Chapter 3901

Later, hundreds of monks fought hard against the big devil and finally killed the big devil.

Time flies, and everyone has long forgotten about the big devil!

But now, Mu Qing has actually used the big devil's technique!

"This boy's magic skills are very much like those inherited from ancient times."

Demon Lord Chiyun said to David!

"Ancient inheritance?" David was a little confused!

He didn't expect that Mu Qing was so powerful!

"You don't have to be too afraid. This guy's magic power has not yet reached the point where it perfectly matches the mind and magic skills. It just has a bit of ancient inheritance. Maybe I guessed wrong."

Demon Lord Chiyun may be afraid that David will be timid. , so he said!

"Understood!"

David nodded, looking at the giant pythons in the sky, which continued to enlarge in front of his eyes!

David raised his hand and grabbed the void!

In the void, a fire cloud unexpectedly appeared, and in the fire cloud, three kinds of ultimate fires were burning!

Whoosh whoosh!

Immediately afterwards, the ultimate fire in the fire cloud fell like a meteorite!

Groups of fireballs kept hitting those giant pythons!

Seeing David's methods, everyone exclaimed!

The methods used by those at the fourth level of the Tribulation Realm shocked even the monks who were at the seventh or eighth level of the Tribulation Realm!

Butler Liu frowned slightly after seeing the methods used by David!

Although he knew that both Mu Kui and Mu Nayi were killed by David, he had never seen the real methods used by David!

Now that he saw David, a fourth-level Tribulation Realm master, using a casual technique, this made Butler Liu, who was originally confident, a little worried!

At this moment, two colors appeared in the sky, the black python followed by the red flames!

A stream of flames hit the giant python, making a rumbling sound!

Giant pythons were hit one after another, and then turned into pieces of black mist!

Zhihuo followed the giant python, fighting in mid-air!

They are all consuming each other's energy!
Then amidst deafening sounds, the black fog slowly dissipated, and the fire cloud also subsided!

Calm has returned to the sky!

At this moment, only David and Mu Qing were floating in the air, looking at each other!

Neither side took advantage of this move at all!

However, Mu Qing was not too surprised. He just felt a little regretful and said: "You really have some strength. I'm really afraid of killing you with one move. That wouldn't be fun!"

In Mu Qing's eyes, he did not regard David was treated as an opponent, but as prey!

He just wants to play with David now!

In that move just now, Mu Qing did not use his full strength!

“If that’s all you have, I advise you to apologize and go back to the Mu family.”

“What you have, let alone your aunt, you are not even as good as your eldest brother.”

“At least I’ll kill them.

“Especially your aunt, who was beaten to the point where she lost all her clothes and fought me naked.”

“It’s hard to explain in words !

” Sneering, deliberately irritating Mu Qing!

Because only if Mu Qing is angered will he reveal his full strength inadvertently, so David can take precautions early!

After listening to David’s words, Mu Qing’s eyes showed a bit of anger!

But the anger was only fleeting.

“You don’t have to provoke me deliberately. In our Mu family, women are meant to cooperate with men in dual cultivation. Even if they take off their clothes, what’s the big deal?”

Mu Qing suppressed the anger in his heart!

He knew that David said this on purpose, in order to anger him and make him reveal his true strength!

“How is your Mu family different from beasts like this?”

David sneered!

Mu Qing had a cold face, murderous intent in his eyes, and suddenly raised his hand!

Above Mu Qing’s head, a black mist rose into the sky, and then the black mist spread into a huge black net!

Chapter 3902

In the black mist, countless flying swords also appeared!

Following Mu Qing's finger, black mist enveloped countless flying swords and headed towards David!

This time the giant net dropped from the sky was even more powerful than the previous move!

On the countless flying swords, light flashes!

The entire black network enveloped David, leaving David with no place to hide!

David has no way to escape except to escape!

In just the blink of an eye, David was wrapped up in the black net!

At the moment when the black net was wrapped, David's indestructible golden body was activated, the sky was filled with golden light flashing, and golden scales covered David's whole body!

Ding, ding, ding, ding...

A black net enveloped David, followed by bursts of metal collision sounds!

But no one can clearly see what's happening on the dark web!

"Mr. Chen..."

"Master..."

Seeing this scene, the Palace Master of Guanghan Palace, Huo Feng and others were all ready to rescue David!

When Manager Liu saw this, he and everyone in the Mu family were ready at any time!

As long as the Palace Master of Guanghan Palace and the others dare to take action, they will do so without hesitation!

