Chapter 3866

In just an instant, the pervasive cold mist of blood disappeared without a trace!

All were sucked into the Wuji Order!

And in the mid-air, only bright red blood was left floating down!

These are Mu Nayi's blood!

Everyone was covered in blood!

At this moment, everyone was stunned!

Everyone looked at the scene in front of them at a loss!

They wanted to know what kind of treasure David had in his hand that could absorb all auras!

In fact, David himself is in a state of confusion at the moment!

He never thought that this Wuji Order could be so useful!

He thought that the Wuji Order was just a record of the Wuji Holy Sect's inheritance!

"Isn't what Fellow Daoist Chen is holding an immortal weapon? An immortal weapon found here?"

"It's very possible that this is the Immortal Sect. It's very reasonable to have several immortal weapons."

"I've been using the immortal weapon for my whole life. I have never seen an immortal weapon before."

Everyone looked at David with envy!

“It’s over...”

Looking at all this, Mu Naiyi was stunned!

She thought she could kill David by sacrificing everything!

However, things were different from what she thought!

Originally, David was about to die, but she had already suppressed him and beat him violently. Why did an immortal weapon appear again in the end?

“No, it’s not fair, it’s not fair...”

Mu Naiyi roared!

Then he rushed towards David like he was crazy!

However, at this moment, Mu Naiyi no longer has the strength to reach the Mahayana realm, and her strength is not even as good as the Tribulation realm!

All the breath and blood essence have been consumed!

At this moment, Mu Naiyi could only rely on instinct to attack David!

David looked at Mu Naiyi who was rushing towards him and couldn’t help but shook his head!

“Why bother.....”

After saying that, wave the Wuji Order in your hand!

Bang!

After a loud noise, Mu Naiyi was instantly knocked away. His whole body was like a ball, and David flew away at once!

Mu Naiyi’s body fell heavily in front of Mu Yao and others!

At this moment, Mu Naiyi has returned to her original appearance!

“Miss...”

Mu Yao hurriedly bent down and supported Mu Naiyi!

But at this time, Mu Naiyi was naked, and Mu Yao was really enjoying it!

Mu Naiyi's whole body has turned pale, as if she was frozen in frost!

"I lost..."

Mu Naiyi's face was expressionless. After a mouthful of blood spurted out, his body shattered like ice!

Mu Naiyi's soul slowly floated up.

At this moment, she only has a remnant soul left. Even if she rebuilds her physical body, she is still a useless person, and it is impossible to practice!

This is the price, and Mu Naiyi must bear this price for the path he chooses!

Mu Yao fired a line of spiritual power to protect Mu Naiyi's remaining soul, then looked at David and said with a panicked look on his face: "David, we are defeated. From now on, we will never trouble you again."

After saying that, Mu Yao He is about to leave with Mu Naiyi's remnant soul!

"Did I let you go?" David's voice was cold, and he was in front of Mu Yao in an instant!

"David, do you really want to kill everyone? If you do this, it will only make our Mu family fight with you to death."

Mu Yao asked!

"Kill them all?" David raised the corner of his mouth: "When you were chasing the saints of Guanghan Palace, did you ever think about killing them all?"

"When you humiliated the bodies of these saints and took off their clothes, did you ever think about it? "Today?"

"No one from your Mu family can leave today..."

Mu Yao's face turned pale after hearing David's words, but he couldn't wait to die!

"Master Ouyang, and fellow Taoists, do you know that this David is the person that the Demon-Sealing Alliance is chasing with a hundred-year tribute."

“Whoever can kill him will get a hundred-year tribute from the Demon-Sealing Alliance. Don’t you guys Don’t you want it? “

Mu Yao told David’s true identity, hoping that these people would take action against David after seeing the Demon-Sealing Alliance worship for a hundred years!

Chapter 3867

After hearing Mu Yao’s words, everyone fell silent.

They all saw David’s strength just now with their own eyes. Even if they join forces, they may not be able to match David!

