Chapter 3936

When he arrived in front of the Ultimate Fire, Lu San stopped, and then there was a sneer on his face!

“You are too young to fight with us. Senior Brother Liu has been prepared for a long time.”

Lu San raised his mouth, full of smugness!

As Lu San gently aimed the bronze mirror at the Ultimate Fire, the Ultimate Fire soon burned more vigorously, and waves of fierce heat continued to attack David and his team!

David didn't care, but the other cultivators were obviously unable to bear it!

“Just wait and admit defeat...”

After Lu San succeeded, he wrapped the bronze mirror again, put it in his arms, and slowly retreated.

The heat wave of the Ultimate Fire was constantly increasing, and Lu San and his team seemed to be unaffected at all!

“Ah... I quit, I quit...”

Finally, a cultivator couldn't bear it and began to scream!

With a ray of light, the cultivator was teleported out!

Seeing this, David hurriedly used the Extreme Ice Flame to cover the entire area where they were!

The Extreme Ice Flame is also a kind of Ultimate Fire, so it will not be rejected by the assessment!

But the extremely cold ice flame emitted cold air!

At this moment, Qian Xiu and the others all felt their bodies suddenly cool, and then the scorching heat wave disappeared!

This feeling was very comfortable, which made everyone puzzled!

However, they could not see or feel anything, so they could only guess randomly!

While David was helping everyone resist the heat wave, his consciousness slowly entered the center of the flame!

In the center of the flame, a brown fire was beating.

At this moment, if David refines and absorbs this ultimate fire, the assessment will definitely end, and Zi Yanmen will definitely know about it. After all, the ultimate fire suddenly disappeared. Such a big thing, Zi Yanmen can't be unaware!

If there are more ultimate fires here, David can still refine a little, but there is only such a small ball of ultimate fire here. If David is not careful, it will all be refined.

He came to learn the method of ultimate fire fusion. If he only wants this ball of ultimate fire and makes Zi Yanmen doubt his identity, then it will be more trouble than gain!

However, if David does not refine an unknown ultimate fire in front of him, it feels too wasteful!

After thinking for a while, David seemed to think of something!

Just now, Lu San used the bronze mirror in his hand to make the ultimate fire suddenly become vigorous, and the heat wave was much stronger!

In this way, there should also be the source of the ultimate fire of Zi Yanmen in the bronze mirror, otherwise the ultimate fire here would not suddenly become vigorous!

As long as he can get the bronze mirror, David can try to refine the ultimate fire in the bronze mirror!

But at this time, Lu San has returned to his area, and David has no way to get the bronze mirror!

After thinking it over again and again, David decided to snatch the bronze mirror in Lu San's hand!

Now the whole area is sealed, and everyone is trying to resist the heat wave of Zhihuo, so no one will pay attention!

As for the impenetrable formation, it is also very easy for David to crack it!

David's palm was shining, and he gently flicked the white area in front of him, and soon the white area formed a corridor!

David walked out easily and slowly came to Zhihuo.

David looked at the area of Lu San and others, and kept approaching!

But if David directly entered Lu San's area and forcibly snatched it, it would definitely cause fluctuations in the assessment formation, and Lu San would definitely be able to find it!

Now we can only think of a way to attract Lu San out. As long as he leaves his area, David will use the illusion array to fascinate Lu San, and David can take the bronze mirror in Lu San's hand!

It's not easy to let Lu San leave the area by himself. After all, this guy just sat on his hands and feet, and it's impossible for him to leave blatantly again!

Chapter 3937

David looked at the fire in front of him and suddenly had an idea. He saw the fire of the earth's core jumping on his fingertips, and then he gently waved it towards the area in front of him!

Soon, a wave of heat surged out and went towards Lu San and others!

In just a moment, he heard a few screams and curses not far ahead!

"Damn, what the hell is this, it's too hot, I'm going to be roasted!"

"Quit, I quit, it's so hot..."

Many disciples of the new master's lineage chose to quit because they couldn't bear it!

Lu San was also sweating profusely, and his expression became confused.

"What's going on? Did I make a mistake in operation just now, and lead the heat wave of the fire to me?"

Lu San suspected that he might have made a mistake in operation just now!

After all, now in the entire assessment area, except for him, no one can walk around and control the fire at will!

Lu San stood up and came towards the fire again with a bronze mirror!

When David saw Lu San coming, he raised the corner of his mouth and then played a fantasy!