By that time, a big war and a fierce battle will be inevitable!

In the black network, there is a deafening sound!

In front of the gate of Guanghan Palace, there was even more chaos, and the scattered aftermath caused the rocks to shatter into pieces!

Mu Qing sneered and looked at everything in front of him with disdain in his eyes: "It's your fate to die under my divine net!"

In his opinion, David should definitely die!

"Get started..."

Seeing that David was still unable to escape from the black net, the Palace Master of Guanghan Palace ordered everyone to start the rescue!

"It's just a broken net, but you still want to hurt me!"

Just when everyone was about to take action, David's voice suddenly came from the black net!

Then a golden light broke through the black fog, and the golden light shot straight into the sky!

David's figure slowly emerged from the black net.

David's whole body was exuding golden light, and around David, it seemed that he could vaguely see a bell hanging on David!

"this....."

Mu Qing frowned, looking very surprised!

When the Palace Master of Guanghan Palace and others saw this, they were all ecstatic.

"I don't believe it!"

Mu Qing stretched out both palms, and the flying sword in the black net flew towards David like a meteor!

Clang, clang, clang...

The flying swords hit all around David, but they were all blocked by the flashing golden bell!

Mu Qing's attack did not hurt David at all!

But David's palm suddenly pressed down!

"Thunder Palm..."

A huge palm appeared, and in the palm, there was lightning and thunder!

The thunder palm and the source of thunder and lightning are extremely powerful!

Seeing this, Mu Qing waved his hands and used the black net to rush forward, trying to block David's palm!

But the Thunder Palm fell from the sky and instantly shattered the black net!

"Awesome, Mr. Chen is awesome!"

"What kind of palm technique is this? Tathagata Palm?"

"It's so awesome. Under this palm, Mu Qing is even worse than an ant!"

Everyone cheered, although they have all been favored by David, but not many of them have actually seen him take action with all his strength!

Many people have never seen David use such terrifying methods!

Mu Qing's expression became solemn for the first time. Facing the Thunder Palm, he felt pressure and threat!

Mu Qing's body was filled with black mist again, and he suddenly waved his hand. The endless black mist solidified into a huge fist and blasted towards David's Thunder Palm!

This time, it's a collision of two people's powers!

boom!

The fists and palm prints collided fiercely together!

After the huge sound, turbulence flew everywhere, and a dark crack briefly appeared in the void!

Everyone around them ducked backwards to avoid being hurt by the terrifying aftermath!

When the aftermath cleared, David and Mu Qing looked at each other again!

This move is equally matched again!

Chapter 3903

Seeing such a scene, everyone began to worry. If Mu Qing lowers his level and can follow David on an equal footing, then David will definitely lose!

Now everyone just hopes that David will not fail, especially women like Huo Feng, Bai Qian and Sheng Jiahui, their hearts are in their throats!

If something happens to David, they may not even have the courage to live!

“This Mu Qing is really awesome. He deliberately lowered his level and is still on par with Mr. Chen!” “The dignified young master of the Mu family actually learns magic skills. It seems that the Mu family’s own skills are not that good either

!”

Discussing quietly!

David’s performance was very strong, but Mu Qing’s performance was also good!

Compared with his eldest brother Mu Kui, he is much stronger!

Moreover, Mu Qing is also capable of ancient magic skills. If he stops suppressing the state for a while, how can David cope with it?

Mu Qing looked at David and said calmly: “You have such strength, you are indeed proud of it, but it’s a pity that your background is not good, you are obviously just a casual cultivator!”

Mu Qing admired David’s strength, but David In his eyes, Ping was just a casual cultivator, there was no way he could compare with him!

Little does this guy know that David’s background is a thousand, ten thousand, or even hundreds of thousands times more noble than his!

When it comes to strength, the strength of the first-level Mahayana realm is indeed a bit difficult for David to deal with!

But when it comes to family background, I’m afraid there are few who can compare to David!

It’s just that David doesn’t want to compare with him!

“No matter in terms of strength or background, you are not worthy to compare with me. Who are you?”

David snorted coldly, and the various auras in his body started to circulate crazily!

The sky suddenly changed color, and the billowing breath made a sound like a dragon’s roar!

Everyone looked at David and knew that David was about to explode!

Today’s battle is probably a life and death battle!

“Hmph, you arrogant guy!”

Mu Qing snorted coldly, and his body instantly roared!

Then he raised his arms, and his realm instantly rose from the seventh level of the Tribulation Realm to the eighth level!