The hundred-year enshrinement of the Demon-Sealing Alliance is good, but it is of no use to have a lifeless pastime!

After a while, Ouyang Zhenhua said: “You don’t need to sow discord here. We were all saved by Fellow Daoist Chen. If it weren’t for him, we might all die in the beast wave, so you want us to take action against Fellow Daoist Chen, Wishful thinking.”

“Yes, we are not evil. We will not take action against Fellow Daoist Chen.”

“You Mu family are no better than pigs and dogs.”

“You still want to trick us and treat us as fools?”

Many monks criticized. Mu Yao, this made Mu Yao extremely embarrassed!

Now, without anyone to help, Mu Yao and others will definitely die!

“Is there any other way you can save your life?”

David looked at Mu Yao coldly and asked!

Mu Yao’s face turned red and white, his eyes full of despair!

“Mu Yao, you go, don’t worry about me...”

Mu Nayi, who had only a remnant soul left, said!

She knew that even if she regained her physical body, her life would be over and she would no longer be able to practice!

As a monk, if you can't practice, what's the point of living!

"Miss, don't be discouraged. I brought the master's talisman. Maybe the master can save us."

As he said that, Mu Yao took out a talisman!

"No, big brother is in seclusion. If you use his talisman now, it will disturb his cultivation. What's more, we are in the land of chaos now. Even with eldest brother's talisman, he may not be able to find us."

Mu . Nai Yi saw this and refused to let Mu Yao use it!

"Miss, if you don't use it, we will definitely die. It doesn't matter if we die. If you really die, the head of the family will go crazy."

"The young master has been killed. If you die, after the head of the family comes out of seclusion, , how desperate it must be,"

Mu Yao persuaded Mu Nayi!

Mu Naiyi stopped talking, and Mu Yao injected a spiritual power into his natal talisman, and the talisman burned instantly!

The burning runes emitted bursts of smoke, and then in the smoke, a figure slowly appeared!

"The head of the family..."

Seeing that figure, Mu Yao shouted excitedly!

Mu Naiyi also said with excitement on his face: "Brother..."

"Little sister, what's going on? Why do you only have a trace of your soul left? Who harmed you like this?"

Seeing this, the head of the Mu family said, He asked with an angry face!

Before Mu Nayi opened her mouth, Mu Yao hurriedly said: “The master of the house, this David, destroyed the body of the eldest lady. He not only destroyed the body of the eldest lady, but also killed the young master.” “

The eldest lady did it for To avenge the young master, it became like this...”

“What? Kui’er is dead?”

A terrifying aura suddenly erupted from the head of the Mu family!

Although it is just a shadow, the terrifying aura is real!

When Mu Yao saw this, he raised the corners of his mouth: “David, you are dead, you are dead...”

But David had a calm face and looked at the head of the Mu family quietly!

“Boy, if you kill my son and hurt my little sister, I will kill you.”

The head of the Mu family was furious!

“You are so shameless, you are just a shadow, how can you still kill me?”

David looked disdainful!

“Boy, you are only in the fourth level of Tribulation Realm. Even if you are just a shadow, I can kill you!”

After the Mu family leader finished speaking, murderous intent rose in his eyes, and then he raised his palm, and a mysterious aura surged instantly. And out!

boom!

At this moment, the world between heaven and earth seems to have stopped for an instant, and everything has come to a standstill!

Whether it’s the turbulent flow of time and space in the chaotic space, or the manic atmosphere around, or even everyone’s breathing has stopped!

The whole world seemed to be frozen!

In this world, only the head of the Mu family can move. At this moment, he seems to have become the master!

When this space stopped, a breath suddenly came towards David!

In the blink of an eye, this breath was in front of David!

Chapter 3868

“Hmph, even a fourth-level Tribulation Realm master dares to talk so shamelessly to me...”

The head of the Mu family snorted coldly!