Lu San walked into the illusion without any preparation. The scene in front of him did not change, but he could not find the location of the fire!

Lu San's face was full of doubts. He kept searching for the fire and even took out the bronze mirror to feel the heat waves emitted by the fire, hoping to find the fire in this way!

"It's really strange, why is the fire gone?"

Lu San frowned. How could he know that he had already fallen into the illusion set by David and was turning in circles!

Lu San walked for a long time, but still did not find the fire, which made Lu San start to panic!

"This... What's going on? Why am I lost? Can't I go back?"

"Is there a problem with this assessment?"

Lu San found that not only could he not find the fire, he couldn't even find the way back!

He did not doubt that he was trapped in the illusion, but suspected that there was a problem with the assessment site!

Lu San, who had no choice, stopped moving, but sat cross-legged, and a spiritual power hit the bronze mirror!

The array pattern on the bronze mirror flickered, and then a wisp of brown fire jumped out!

It seems that this guy wants to use the fire in the bronze mirror to find the fire in this test place!

There will be connections between the same kind of fire, and this connection can be used to find the location of the test fire!

But just when the fire just jumped on the bronze mirror, David swung out a sharp sword energy, and then saw that the fire was split into two!

Lu San was stunned, and before he could react, a huge suction force instantly sucked away the fire!

"This..."

Lu San was confused, he didn't know what happened at all!

David could see Lu San in front of him, but Lu San couldn't see David at all, and was manipulated by David like a fool!

The fire was sucked into David's body, and in an instant, the brown fire was surrounded by the three kinds of fire in David's body! The fire that

had just been sucked in wanted to struggle and ran around in David's body!

Before it jumped out, it was suppressed by David's three kinds of fire, and finally was refined by David obediently!

The fire source star in David's body became brighter!

"The ultimate fire of the Purple Flame Sect is really a bit weak. It's so easy to refine."

David was speechless!

He thought that it would take a certain amount of time to refine the ultimate fire of the Purple Flame Sect!

Seeing that he had refined the ultimate fire, David waved his hand to remove the illusion!

At this moment, Lu San looked at the bronze mirror in his hand, and his face turned green!

He originally wanted to rely on the ultimate fire in the bronze mirror to find the ultimate fire in the assessment site!

Now, the ultimate fire in the bronze mirror has disappeared!

And the ultimate fire in the assessment site also appeared in front of Lu San at this moment!

Just when Lu San was puzzled, the ultimate fire in the assessment site suddenly exploded!

Chapter 3938

The huge impact force caused Lu San to be knocked out instantly!

The disciples of the new sect master's lineage, under this huge heat wave, all issued their participation!

Many disciples were directly burned, and some fainted!

Boom!

With the roar of the ultimate fire, the entire assessment site shook instantly!

The white area in front of everyone's eyes slowly dissipated, and the aura of the ultimate fire in the entire assessment site became manic!

"Something happened, the ultimate fire exploded..."

Seeing this, Lu San roared!

Liu Shitong, who was sitting outside at the moment, was also shocked!

He also felt that something happened in the assessment site, and hurriedly began to control the formation, trying to open the assessment site!

If something happened in the assessment site, many disciples died in it, and he, as the chief judge of the assessment, could not get away from it!

Although he could use means to prevent the disciples of the old sect master's lineage from passing the assessment!

But he didn't dare to let all these people die in the assessment site, which would cause a major accident!

If things go wrong, it will cause internal strife in the Ziyan Sect, and even the risk of destruction!

Liu Shitong opened the formation, and the test site instantly became bright, and the white area disappeared!

At this moment, Lu San's face was burned black, and many of the disciples he brought were injured, and some even fainted.

"Junior brother, junior sister..."

Wei Qing also ran over in a panic, shouting at David and Qian Xiu!

In this situation, he was also afraid that someone would get hurt!

"Senior brother..."

David showed up with Qian Xiu and others.

They all looked relaxed, and no one was injured at all!

Only Lu San and others were in a mess, and many disciples were injured!

“How could the fire suddenly explode?”

Wei Qing was relieved when he saw that David and the others were fine, and then he looked at Liu Shitong and asked!

He thought that Liu Shitong was up to something again!

“Wei Qing, don’t ask me, I don’t know either. You don’t think it was me, do you?”

“I tell you, no one dares to make such a big noise, it’s fatal.”

Liu Shitong said seriously!

He was telling the truth, he didn’t dare to do it!