It can be seen that Mu Qing also knows that suppressing the seventh-level cultivation of the Tribulation Realm will not be able to do anything to David! Not even if he has ancient magic powers!

That’s why I raised my level and wanted to defeat David instantly!

The seventh level of the Tribulation Realm can make David tired of dealing with it. In his opinion, the cultivation of the eighth level of the Tribulation Realm is enough to make David lose!

Looking at Mu Qing who had improved his level, David's eyes narrowed slightly!

He knew that this guy's cultivation level was definitely more than that, it must be even higher!

But David is not in a hurry, he will force out Mu Qing's full strength little by little!

Then Mu Qing suppressed his realm and did not use all his strength. Who can know whether David used all his strength?

Now both David and Mu Qing are testing each other's true strength!

"The eighth level of the Tribulation Realm is just mediocre in my eyes!"

David snorted coldly, and the aura in his body seemed to have reached its peak!

The whole body was shining with golden light, and the dragon crystal on the chest also began to shine with intense brilliance!

And in David's body, immortal energy is flowing!

In the origin space, all the origin stars are shining with light, and all kinds of origin powers are constantly gathering!

David suddenly raised his hand, and there was an indescribable sense of rhythm, as David's arm slowly raised!

The flow of time between heaven and earth seems to have slowed down a lot!

Countless spiritual energy gathered towards David. At this moment, David himself was like a huge whirlpool!

All kinds of power were absorbed by David, this huge vortex!

David wrapped his arms around the spiritual light, and then punched Mu Qing!

“Holy Light Fist...”

David used Holy Light Fist!

No matter what kind of strength Mu Qing is, David knows that he cannot defeat him!

If he loses, the consequences will not only be his own death, but also the entire Guanghan Palace in danger!

Chapter 3904

There are also the sects and aristocratic families that he summoned. If he loses and dies, these sects and aristocratic families will inevitably be liquidated by the Mu family!

Therefore, David cannot be defeated!

No matter what kind of strength Mu Qing is, he cannot be defeated!

The Holy Light Fist comes out!

All kinds of origins in David's body are running crazily, especially the origin of time, which is brought into full play by David!

Between heaven and earth, countless original auras filled David's body crazily!

The power of the divine dragon, the power of the origin, and even the power of the three clans emitted thousands of rays of light around David, making David feel like a god descending to earth!

The Holy Light Fist was swung out, seemingly plain and simple!

But it contains all kinds of power in David's body, and even has the charm of the great road of heaven and earth!

And a void formed around David!

“Magic skills?”

Mu Qing’s eyes were filled with disbelief. He didn’t expect David to know magic skills?

You know, he has never felt a trace of demonic energy in David. How did David know the demonic power?

Just when Mu Qing was in disbelief, the Holy Light Fist was already in front of him!

The huge fist mark continued to enlarge in Mu Qing’s pupils!

The speed was so fast that Mu Qing had no room to fight back!

There was an uproar in Mu Qing’s heart. He never thought that David was hiding it and didn’t use all his strength just now!

In his eyes, David should be an ant!

They are just ants at the fourth level of the Tribulation Realm!

But now, the ants in his eyes have actually used magic skills, and their power seems to be no less than his!

This kind of magic power is extremely difficult to master. Only the big devil has this kind of magic power!

But David, who is in the fourth level of the Tribulation Realm and is also a casual cultivator, actually possesses magic skills!

So what does the ancient magic skill that he practiced through hardships and away from home for many years count now?

“Ah...”

Mu Qing roared unwillingly.

David’s Holy Light Fist is enough to threaten Mu Qing!

Along with Mu Qing’s huge roar, the black energy in his body filled the air. In the black mist, a terrifying human face appeared, standing in front of Mu Qing with its teeth and claws spread out!

boom!

The Holy Light Fist bombarded the terrifying face, and the breath penetrated the black mist and continuously bombarded Mu Qing's body!

Seeing the face condensed with black energy, there is no way to block the Holy Light Fist!

Mu Qing gritted his teeth, even the breath that penetrated made Mu Qing feel waves of fear!

If this punch hits him, he knows he will die!

The power of David's Holy Light Fist has exceeded his imagination!

"Hmph, I don't stop there!"

Mu Qing roared, and the aura on his body exploded again, breaking through in an instant!

The aura of the first-level Mahayana realm erupted, surging like a raging sea tide!

After Mu Qing felt the power of David's punch, he decided not to show off anymore!

All his strength exploded in an instant!