“The origin of time, I didn’t expect you to realize the origin of time. It’s a pity that you are just a shadow now. Even if you use the origin of time, you can’t restrain me.”

David suddenly laughed!

The head of the Mu family was directly shocked.

David blocked the aura of the head of the Mu family with a wave of his hand!

“You...how can you still move?”

The head of the Mu family was full of shock!

“What do you think?” David raised the corner of his mouth!

“Could it be? Do you also have the origin of time?”

The head of the Mu family looked at David in disbelief!

“Congratulations, you got the answer right, but it’s a pity that there is no prize!”

David said playfully!

“Impossible, absolutely impossible...”

“I have been practicing for hundreds of years before I can understand the origin of time, and you are just a young monk at the fourth level of the Tribulation Realm. How can you understand the origin of time?”

“Fake. This must be fake...”

The head of the Mu family didn't believe it at all!

“Fake?” David snorted coldly and waved his palms!

The time that was originally restricted has resumed flowing again!

“What's going on? What just happened?”

Ouyang Zhenhua was shocked!

Everyone looked panicked, because they seemed to have been unconscious for a while just now, as if they were completely blank!

“Mu Yao, take your little sister and leave immediately, immediately...”

The head of the Mu family said to Mu Yao with a solemn expression!

Mu Yao didn't understand what was happening, but he didn't dare to disobey the order, so he took Mu Nayi's remaining soul and prepared to escape!

But as soon as he moved, he was instantly stunned!

No matter how hard he tried, he couldn't move at all!

“Master, this...”

Mu Yao was shocked!

The head of the Mu family once again used the origin of time, trying to compete with David, but no matter how hard he tried, Mu Yao and others still couldn't move! I saw David slapping Mu Yao and others with his palm!

As a palm print flashing with thunder and lightning fell, Mu Yao and others were all slapped to the ground by the palm print!

A palm!

Everyone in the Mu family is in a state of despair, and they cannot die anymore!

“No...”

The head of the Mu family roared!

He couldn't understand how David, a fourth-level monk in the Tribulation Realm, understood the origin of time.

“Boy, I will make you pay the price...”

The head of the Mu family roared and slowly disappeared!

David sputtered out a mouthful of blood, covering his chest and breathing heavily!

David has just realized the origin of time, and he has not yet reached the ability to stop everything!

The reason why Mu Yao was unable to act just now was because David took advantage of the time origin of the head of the Mu family.

“Mr. Chen, are you okay...”

Binglu and others ran over quickly!

“I'm fine, I'm just a little exhausted!” David smiled slightly!

Ouyang Zhenhua and others on the side looked at the dead Mu family members with mixed emotions and an indescribable feeling!

Obviously David is only a fourth-level monk in the Tribulation Realm, but killing a ninth-level monk in the Tribulation Realm is as easy as chopping melons and vegetables!

Isn't this too outrageous?

And Mu Nayi has obviously reached the Mahayana realm of strength, but David is still capable of fighting!

Regardless of whether David used the treasure in his hand or his own ability, the final result was that Mu Nayi died!

Not even a trace of the remnant soul was left!

These people don't know how many secrets and treasures David has!

Rumble...

Suddenly, the ground shook, and cracks began to appear in the huge barrier on the Wuji Holy Sect!

"Hurry up, this Wuji Holy Sect is going to collapse."

David roared when he saw this!

Without this barrier, the various time and space turbulences in the Land of Chaos would submerge this place, and none of them would be able to survive!

When everyone saw this, they fled one after another, and finally escaped before the Wuji Holy Sect collapsed!

Chapter 3869

Along with the collapse of Wuji Holy Sect, the entire mountain peak began to collapse little by little!

Soon, large areas of pole stones appeared!

The entire mountain is actually made of extremely large rocks!

It's just that the pole stone was covered and no one found it.

"It turns out this is the so-called Jishi Mine, there are too many..."

Binglu and others said in shock!