Wei Qing also believed that Liu Shitong didn’t have the courage!

“What’s going on?” Liu Shitong looked at Lu San and asked!

“I... I don’t know either...”

“I just wanted to use the ultimate fire in the bronze mirror to find the ultimate fire in the assessment area, but...”

Lu San told Liu Shitong about his experience in detail!

After hearing this, Liu Shitong was instantly furious and slapped Lu San hard!

“Damn it, you idiot, who told you to do this?”

“I just asked you to use the ultimate fire in the bronze mirror to increase the aura of the ultimate fire so that they can’t bear it.”

“You actually released all the ultimate fire without authorization. When two ultimate fires collide, can they not explode?”

“This assessment site is strictly controlled. In order not to hurt the assessment disciples, the ultimate fire is also calculated.”

“You actually let the two ultimate fires merge together. Can the formation of this assessment site withstand it?”

Liu Shitong cursed angrily and punched and kicked Lu San!

He wanted to beat this idiot to death!

Lu San's face was full of grievances. He didn't know what happened. At that time, the ultimate fire in the bronze mirror disappeared, and then an explosion occurred!

Seeing this, David secretly laughed in his heart. Now that he has stolen the ultimate fire of Ziyamen and has not been discovered, Lu San has been blamed!

"What happened?"

At this time, an old man with a stern face came quickly!

Seeing the coming person, it is obvious that Liu Shitong and Wei Qing and others changed their faces!

"Elder Cui, there was a slight malfunction in the explosion of the ultimate fire at the assessment site. Fortunately, no disciples' lives are in danger."

Liu Shitong hurriedly stepped forward and said to the old man!

Chapter 3939

"How could this be? I personally arranged all the test formations?"

Elder Cui frowned!

Seeing that Liu Shitong seemed to be very afraid of Elder Cui, David whispered, "Brother, is this Elder Cui the new master's man?"

Wei Qing shook his head and said, "No, this Elder Cui is neither the new master's man nor the old master's man."

"In Ziyamen, only Elder Cui does not stand on the side, and he is selfless and everyone is afraid of him."

"The formations of the entire Ziyamen were arranged by Elder Cui. No matter who is the master of the sect, no one dares to offend Elder Cui."

After listening to Wei Qing's words, David knew that Elder Cui was actually a high-level formation master!

After all, in the world of heaven and man, formation masters are also very scarce. If a sect has a high-level formation master, it is a treasure.

No wonder Liu Shitong is so afraid!

Elder Cui casually drew a few formation patterns, and then the test site flashed with white light!

Soon, Elder Cui's face became very ugly and he said, "The sudden increase in the power of the fire in the test site proves that someone has increased the fire in the test site. Who did it?"

After saying that, Elder Cui swept his eyes across everyone's faces with a gloomy look, because only those who participated in the test could increase the fire breath, and there was no way to control it outside!

Liu Shitong couldn't help swallowing his saliva when listening to Elder Cui's words, and his expression became a little unnatural!

And Lu San's body was trembling slightly!

He was just an outer disciple, and he couldn't afford such a big thing!

When Elder Cui's eyes fell on Lu San, Lu San peed directly!

Seeing Lu San's appearance, even a fool would know who did it!

However, Lu San was an outer disciple, and it was obvious that he had not fully mastered the fire of Ziyamen, and it was impossible for the fire in the test site to increase!

"What's your name?"

Elder Cui looked at Lu San and asked coldly!

"Disciple... Disciple's name is Lu San..."
Lu San trembled and stuttered!

"Do you know why this ultimate fire exploded?" Elder Cui asked!

Lu San was stunned and secretly glanced at Liu Shitong, while Liu Shitong desperately followed Lu San's eyes!

He must not let Lu San tell the truth!

Seeing Liu Shitong's eyes, Lu San then shook his head and said, "Disciple doesn't know, the disciple's ultimate fire has not been fully comprehended, and the aura of the ultimate fire is also extremely weak. It is impossible to increase the ultimate fire in the test." Lu San

directly said that he had not practiced the ultimate fire to the home!

Elder Cui looked at Lu San. He knew that Lu San was not lying. This guy just couldn't practice the ultimate fire, so he was still an outer disciple in the sixth level of the Tribulation Realm!

This time, he just practiced some aura of the ultimate fire, so he was tested as an inner disciple!

"Elder Cui, the disciples who are taking the test don't have much fire energy, so it's impossible for the fire energy to increase suddenly."