Just as the aura of the first-level Mahayana realm erupted, the power of the Holy Light Fist was instantly defeated and dissipated!

The thick black mist formed a defense, and the Holy Light Fist bombarded it, causing the aura to shatter and dissipate without a trace!

The world has returned to normal!

David's punch, which he concentrated all his strength on, just dissipated!

Everyone looked at Mu Qing in horror. The aura erupting from the Mahayana realm was no longer comparable to that of the Tribulation Realm!

The crossing of this big realm is like crossing a chasm!

The improvement in strength also increases exponentially!

At this moment, the eyes of everyone looking at Mu Qing were full of complexity and fear!

When David saw Mu Qing's burst of strength at the first level of the Mahayana realm, he actually laughed!

Manager Liu frowned, shook his head slightly and said, "Second Young Master is too impatient. Why did he reveal his true strength so quickly?"

Chapter 3905

Manager Liu saw that David wanted this effect, to bring out Mu Qing's true strength!

The punch just now seemed terrifying, but in fact it didn't have much power. More importantly, it was just a shock in the heart!

As a bystander, Mr. Liu can see it!

But Mu Qing was on the scene and was plotted by David!

The Holy Light Fist contained the source of illusion. Mu Qing was unknowingly fascinated by David!

If you simply use illusions, Mu Qing will definitely see through it!

So David used the source of illusion to confuse Mu Qing's mind, and the Holy Light Fist was indeed powerful!

This made Mu Qing believe it was true and directly exposed all his strength!

"First-level Mahayana realm, this is all your strength, right? With this strength, you still brag to me."

David sneered, his eyes full of contempt!

Knowing that Mu Qing was at the first level of the Mahayana Realm, David felt much more relaxed and there was not much pressure anymore!

Otherwise, you will always be under pressure and it will be easy for you to reveal your flaws during a fight!

“Hmph, a first-level Mahayana realm is not something that you, a fourth-level monk in the Tribulation Realm, can compete with.”

At this moment, Mu Qing also knew that he had been fooled, and said with anger in his eyes!

“How do you know that I am at the fourth level of the Tribulation Realm? I only used half of my strength.”

“Your aunt, who is at the peak of the Tribulation Realm, used the Mu family’s secret method to forcibly rise to the first level of the Mahayana Realm. Why didn’t you step on me ? Are you following a dead dog?”

“You, a first-level Mahayana realm, will also suffer the same fate, but if you take the initiative to admit defeat now and get under my crotch, I may be able to spare your life, as long as you stay as my slave for five hundred years. That’s fine.”

David responded directly with what Mu Qing just said!

Now that Mu Qing’s strength has been fully exposed, Mu Qing still doesn’t know what David’s strength is!

Especially what David said just now, making it so easy to kill Mu Naiyi, made Mu Qing a little unsure!

When everyone saw Mu Qing like that, they all laughed!

Mu Qing was so awesome just now, but now he was slapped in the face!

The laughter of the crowd also put pressure on Mu Qing. This was considered psychological warfare!

It has to be said that the Palace Master of Guanghan Palace and Master Luo Valley both know how to fight psychologically!

Mu Qing’s anger was ignited!

“Boy, stop pretending, your strength is nothing more than this, I will definitely kill you!”

Mu Qing roared.

Everyone laughed, David mocked, this was a slap in the face in public!

In front of hundreds of people from the Mu family, he was slapped in the face like crazy!

This is the single fight he requested. If David cannot be defeated and killed!

Then his face will be completely disgraced!

Mu Qing clenched his fists tightly with both hands, and fire could spurt out of his eyes!

“Besides being able to brag, what other real skills do you have? Just use it.”

David was still sarcastic at Mu Qing!

“I’ll let you know if I’m bragging!”

“You succeeded in irritating me, and I’ll make you pay the price, including these laughing people!”

Mu Qing’s face had veins bulging, and now he not only wanted Kill David, and even kill these people who are laughing!

He will kill anyone who mocks him!

Proves that this guy Mu Qing has really lost his mind!

The black energy in Mu Qing’s body surged, and the black light flickered, and then his body rushed towards David like a shooting star!

This time, Mu Qing unleashed all his strength!

He has been humiliated to this point, what else can he hide?

He only has one thought now, and that is to kill David!

Kill everyone!

When David saw this, he also put away his contempt. The indestructible golden body shone with light, and the three ultimate fires continued to flow around the body!

A golden dragon roared out from behind, constantly surrounding David's back!

David will verbally despise Mu Qing, but he will not really underestimate this guy!