David's face was also full of shock. He didn't expect that this mountain peak turned out to be the Jishi Mine!

"Fellow Daoist Chen, this is the farewell. We will remember your life-saving grace."

Ouyang Zhenhua looked at the piles of pole stones, which were of no use to them, so he planned to leave!

Another point is that he is also afraid that the head of the Mu family will bring someone to find him!

When the time comes, it will be troublesome if they are also involved!

How could a small family like theirs be the opponent of the Mu family!

“Master Ouyang, take care!”

David bowed his hand!

Ouyang Zhenhua left with many monks. Their trip was not in vain. Although they did not get any treasures in the Wuji Holy Sect, they still gained something!

Especially Ouyang Zhenhua, after getting the things from Luban Pavilion, he can study them carefully when he goes back!

David and the others faced the Jishi Mine and started pretending like crazy!

All kinds of storage bags are filled!

However, David didn't dare to put the storage ring in, and even if he put it in, it was eaten by the sky-swallowing beast!

Although Guanghan Palace also suffered a lot of losses during this trip to the polar regions. All the outer disciples were injured and killed, and only Lan Yingying was left alive!

There are only five saints left among more than a dozen saints. This kind of casualties is huge for Guanghan Palace!

But with the Extreme Stone and the Extreme Stone Mine, Guanghan Palace will be able to recover and grow stronger soon!

David and the others returned to Guanghan Palace!

The Palace Master of Guanghan Palace seemed to have expected it, and led people to greet David at the gate of Guanghan Palace!

Seeing the Palace Master of Guanghan Palace and many disciples, Binglu, Lan Yingying and others couldn't bear it any longer, so they threw themselves over and cried!

So many sisters have gone out, but now only a few of them are back!

"Mr. Chen, are you okay?" The master of Guanghan Palace did not care about how many disciples he had died, but asked about David with concern!

"I'm fine. I just consumed too much. I'll be fine after a day of rest."

David said with a slight smile!

"Okay, I'll arrange it right away..."

The Palace Master of Guanghan Palace nodded!

The Palace Master of Guanghan Palace arranged for David and Binglu to rest!

While David was resting, the Palace Master of Guanghan Palace walked into the room!

"Mr. Chen, thanks to you this time, you can keep these things under your control. We have so many pole stones in Guanghan Palace, and it will not be a problem to develop for hundreds of years."

The master of Guanghan Palace handed David a storage Stuff bag!

Opening the storage bag, I found a lot of fairy grass inside, including a magic stone!

When David came to Guanghan Palace, he came for the Heavenly Demon Stone!

"Palace Master, I only need the Heavenly Demon Stone. You can keep these fairy grasses. After all, Guanghan Palace has just started."

David doesn't want too many things. After all, Guanghan Palace is also difficult!

"Mr. Chen, if you help us find so many extreme stones, our Guanghan Palace will not have difficulties in the future."

“You should accept it. In addition, the head of the Mu family is in retreat, so Mr. Chen should take this opportunity to leave. If Mr. Chen may be in danger when the head of the Mu family comes out of seclusion. “

The master of Guanghai Palace seems to know what happened in the polar region!

“Palace Master, will the Mu family cause trouble for your Guanghai Palace?”

David asked worriedly!

“No, although the Mu family is powerful, I am not a vegetarian. If everything is really broken, the foundation of the Mu family will be destroyed.”

“Mr. Chen, don’t worry. If you have the chance, I hope you will come to Guanghai Palace.”

The Palace Master of Guanghai Palace said!

“Definitely!” David nodded!

“I will personally escort Mr. Chen down the mountain...” Although the Palace Master of Guanghai Palace does not want to leave David, for the sake of his safety, it is better to leave as soon as possible!

“Wait a minute, I also have something to give to the palace master!” David suddenly remembered something!

“What is it?” The palace owner was full of curiosity!

Chapter 3870

David waved, and a bunch of white fireworks danced on his fingertips!