"But there is someone who has already mastered a lot of fire energy, and he is also in the inner disciple test."

After Liu Shitong took a look at Qian Xiu, he suddenly came up with a plan to frame Qian Xiu!

"Who is it?"

Elder Cui frowned!

"It's her, Qian Xiu, the beloved disciple of Elder Hu."

"She is the assessment steward, and she is fully capable of quickly passing the inner disciple test level ahead, but she is dithering and following those who are taking the inner disciple test."

"I think there must be some purpose. Maybe the sudden increase and explosion of the fire energy in this test is her doing!"

Liu Shitong pointed at Qian Xiu and turned the tables!

This operation made Qian Xiu look confused, and even Wei Qing was shocked!

David's eyes condensed slightly. He didn't expect Liu Shitong to be so shameless!

Chapter 3940

“You are talking nonsense and slandering me. I didn’t increase the ultimate fire at all, and I don’t know why the ultimate fire exploded.”

Qian Xiu saw that she was wronged, and she roared angrily!

“You said there was no fire? What evidence do you have?”

“Among the disciples who took the assessment, only you have the ability to increase the ultimate fire. Who else can’t it be you?”

Liu Shitong questioned Qian Xiu!

“It’s her. I saw her sneaking close to the ultimate fire, and along the way, she was not in a hurry as a deacon assessment. It’s obvious that she wanted to do something wrong!”

Seeing this, Lu San also accused Qian Xiu!

This time, Qian Xiu was speechless, her face flushed with anger, but she didn’t know how to refute!

Because she didn’t know why the ultimate fire suddenly exploded!

In the end, Qian Xiu cried in grievance!

Looking at Qian Xiu like that, Liu Shitong and Lu San were full of pride!

David couldn’t help but shook his head. It really answered the saying that the person who wronged you knows how wronged you are better than you do!

“Junior Sister Qian, did you do this?”

Seeing that Liu Shitong and Lu San both said that Qian Xiu did it, Wei Qing also asked!

After all, among these people, it is indeed only Qian Xiu who has the ability to do such a thing!

It is possible that Qian Xiu is afraid of losing in the end, so he simply broke the assessment, so that the winner cannot be determined!

Hearing Wei Qing’s question, Qian Xiu looked at Wei Qing aggrievedly and said, “You… do you also think it was me?”

“Junior Sister Qian, I don’t mean that. I’m just asking. If it’s really you, you don’t have to be afraid. I won’t let the sect punish you.”

Wei Qing hurriedly said!

“You bas***d, get out of here, it’s not me at all.”

Qian Xiu roared, and the whole person was really about to collapse!

Seeing Qian Xiu’s collapse, Wei Qing was also a little scared!

“If it’s not you, then who is it? The assessment formation I set up will definitely not have any problems. Who suddenly increased the power of the fire?”

Elder Cui asked Qian Xiu!

This time, Qian Xiu really couldn’t clear himself even if he jumped into the Yellow River. He had no idea who did it, and in the entire assessment, he was the only one who had this ability!

Moreover, she followed these inner sect assessment disciples everywhere, so she must have an intention!

How else can she explain?

Qian Xiu just wanted to take care of David, but who knew that things would turn out like this.

“It’s not me, it’s really not me... Can you only believe me if I die?”

Qian Xiu was driven crazy, and the whole person collapsed!

And David finally understood now that many people finally committed suicide after being wrongly accused, and that was really the limit!

“You die, if you die, we will believe you!”

Lu San said to Qian Xiu with a smug look on his face!

As long as Qian Xiu committed suicide, the pot can be directly thrown on Qian Xiu, and it was she who did something wrong and committed suicide!

“Ah.....”

Qian Xiu collapsed and shouted, and suddenly slapped her Tianling acupoint with a palm!

But David on the side was quick-witted and stepped forward and grabbed Qian Xiu’s wrist!

“Senior Sister Qian, you didn’t do it, why did you commit suicide?”

“If you do this, won’t those people who do bad things in secret escape in vain?”

David said to Qian Xiu!

“No one believes me, no one believes me...”

“Junior brother, do you believe me?”

Qian Xiu looked at David and asked!

“I believe you!” David nodded!

Of course he believed it. David did it, and of course he thought it was not Qian Xiu!

“Wuwuwu...”

Qian Xiu threw herself into David’s arms and burst into tears!

This time, David was a little overwhelmed!
