action and killed many saints.

“Don’t worry, she will die today...” Binglu

fell slowly!

For a moment, I thought David had made a mistake. Shouldn't it be that she died or I died?