Seeing the white fireworks, the Palace Master of Guanghai Palace was filled with surprise, but when she got closer, she discovered that the fireworks were emitting an extremely cold aura!

Even she, a person who specializes in practicing ice skills, can't bear this kind of cold air!

"This... what on earth is this?"

the Palace Master of Guanghai Palace said with shock on his face!

"This is called the Extremely Cold Ice Flame, which is a kind of extreme fire, but it exudes an icy air."

"As the saying goes, things must turn to the extreme. The Palace Master must know that people who freeze to death will feel that their whole bodies are very hot. I don't think I froze to death."

"Actually, this is the case. Although the extremely cold ice flame is considered a flame, the cold air it emits is unbearable."

"This kind of cold air is even worse than your cultivation . The cold air emitted by the ice system technique is even more intense!"

David explained.

"Are you going to give me this extremely cold ice flame?"

The palace master of Guanghai Palace was a little excited!

"Not bad!" David nodded, and then slowly raised the bunch of extremely cold ice flames into the air, commanding the Palace Master of Guanghai Palace: "Palace Master, this extremely cold ice flame is extremely difficult to absorb and refine. Please try to refine it and see if it can be refined."

The Palace Master of Guanghai Palace nodded, and then began to emit a breath to wrap around the extremely cold ice flame for refining!

However, after refining for a full hour, the extremely cold ice flame did not change at all. The master of Guanghai Palace had no way to refine the extremely cold ice flame for his own use!

This is still the extremely cold ice flame that David has already refined and controlled. If it is the extremely cold ice flame that others have not refined, and the master of Guanghai Palace refines it like this, I am afraid that if it is not refined in the end, the body will suffer backlash!

“No, it seems that I have no way to refine this extremely cold ice flame!”

said the Palace Master of Guanghan Palace, wiping the sweat from his forehead!

Her eyes were filled with disappointment. She couldn't refine such a good thing!

“If the two of us could fuse, I would just send this extremely cold ice flame directly into your body.”

David also frowned slightly and blurted out involuntarily!

The Palace Master of Guanghan Palace blushed and said helplessly: “I am still shouldering the important task of strengthening Guanghan Palace. I cannot cultivate with Mr. Chen. It seems that this extremely cold ice flame is destined not to belong to me.”

David pondered for a moment, Then he asked: “Palace Master, your Guanghan Palace only stipulates that you cannot have double cultivation with male cultivators, but other intimate contacts are allowed?”

The Palace Master of Guanghan Palace was stunned and didn't understand what David meant, but he still shook his head. Said: “I didn't mention any other contact, it's just that you can't do double cultivation and break your Zhiyin body.”

“That's okay, I have a way!”

David said!

“What can I do?” the Palace Master of Guanghan Palace asked curiously!

But as soon as he finished speaking, David rushed forward and kissed him!

The extremely cold ice flame was slowly sent into the body of the Palace Master of Guanghan Palace by David!

I don't know how long it took, but the body of the palace master of Guanghan Palace finally had the extremely cold ice flames. Although it was very small, it was slowly growing up. I believe there will be more and more of the extremely cold ice flames in the body of the palace master of Guanghan Palace!

When the two people separated, the palace master of Guanghan Palace did not recover for a long time.

This was her first time to be in such close contact with a man!

“Chen...Mr. Chen, in this case, I...am I considered your woman?”

the Palace Master of Guanghan Palace asked with a blushing face!

David was stunned and said with some embarrassment: “Palace Master, don’t get me wrong, I just want to let you have the extremely cold ice flame in your body. There is really no other meaning.”

David was speechless, he couldn’t kiss her, she was his own woman!

“Oh!” The Palace Master of Guanghan Palace took a deep breath: “Mr. Chen, you’d better leave as soon as possible. When the head of the Mu family comes out of seclusion, you may be in danger.”

“Palace Master, please take care of yourself. Wait. I will come to see you if I have the chance.”

David nodded and walked out of the room!
